

LOST CRUISER WAS LAUNCHED IN STATE

BREMERTON, Wash., Oct. 13 (AP) — Thousands of spectators, including hundreds of visitors from Astoria, Ore., attended the launching here nine years ago of the cruiser Astoria, one of three United States cruisers lost in a Solomon islands battle. The 9950-ton vessel was named for the Oregon city.

The Astoria was the United States warship which was chosen in March, 1939, to carry the ashes of Japanese Ambassador Hiroso Saito back to his homeland, as a gesture of American good will.

Miss Lella C. McKay, a descendant of the founders of Astoria, was the sponsor at the launching ceremonies.

The vessel's keel was laid on September 1, 1930, and it was commissioned April 28, 1934. It normally carried a crew of 49 officers and 850 enlisted men. The Astoria cost \$11,951,000.

Chances of accidental death from the moment of birth have been estimated at 16 to 1.

Eagles are found in all parts of the world except the Arctic and Antarctic regions.

Washington State Supreme Court Justice Dies

SEATTLE, Oct. 13 (AP) — Justice John F. Main of the Washington state supreme court died in a hospital here at 8 a. m. today. He had been critically ill several weeks and recently announced his withdrawal from the November election contest.

Judge Main, 78, became ill before the September primary and, although unable to campaign, received the highest vote of four candidates for his supreme court position. After the primary, however, he withdrew.

SALUTE TO OREGON SLATED FOR DEC. 7

PORTLAND, Oct. 13 (AP) — Portland's farewell to the old battleship Oregon may be held on Pearl Harbor day.

The Dec. 7 date is only under tentative consideration, but Marshall N. Dana, chairman of the battleship Oregon commission, said he hoped navy recruiting and bond selling campaigns could be tied in on that day with the send-off for the Spanish-American war dreadnaught, to be broken up for scrap metal.

To further the bond campaign, Lieut. Com. G. F. De Grave suggested that the woodwork of the Oregon, which has been a marine museum here since retirement from active duty, be made into gavel, plaques and other souvenirs for sale.

Navy officials are expected to participate in the ceremonies, and Secretary of Navy Frank Knox will be invited.

Hunters in Wisconsin killed an angora by mistake. Getting a farmer's goat is nothing new for them.

Giraffes first were introduced into Europe about 45 B. C.

BANKER ATTACKS POLICY OF DRAFT

MEMPHIS, Tenn., Oct. 13 (AP) — Chester C. Davis, president of the Federal Reserve Bank of St. Louis, attacked Monday the administration of the Selective Service Act in relation to farm labor, and added that "there is a lack of understanding in fitting America's agriculture into the war program."

Davis spoke at a conference held here by the Friend of the

Land, a conservation organization. "It is hard enough to keep labor on the farms in competition with the lure of industry," he said after calling administration of the act in farm labor cases "reprehensible."

Davis told the conference an Oklahoma rancher had asked him to tell Washington officials that ranchers and farmers are being forced to sell female cattle and sheep by the thousands because of the farm labor shortage. Such sales, he said, would mean depletion of the herds of future years.

Ordinary steel paper clips are coated with tin.

Klamath Woman to Teach Lake Typing

LAKEVIEW — Mrs. Frances H. Green of Klamath Falls will act as instructor for the typing and short hand courses to be offered in Lakeview under the sponsorship of the Lake County Public Welfare commission, it was announced by Tom King, administrator.

Margaret Rodman will also offer a course in Spanish to those interested.

A college professor says many students go to college to get atmosphere. And some wind up by getting the air.
