

FREEZE HITS RAIL TRAVEL; SPECIALS OUT

WASHINGTON, Oct. 1 (AP)—Director Joseph B. Eastman of the office of defense transportation, today ordered the "freezing" of all railway passenger schedules and ruled out the operation of special trains to football games, races and other sporting events.

The order, effective October 4, restricts railroads to the passenger train schedules existing on September 26, forbids the running of any special passenger trains or the addition of new trains to existing schedules.

No Chartering

It also bans the running of extra sections to regular trains unless sections have been run at least 20 per cent of the time during the last 90 days to handle the normal flow of passenger traffic.

Also, under the order, no railroad may operate a passenger train which includes a car "chartered to, or the use of which by prior arrangement is restricted to an individual or group of persons travelling together."

This would rule out special cars, or cars chartered to baseball teams or travelling orchestras. This prohibition, however, does not apply to cars used by railroad officials or employees on railroad business.

JACOBS TO HEAD ARMY FUND DRIVE

Lee Jacobs, local radio station official, has consented to head up the Salvation Army funds campaign this fall, it was announced Wednesday.

Jacobs was selected by a committee of the advisory board, which met Tuesday and decided on a campaign for \$6000. Last year, \$7000 was raised.

Interesting Notes of Herald and News Advertisers, Their Products and Activities

Housewives of Klamath Falls have been quick to take advantage of the new Sego Milk premium offer which features two extremely useful and practical Pyrex utensils; a Pyrex measuring cup and a Pyrex baking dish. The Pyrex measuring cup is the 8 ounce size and has the new, improved pouring lip and red measurement markings. This "measuring cup of a thousand uses" is offered for only 24 large Sego Milk coupons. No cash is required.

The other Sego milk premium is equally useful and is almost a "must" in a well-equipped kitchen. It is a genuine Pyrex baking dish—8 1/2 inches wide and 2 inches deep. It's the kind of a utensil you'd use for all general baking purposes and for cakes as well. It is being offered for only 60 large Sego Milk coupons—no cash.

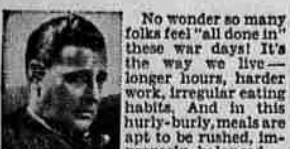

Think of being able to own one or both of these indispensable kitchen utensils—in genuine Pyrex—simply by saving the coupons from the large cans of delicious, wholesome Sego Milk you buy at the regular price! In these days of rising costs, this represents a decidedly worthwhile value!

These Sego Milk Pyrex utensils are not sent by mail in the usual manner but may be obtained here in town by bringing your coupons to Uhlig's Electric Store. Remember—only 24 large Sego Milk coupons for the Pyrex measuring cup—and only 60 large Sego Milk coupons for the Pyrex baking dish.

These premiums are being offered locally for a limited time only.

Why Be Troubled By Wartime Constipation?

Avoid one of the common causes—lack of "bulk"!

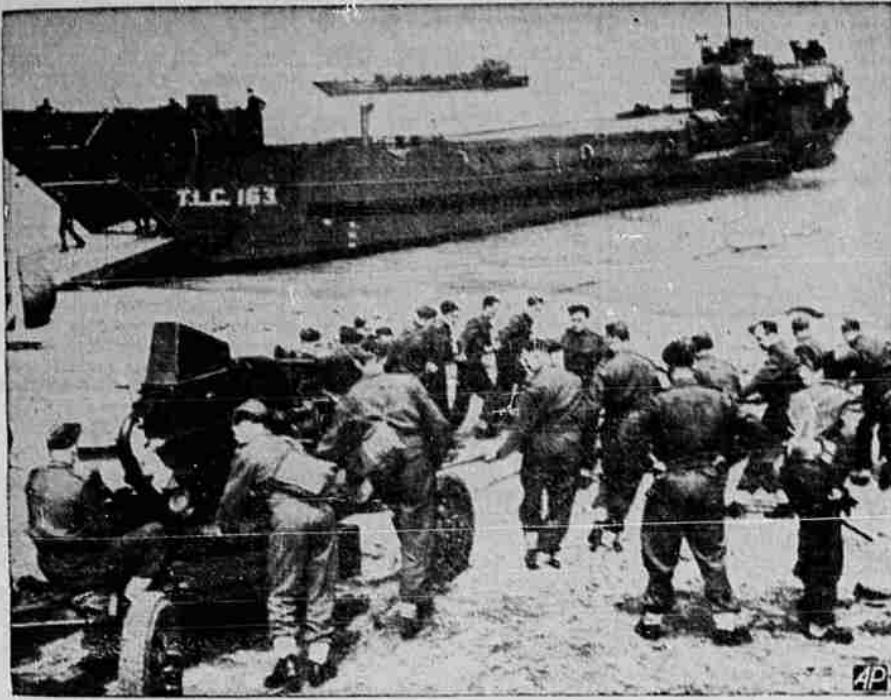

No wonder so many folks feel "all done in" these war days! It's the way we live—longer hours, harder work, irregular eating habits. And in this hurry-burry, meals are apt to be rushed, improperly balanced—and the important matter of "bulk" overlooked.

What a difference getting enough "bulk" might make! For lack of it is one of the common causes of constipation. In such cases, medicinal laxatives are only "make-shift" remedies; they don't correct the cause!

But eating KELLOGG'S ALL-BRAN regularly and drinking plenty of water can prevent or overcome this trouble. For this delicious cereal supplies the necessary "bulk." Start eating ALL-BRAN today. ALL-BRAN is made by Kellogg's in Battle Creek.

By ANITA GWYN BRING OLD KEYS

Mrs. O'Neill's second period 7A English class is sponsoring a scrap metal drive in cooperation with the national drive. Keys, hinges, padlocks and empty cartridge shells will be accepted. Bob Carstensen is chairman in charge of the drive. The other members are Willis Griffith, Barbara Moore, Tom Sharfstein and Talbert Sehorn. Each member of the class will be in charge of a home room and will bring reminder messages so that a continuous flow of the small metal objects will be coming in all of the time. Students don't forget to bring those old useless keys, hinges, padlocks and empty cartridge shells that are forever cluttering up the house. This is such a little bit ask of you (but every little bit helps) so do your part.

The dramatics department is getting underway with the advance classes practicing five one-act plays. The little theatre will not be open for a while, but plans are being made to start it as soon as possible. Mrs. Blomquist is working energetically to make this as good a year in dramatics as the previous years. It must be taken into consideration that the war will effect that department, as well as others.

We know for sure now that Stanley Woodruff will be the new principal. Mr. Woodruff has been the dean of boys and vice principal for six years, so it is necessary to find someone to fill these positions. The appointment should be known in several days.

Adolf, of the Axis Ball Club, Also Lost to Yanks

By KENNETH L. DIXON
WASHINGTON, Oct. 1 (AP)—Ignoring Pancho Villa's astute precedent of 25 years ago, Adolf Hitler, clean-up man on the Axis ball club, walked up to the American publicity plate and popped out yesterday.

Washington front pages showed that on the nation's news diamond, der fuhrer's sports-palast speech played second fiddle to a hunk of hot horseshoe out in St. Louis.

In the capital, where newspapers headlined the victory of

the New York Yankees over the St. Louis Cardinals in the first world series game, Hitler's harangue hardly raised an eyebrow.

He was the headline writer's forgotten man, buried down with the smaller type.

But while government workers kept at their jobs, they cocked one ear for the latest report on Yankee hurler Red Ruffing's seven-inning try for a no-hitter. Officials and employees with a moment's spare time joined reporters in press rooms, clustering around radios, telephones and telephones for play-by-play accounts of the baseball classic.

Now, had der fuhrer followed Villa's example, he might have fared better. The Mexican insurrectionist was planning an attack on the town of Ojinaga early October of 1917 when Norman Walker of The Associated Press appeared on the scene.

Publicity-conscious Pancho asked Walker for his professional advice, and the straight-faced scribe told him to wait until the world series was over if he wanted to make the U. S. front pages.

"Gracias, Amigo," said Pancho—or something like that—

and promptly postponed the attack. When the series was over, he captured Ojinaga, and made the front pages.

PORTLAND, Oct. 1 (AP)—The AFL Boilermakers union turned in a \$100,000 check for war bonds yesterday to put Oregon over its September quota of \$8,750,000. Associate Administrator Wilbur Carl reported to day.
