**They Clashed With Beavers**

Coach Stub Allison's hopes for a victory over Oregon State today at Corvallis rested largely on the performances of Jim Jurkovich, above, and Bill Reinhard, below.

**Beavers-California Tangle in Corvallis**

**Game May Determine Coast Championship; Warren Ready for WSC Cougars**

CORVALLIS, Ore., Oct. 3 (AP)—Oregon State and California, two of the early season favorites of the Coast conference, met here today at 2 p. m. for the Bears, ranked high because of the wealth of returning material, it was the first conference tilt. They defeated St. Mary's 6 to 0, in a warm-up game last week.

Oregon State, the defending Rose bowl champion, sporting an attack that features two alternating fullbacks, Joe Day and Choc Shelton, already holds one conference victory, a 32-0 win over Idaho. Coach Lon Stiner reminded the Beavers they have defeated California in their last three meetings.

PULLMAN, Wash., Oct. 3 (AP)—Rating very high in each other's camp and not so low in their own, Oregon and Washington State are admittedly ready and anxious to clash head-on at 2 this afternoon in their 1942 Pacific Coast conference football argument.

Honest John Warren of Oregon observed that Washington State was "doped as the favorite, but we'll have a team on the field."

Coach Babe Hollingbery of Washington State checkmated with: "Oregon will be primed and hot for its first conference game but we will be ready for them."

**FIGHTS**  
By The Associated Press  
NEW YORK—Ray Robinson, 145, New York, outpointed Jake Lamotta, 157½, New York (10); Sidney Walker, 158, Augusta, Ga., outpointed Chester Rice, 185½, New York (5).  
HOLLYWOOD—Cecil Hudson, 144, San Jose, Calif., won by technical knockout over Nardo Ramon, 11½, Mexico City (6).

**Terrific Fordham Rams Rams Power in East; Penn State Chances Drop**

By RED GRANGE  
The Original Man-in-Motion

NEW YORK, Oct. 2—Phenetically and materially, Fordham's jaw-breaking, body-busting football team will be at its terrifying best this season.

Listen: Rittinski, Yackanich, Siodowski, Pascavage, Goceliak, Sabasteani, Filipowicz, Andrejco, Cheverko, Vucksanovich, Osocki, Yablonski and Babula. There are also a Moran, Kull, Ryan, Hearn, Elder and Malley, whose lack of consonantal complexity is not indicative of any football ineptitude.

In short, Fordham looks bow-ward again in 1942.

Lieut.-Comdr. Jimmy Crowley is busy at North Carolina Pre-Flight school and side-de-camp Earl Walsh takes over. In Steve Filipowicz he has 5-foot 8-inches and 185 pounds of free-wheeling and a passer of uncanny accuracy—definitely an All-America worthy.

His fellow-travelers—Joe Andrejco, George Cheverko, Jim Hearn, Joe Osocki and Benny Babula—are seasoned ramblers. George Elder, sophomore brother of Notre Dame's famous Jack, is a scooter.

The line is as rock-ribbed as it is hard to pronounce.

**DUQUESNE HAS POWER; B. C. TACKLES TOUGH**

Bob Higgins was primed for his greatest year at Penn State, but war losses and the tragic death of sophomore phenom Dave Alston have cast a shadow over his squad.

Alston, a 6-foot 1-inch, 201-pound negro back, did everything superlatively. Higgins calls

him the greatest back he ever saw.

Complications set in during a tonsilectomy in August, and the youngster died of a blood clot. His brother, Harry, a fine prospect, dropped out of school in February.

Higgins lost 17 men to the armed forces but still has plenty of good material and sees possibilities for a successful season.

Swarthy, genial Buff Donelli has an unblemished record to defend at Duquesne. John Matisi, 211-pound tackle, is an All-America name to remember. Backs are fleet and deep with Joe Goode, Mac Kielbasa, Joe Gottlieb, Joe Setcavage and others carrying the mail. Forest Hall is a sophomore scatback find.

The Dukes are out to cop it all again and have a good chance to do it. They really have it.

Boston college has two great tackles, 204-pound Angelo Sisti, a shot-putter of note, and 220-pound Gil Bouley. Mike Hio-vak and Harry Connolly are fine backs. Club won seven out of a tough 10 last season and should do better this year.

**TEMPLE LINE IS RUGGED; SOLEM COUNTS ON MAINES**

Andy Kerr may find a replacement for Indian Bill Geyer, now of the Chicago Bears, at Colgate in the person of 186-pound Mike Micka.

George Smith and Ziggy Zamylnski give Clipper Smith non-stop power at Villanova. Line is stout, outlook good.

Temple has a lot of heft in the forward wall pegged by All-America candidate Jim Wood-

side, a 6-foot 2-inch, 215-pound terror at tackle. Ray Morrison calls him another Clark Hinkle.

Barrel-chested John Grigas is the big backfield noise at Holy Cross, a 205-pound blaster who carries on the illustrious tradition of Bill Osmanski. Ank Scanlon succeeds Joe Sheeketski as coach and brings in the T formation.

Ossie Solem of Syracuse is counting on Tommy Maines to live up to his freshman promise. Backfield is unusually well-stocked, line thin.

Bill Kern's West Virginians have a season of experience under their belts and won't be guilty of some of the oversights that greenness caused last season. Charley Helinski may add backfield power.

Pittsburgh has none of the lethal power of old and Minnesota, Duke, Great Lakes, Indiana, Ohio State and Penn State on the schedule. Bill Dutton and Tony DiMatteo are the best backs.

Georgetown has six seniors and some good rookies.

Manhattan relies on Herb Kopf's QT formation and the accurate passing of Harry Ulrich.

In the Little Three, Williams, Wesleyan and Amherst are rated in that order.

**CIGARS, PA?**

RACINE, Wis., (AP)—Pvt. Earl Thompson knew that he was going to be a father when he was drafted three weeks ago, but the message he received announcing the event must have been a surprise. Mrs. Thompson, bore triplets, all girls, who weighed about 4½ pounds each.

**Strong Arm Tactics**

A little thing like an approaching tackler doesn't stop Steve Filipowicz of Fordham from flipping.

**TODAY'S GUEST STAR**

Don Hickok, Green Bay (Wis.) Press-Gazette: "Last week the Packers entertained the Bears in a T-party. This Sunday they go to Chicago—for a card party, of course."

**SERIOUS STUFF**

This is the sixth world series for the Cardinals. They won three of the others, but the only time they ever took the opening game was against the Tigers in 1934. Terry Moore is hollering because someone swiped the bat he used to break up Red Ruffing's no-hitter Wednesday. Rogers Hornsby, who bossed the Fort Worth club this year, and Manager Tommy Thomas of the Baltimore Orioles were spotted in a St. Louis hotel lobby the other day talking about coming back as big league players if the war takes all the young fellows next year. Rog says he already has gone into training.

**L.A. Hangs On in PCL Playoffs**

Angels Trounce Seattle, 7-4, Need Three More

LOS ANGELES, Oct. 3 (AP)—The Los Angeles Angels are still clinging to whatever chance they may have of capturing the Pacific Coast league playoff finals. After dropping three in a row, the locals yesterday stayed in the series by defeating the Seattle Rainiers 7-4.

Ray Prim held the northerners pretty well in check, permitting only six hits, while his mates collected nine off Larry Guay, Hal Budnich and Ed Garnett.

The teams rest today, resuming hostilities Sunday with a doubleheader, unless the Rainiers take the first game and the series.

The Seraphs went right to work yesterday, batting Guay out of the box with a four run outburst. The victors clinched the game with another tally in the fifth, and scored their last one in the seventh.

The Rainiers had one big inning, the fourth, tallying three times. They scored their other run in the eighth.

**DiMaggio Scores 1st Run of Series**

Joe DiMaggio, Yankee outfielder, steps across home plate to score the first run of the world series in the fourth inning of the initial game in St. Louis. DiMaggio scored on Buddy Hassett's double. Walker Cooper is the Cardinal catcher. The Yanks won 7 to 4 despite a last inning, our run rally by the Cards.

**Vital Tulelake Duck Hunt Meeting Slated for Sunday; Jap Center Zone is Issue**

**Starr Urges Nimrods To Attend in Force**

DORRIS — A meeting of vital importance to sportsmen — particularly to duck hunters of Klamath, Siskiyou and Modoc counties — will be held Sunday at 2 p. m. at the Legion hall at Tulelake under auspices of the Tulelake-Butte Valley Sportsmen's association, Fred Starr, warden for the California division of fish and game, announced today.

Game Warden Starr, himself an ardent sportsman, emphasized the importance of the meeting and urged all sportsmen in the three counties to attend the meeting.

Two main topics will be discussed at the Sunday meeting:

1. The advisability or otherwise of establishing a neutral zone around part of the War Relocation Authority holdings on Tule lake.
2. The advisability or otherwise of re-operating the lower Klamath lake bird reserve on the California side and posting against hunting all the water area in that reserve.

Starr said the areas in question are practically the last free hunting grounds on the Pacific coast.

He said "federal" men will certainly close practically all the hunting area in the region unless there is a large crowd at the scheduled meeting. He also said there are more ducks this year than there have been in five years, and Klamath hunters with non-resident licenses will be vitally concerned.

**Bay Meadows Opens 45-Day Race Meeting**

SAN MATEO, Calif., Oct. 3 (AP)—Bay Meadows starts a 45-day race meet today, the first meeting to open at a major California track since the United States entered the war.

The track faced the prospect of trying to draw crowds without benefit of special bus or train transportation which has served the meet in previous years.

Lavengro, winner of the \$10,000 added Longacres mile at Seattle last summer, was the favorite to win the \$2000 added revival handicap over six furlongs, the day's feature.

**Denver Pioneers Trounce Kansas of Big Six, 17-0**

DENVER, Oct. 3 (AP)—They're young but they're learning fast, these Denver football Pioneers, and for proof look at their 17 to 0 triumph over Kansas of the Big Six.

Coach Ellison Ketchum's red-clad troops, among whom boys inexperienced in college football outnumber the veterans, showed themselves far more poised and gridiron-wise last night than in their 7-0 loss to Iowa State the week before.

They gave Kansas only two real chances to score.

**Grants Pass Defeats Medford Tigers, 12-6**

Climate City Eleven Scores on Two Passes; Marshfield Victor Again

By MATT KRAMER  
Associated Press Staff Writer

Southwestern Oregon, producer of the unheralded and undefeated Myrtle Point team last year, has bobbed up with another strong contender for the state high school football title—Marshfield.

The untouted Pirates scored their third upset of the season yesterday in trimming a strong Astoria eleven, 20-0. Previous victims were Washington of Portland, 7-0, and Medford, 14-0.

Marshfield showed unexpected versatility in downing the Astorians. The Pirates powered 43 yards for their first score, slipped the second one over on a 20-yard pass, and provided plenty of downfield blocking for Halfback Ford to carry an intercepted pass 90 yards for the third.

Elsewhere the football picture was muddled. In the Blue Mountain league Milton-Freewater continued on its neutral way by playing its third scoreless tie, this time with LaGrande. Once-defeated Baker

spilled a favored Pendleton team, 12-0.

In southern Oregon an improved Grants Pass team, tied by North Bend last week, 6-6; upset Medford, 12-6 scoring on two passes from Ray Clayton to Chet Lathrop.

Among teams going to the post for the first time were: Albany, winner over Silverton, 19-0; University of Eugene, victor over Sweet Home, 28-7; Roseburg, 20-12 over Reedsport; Springfield, 14-0 over Junction City; Parkrose 19-7 over Gresham.

Vernonia, one of the minor powers last year, was held to a 6-6 deadlock by St. Helens. Tillamook scored a second consecutive win, defeating Hillsboro, 7-0.

**LIGHT OF GLOWWORMS**  
Although scientists know comparatively little about glowworms, it has been established that their light is generated in the act of breathing.

Always read the want-ads.

**World Series Sidelights**

By AUSTIN BEALMEAR  
NEW YORK, Oct. 3 (AP)—All tied up like a Christmas package, the New York Yankees and the St. Louis Cardinals brought their post-season baseball argument into the house that Babe Ruth built today. The Yankees, who were to face Southpaw Ernie White today, haven't been beaten by a left-hander in a world series game since Carl Hubbell turned the trick in 1937. It's hard to imagine any pitcher wanting to throw to the Yankees, but every member of the St. Louis mound staff has been after Manager Billy Southworth to be selected for series duty.

Among those who still like the Yanks to win are the Broadway betting boys. If you want to wager on the 1941 champs in today's game you must put up \$11 to win \$5. A \$5 bet on the Cards will net you \$9 if they deliver. Some of the bleacher fans started their all-night wait at 8 p. m. yesterday. Well up toward the front of the lines were three 14-year-old lads from a Long Island community, all Cardinals rooters. They brought along an army cot, two heavy blankets, 45 sandwiches and half a dozen hard boiled eggs.

**Chicago White Sox Pace Cubs, 3-0, In City Series**  
CHICAGO, Oct. 3 (AP)—The Chicago White Sox were in a position to score their second consecutive grand slam in their annual city series with the Cubs in Comiskey park tonight. A victory would give the American leaguers the municipal title without a defeat. The Cubs suffered their third straight setback last night, 3 to 2.

We gladly forego  
**A MILE AND A HALF OF NEW TELEPHONE WIRE**  
—that this machine gun may shoot for 4 minutes!

Our Long Distance lines are carrying the greatest volume of calls in history—calls directly related to production for war and the movement of men and supplies.

The materials needed to build new telephone lines have gone to war! For example, a machine gun in action four minutes will use up enough copper for a mile and a half of telephone wire.

Although we cannot build new lines, we can make the most of what we have. You can help if you will not make any Long Distance calls unless they are absolutely necessary. Even on these, please be as brief as you can.

For this our sincere appreciation. You are helping us to help you and our Country.
