RECREATION IN SCHOOLS GIVEN NEW APPROVAL

DORRIS—Several interested persons appeared before the Dorris city council Tuesday night and received official sanction for another year of the Dorris recreation program. High school and elementary school groups were elected to resume activities next year. The program was started here early in the year and enjoyed a hearty response from young people and parents alike until it was discontinued for the summer months. Mrs. Grace Mitchell, director, was spokesman for the group. She reported the finances of the recreation program were sufficient to finish paying for a public address system and phonograph attachment purchased late in the spring and that only a few dollars would be needed each month to perpetuate the program. A local orchestra furnishes music for periodic dances at the city hall.
