

KLAMATH MEN PASS AVIATION CADET EXAM

Lieut. Col. B. H. Hensley, district recruiting officer for the U. S. army in the state of Oregon, announced the results of the aviation cadet examination held in the Klamath Falls armory on Saturday, September 12, and released the names of the successful applicants.

Lowell Wesley Hamm, 634 No. Ninth; Calvin Powell Lamb, 501 Cypress; Pinky Beasley, route 1, box 632; John Earl Everhart, route 3, box 290; Henry Louis David, route 1, box 935; Ralph Charles Hunter, 2046 Wantland; Kendall Dean Thompson, 2253 Reclamation; James Delroy Nendel, 216 East Main; Robert Aerial Nendel, 216 East Main; Paul William Whitlatch, route 2, box 567; Walter Verne McGuire, 337 1/2 East Main; Alfred Bennett Castel Jr., Fort Klamath; Emil V. Potucek, Malin; Donald Andrew Ratliff, Malin; William Warren Kyle, box 537, Dorris, Calif.

Two other applicants were temporarily rejected for slight physical defects but both passed the mental examination and will be eligible for enlistment as soon as these defects have been corrected. One other applicant was temporarily rejected but will be eligible shortly as the regulations require that sufficient time must elapse after surgical corrections.

High Average

Col. Hensley stated that this group produced an exceptionally high average of successful candidates, as have all the groups which have been examined in Klamath Falls. The average over a period of six months has been approximately 50 per cent, whereas other cities in the state have shown a much lower percentage of accepted applicants. The colonel also stated that most of the credit for the large number of applicants from this territory was due to the excellent work being performed by the Elks lodge of Klamath Falls, especially the national defense committee headed by Lester Wright.

A new group is now being organized and young men between the ages of 18 and 26, inclusive, are urged to get in touch with Sergeant Frank J. Huhn, commander of the local recruiting office or with the Elks lodge and obtain full information as to their chances of becoming an aviation cadet. No formal education is required but each candidate must pass the mental and physical examinations prescribed by the army air forces. The successful candidates of the last examination have been enlisted in the air force reserve and are now awaiting their call to active duty.

NICK OF TIME

PHOENIX, Ariz., (AP)—J. R. Griffin of Oxnard, Calif., can't explain, but the Arizona highway patrol says his small coupe struck and knocked aside a heavy detour blockade on the highway.

Then it climbed a sand pile, rolled over a 12-foot ditch, landing so solidly both rear tires blew out. Next it rolled into the rear end of a truck. Projecting lumber crashed through the windshield of Griffith's car.

The coupe finally stopped with Griffith's nose almost nudging the timber.

Aviation Cadets Exert Gray Matter

Aspiring aviation cadets are shown hard at work on the examination which they are required to pass before being accepted by the army. Results were gratifying to local recruiting officers who said the percentage of Klamath Falls men to pass the test was far above average. Directing their work in the armory September 12 were, standing, left to right, Cpl. Williams, Capt. Ristau and Capt. Switzer, flight surgeon, all from the main recruiting office in Portland. Names of men accepted will be found in the accompanying story.

HIGH SCHOOL

News Notes and Comment

By ANITA GWYN

Salutations floated all around the halls today in commemoration of "Hello Day." In case anyone wanted to meet someone he is a member of the Traditions committee, who wore red bands on their arms. If you wanted to be introduced to a certain person and weren't only blame yourself, for you had all the chance in the world.

At the time of this writing, the pep meet and "Hello Day" dance have not come off, but we predict success for both — especially the latter. The dance is free and the high school band is playing so how could it be anything else but a success?

It looks as if the weather is going to be typical for football. Come to Modoc field tonight and watch the Pelicans do their stuff against Redding. Klamath Falls is rooting for you, boys, so we hope we will be seeing you win. Even if you don't we will know you did your best. Good luck.

Have you been wondering whether you've been doing passing work in your studies? Well, you won't have to worry very much longer, for unsatisfactory slips will soon leave the office and travel to their destination. Hold your breath.

People from the lowliest freshman to the instructors were seen eating either custard or jelly puffs or both after the sale. With powdered sugar spread from ear to ear, everyone who had had a nickle looked perfectly happy.

Don't forget the game tonight. It starts at eight o'clock.

Two Boys Found \$115-- And Resisted Temptation

Model behavior, like murder, will out.

It was several weeks ago, at the time the "Victory house" was here, that this incident occurred. Two young boys returned \$115 they had found to its owner—but the telling is still good.

Johnny Baker, 12, and Carlos Beckwith, 13, had stopped at the drinking fountain at Sixth and Main streets to remove some of the goo from their faces, after participating in a pie eating contest at the Victory house program. Suddenly they spied a wallet lying on the sidewalk beside the fountain.

In it they found \$115 in cash. From cards it contained, they learned the name and address of the man who had lost it—Tom Carland of 4626 Denver avenue in the Altamont section.

Going into a huddle, they debated what to do about it, and decided to take it to its owner. But they were broke, and had no way of reaching the address except by bus. So they cashed a five dollar bill in order to get bus fare, made the trip, and turned over the whole amount, including the change from the \$5 bill to Carland, who was one relieved and grateful man.

He rewarded each of the lads with a five dollar bill, but not content with that, he made a special trip to see Dave Bridge, city juvenile officer, to tell him the story—a quite different one from those Bridge is accustomed to hearing.

Carland said that he had just

received his paycheck at Klamath Falls, cashed it, and then dropped his wallet as he pulled some letters from his pocket on leaving the bank, and was plenty worried when he found it missing.

Jimmie is the son of Mr. and Mrs. W. M. Cooper, who live in a trailer house camp behind the Gilmore station on Main street, and is in the sixth grade at Riverside school. Carlos lived at that time with his parents, Mr. and Mrs. Roy Young, at 48 Main street, but since then has moved to Grants Pass. He was also a student at Riverside school last year.

AHI SWEET LOVE

JEFFERSON CITY, Mo., (AP)—A Ft. Leonard Wood soldier met a wonderful girl in the Missouri capitol building, then lost her.

He wrote the Jefferson City Post-Tribune for help in finding her again.

The description: "A very sweet little girl... Brown hair and eyes... The girl I have been looking for all my life."

ON THE SPOT

KANSAS CITY, (AP)—No one likes accidents, but Carl Thomas and Walter Garland think they picked a pretty good spot for theirs.

When the steering gear of their car failed, they overturned in front of a hospital. They climbed out of the wreck, walked in for treatment.
