

EARLY MAILING OF PARCELS TO SOLDIERS ASKED

Postal regulations and recommendations for the mailing of Christmas parcels to men in the armed forces serving outside the continental United States and in Alaska have been announced by Burt E. Hawkins, Klamath Falls postmaster.

All such parcels and Christmas cards must be mailed before November 1, and the earlier the better. Special effort will be made to effect delivery before Christmas of all gift packages endorsed "Christmas Parcel."

Stout Wrappings Asked

Lack of shipping space necessitates limitation of the size of packages, which should be confined to the size of an ordinary shoe box and weigh not more than six pounds. It is pointed out that members of the armed forces have ample food and clothing and people are requested not to send such items.

The rigors of shipping and handling require that packages be stoutly wrapped and able to withstand considerable weight and pressure, yet the covering should be secured so as to permit ready inspection, as all packages must be passed by the censor. It is recommended that boxes of wood, metal or corrugated cardboard be used.

Articles which will not be accepted for mailing include anything perishable, intoxicants, inflammable materials, including matches and lighter fluids, poisons and any composition which may kill or injure another or damage the mails.

Must Be Prepared

Addresses must be legible and should include the name, address, rank, serial number, branch of service, organization, APO number of the addressee and the post office through which the parcels are to be routed.

Parcels for navy personnel should also show the naval unit to which the addressee is assigned or the name of his ship. Marine mail should include in the address the marine corps unit number and be sent in care of the postmaster, New York City or San Francisco, Calif., as instructed by the correspondent for any unit located overseas.

Postage must be fully prepaid, according to rates obtainable at the postoffice. Inscriptions such as "Merry Christmas" are permissible on the outside of packages and books may bear simple dedicatory inscriptions not in the nature of personal correspondence.

Mailers are advised to insure packages of more than ordinary value, or send those small in size as first class registered mail.

Gifts of money should be transmitted by money order, since they can be cashed at APO's wherever located, and are paid in local foreign currency at the rate of exchange in effect on the date the orders are presented.

STATE NIGHT GETS HEARTY RESPONSE

SHEPPARD FIELD, Texas — (Special) — "Our 'State of Oregon Night' plans are receiving such enthusiastic response and cooperation from Oregonians at home," writes Virgil E. Stewart, Klamath Falls, "that we are assured of an unusually successful evening." The event, scheduled for October 3, will bring the hundreds of khaki-clad Oregonians stationed at Sheppard Field, Tex., together for an evening of music, singing, dancing, refreshments and a display of genuine Oregon spirit.

Oregonians are literally bringing Oregon to Texas in the many gifts that are being sent to the soldiers for the occasion. Astorians are sending cases of Oregon crab and leed salmon... Gresham, berries... and Medfordites, their famous pears. Many cash donations to cover the incidental expense of the occasion are also being received. The local Wichita Falls, Tex., USO are contributing two telephone calls on the night of the event.

"There is still time," urges Pvt. Stewart, "to send your gift or message. All should be addressed to the 'State of Oregon Night' committee, care of the Lamar Avenue USO club, Wichita Falls, Texas."

OUR MEN IN SERVICE

CORPORAL NOW — John W. Blake has changed his every day duties from work with the Weyerhaeuser Timber company here to being a corporal in Uncle Sam's army, according to word received here.

Blake took his officer's training at Camp Davis, N. C. His home is at Chiloquin, Ore.

THIRD STEP UP — Arthur L. Brooks is now addressed as corporal, following his third promotion since he enlisted in the United States army on May 1, 1942. He is stationed at a proving ground in Illinois at present. A graduate of Klamath Union high school, Corporal Brooks is the son of Mr. and Mrs. L. J. Brooks of 1211 Crescent avenue.

WAITS PLACEMENT — Private First Class Neil L. Wirz, U. S. marine corps enlistee, is now in San Diego, Calif., waiting for placement in an active squadron. A graduate of KUHS with the class of '41, PFC Wirz enlisted on January 18, 1942, and after leaving "boot" camp signed up in aviation ordnance, taking his technical training in Jacksonville, Fla. He is the son of Mr. and Mrs. E. C. Wirz, former residents of Klamath Falls who now make their home in Tillamook, Ore.

AIR CORPS RADIO MAN — Sherman Ruttenutter, "Sherm" to his friends here but "Rut" in the army, is stationed at Patterson Field near Dayton, O., after having completed his training as air corps radio man at Scott Field, Ill. He enlisted on November 20, 1941, and was sent to Fort Douglas, Utah, before being transferred to Scott Field. His parents are Mr. and Mrs. Paul Ruttenutter of 1737 Oak street, who recently enjoyed a visit from him while he was on leave.

MIAMI BEACH, Fla. (To the Editor) — I am writing you a short letter hoping you will print some of it and let my friends in Klamath county know where I am and what I've been doing since I left Klamath Falls two years ago, when I enlisted.

I enlisted in the medical corps and was stationed at the Presidio at Monterey, Calif., for 10 months. I transferred to the air corps in July, 1941, and have since been stationed at Sacramento, Battle Creek, Florence, South Carolina, and here at OCS where I have been since August 5. I will graduate from here and receive my commission as second lieutenant on October 28.

I received a furlough on October 15, 1941, and returned to Klamath Falls and married Revota Sari, daughter of Mr. and Mrs. Otto Sari, whom you

SOMEWHERE IN PACIFIC — John George MacMillan, seaman first class, is understood to be "somewhere in the Pacific" aboard an aircraft carrier. He has been with the U. S. navy since August 18, 1941, having graduated with honors from the aviation radio school in San Diego in May, 1942. MacMillan was employed for several years by the Pelican Bay Lumber company and is the son of Mr. and Mrs. J. G. MacMillan of 1003 Upham street.

Jack Waits, storekeeper second class in Uncle Sam's navy, is spending a seven-day leave here visiting with his parents, Mr. and Mrs. Floyd A. Waits of West Klamath, and with friends. He expects to return to duty next Tuesday. Waits has been serving in the navy supply depot in Oakland, Calif., for the past three weeks, prior to which he was stationed at Moffett field, Sunnyvale, Calif. He has applied for flight training and expects to be transferred soon after his return.

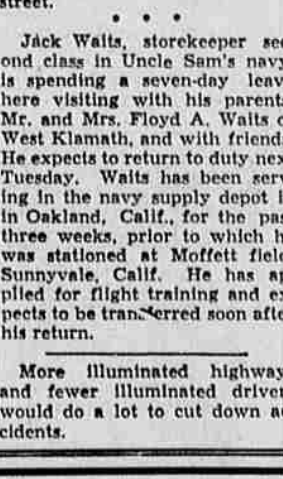

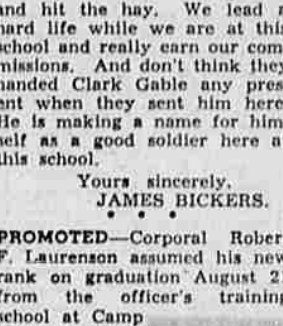

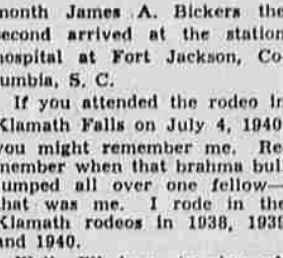

More illuminated highways and fewer illuminated drivers would do a lot to cut down accidents.

HIGH SCHOOL CORPS TO AID WAR EFFORT

WASHINGTON, Sept. 25 (AP) — Creation of a war-inspired "High School Victory Corps," open to all of the 6,500,000 students in the nation's 28,000 public and private secondary schools, was announced today by War Manpower Chief Paul V. McNutt.

Established to give "every high school student in the United States the opportunity to take a definite place in the national war effort through a voluntary enrollment plan," the corps will be headed by Capt. Eddie Rickenbacker, aviation leader and flying ace of the first World War.

Manual Sent

Simultaneously with the announcement here, state school superintendents throughout the country were asked to call on school boards and officials to launch the program locally as soon as possible.

A manual recommending methods of organization was sent to all school superintendents and high school principals along with this statement from the national policy committee for the corps, composed of army, navy, education and civilian aviation men.

"A realistic appraisal of our need for trained manpower, both in the armed forces and in war production, makes it evident that the high school can't go on doing business as usual."

Two aims of the corps were set forth as: "First, immediate, accelerated and special training of youth for that war service they will be expected to perform after leaving school; second, active participation of youth while still in school in the community's war effort."

RUN OF THEFTS FROM CARS TOLD

A run of thefts from automobiles seems to have struck the city this week, with several reported to police earlier and two more Thursday.

T. J. Bush of San Francisco said that when he returned, to his car after it had been parked all night in front of 1022 Main street, he found the windshield completely broken out and a number of articles of clothing taken. Also missing were an electric razor, school books, a fountain pen and other items.

A \$25 war savings bond, a draft registration card and receipts, all in a box, were reported by Ralph Walters of Bly to have been taken from his car when it was parked on Klamath avenue near Eighth street. He said the doors were not locked.

Men must prepare themselves in spirit against repeating the same blunders which have precipitated the tragic situation in which we now find ourselves. — Rabbi Milton Steinberg of New York City.

All-City School Band to Meet Saturday Morning

The all-city school band, composed of students up to and including the tenth grade, will meet for their first rehearsal under the direction of Andrew Loney, director of music education in the public schools, at Klamath Union high school Saturday morning at 10 o'clock.

This band is organized for the purpose of giving advanced training on instruments and to be available for community functions and concerts. Instrumentalists for the all-city band will be selected on the basis of their ability. This organization will meet every Saturday morning at 10 o'clock. It is expected that the band will number about 100 players when organization is fully underway.

SO SORRY

SAN DIEGO, Calif. (AP) — John Arvin, federal rent director, left both the landlord and tenant unhappy.

The tenant complained his rent wasn't high enough. He had signed his lease before the rent ceilings became effective, but by the time the regulations were in force the landlord had reduced the rent \$10 a month.

"It isn't fair," he insisted. "I agreed to pay it and the place is worth every cent called for in the lease."

The law, Arvin stated firmly, prohibited the increase.

Elmer Davis says the juke box is a vital necessity of war and is popular among soldiers, sailors and marines. We don't mind if they send all of them to the camps.
