HIGH SCHOOL News Notes and Comment

By ANITA GWYN

Attention, all of those who plan on attending the game at Ashland this weekend: The Ashland high school has sent an invitation to all KUHS students for the dance that will be held after the game. Need a word of warning? We'll trust to your own judgment.

A change is being made. The Krater will hereafter handle the concessions at the games played by the Pelicans at home. This is the means of raising the remainder of the money necessary to keep the Krater going and will result in added features to make a better paper. Anyone who has that thing called school spirit and wishes to show it by helping will please get in touch with Mr. Rowe, Krater advisor.

As long as we're supposed to be collecting scrap metal, here's a hint to save up a few nickels, for there is going to be a donut sale in the main hall Wednesday noon and after school, sponsored by the Art club.

Watch out, here they come! I mean these people we have to look at several times to make sure they are people. The Pep Pepper initiation comes off tomorrow. The girls have a new advisor this year in the person of Miss Margaret Hay.

Boys, you now have a new dean. "Dutch" French has been appointed to the office, which will be affirmed by the board next Monday. Mr. Woodruff's appointment as principal will also be official then, also.

The Home Economics club held a business meeting, Monday after school and voted in the new members, who are as follows: Dona Anker, Frances Ayne, Marlys Steinselifer, Johanne Siemens, Rosie Suty and Helen Suty. The initiation will be held October 12. Jean Robin was elected as the new secretary in the vacancy left by Lillian Phipps.

GUARD EARRINGS
 In Mexico, gourds are worn as earrings. One variety of gourd is so small that lovers decorate them and present them to their girlfriends as ear ornaments.

Easy to crochet and attractive, are these pineapple dollies that lend themselves to so many uses. Just one of either size makes an acceptable gift. They can be done in string or finer cotton and cost little. Pattern 7414 contains directions for dollies; materials needed; illustrations of stitches.

To obtain this pattern send 11 cents in coin to The Herald and News, Household Arts Dept., Klamath Falls. Do not send this picture, but keep it and the number for reference. Be sure to wrap coin securely, as a loose coin often slips out of the envelope. Requests for patterns should read, "Send pattern No. to followed by your name and address."
