PRESBYTERIAN FLAG SERVICE HELD SUNDAY

The special service in honoring the men in the service of our country, which was planned for last Sunday, will be held this coming Sunday at the First Presbyterian church.

The Sunday school of the church is presenting to the congregation three beautiful silk flags, the American, the Christian and the Service flags with blue stars on the latter for every man in the service. In this connection there is one woman from this congregation in the army service, as well as the better part of 100 men, represented by stars. Representatives of the Boy Scouts and of the Sea Scouts will have the honor of carrying the American and Christian flags. The choir will sing "Oh, Beautiful My Country," by Ewing, and both choir and congregation will sing "America, The Beautiful," by Katherine Lee Bates. A representative of the Sunday school will present the flag and the chairman of the board of trustees will receive it in the name of the congregation. The pastor, Rev. Theodore Smith, will speak of "The Four Freedoms." The Cub Scouts, with Mrs. C. S. Elliott, the guardian, are to make a special gift to the soldier boys. An offering for such will be received.

The parents and other members of the families of service men are especially invited to attend. Reservations will be made for them in the auditorium.

First Presbyterian Church

The First Presbyterian church is located at North Sixth and Pine streets at the city venter. The pastor is the Rev. Theodore Smith, residence 435 North Second street. Telephone 5477 and at the church 7311. Miss Lillie Darby is the director of the choir and Mrs. Arthur Hall Denison is the organist.

The morning worship at 11 o'clock opens with the organ prelude, "Memories" by Demarest. "The Church's One Foundation" (Wesley) is the processional. The choir response to the opening sentence is "Grace and Peace" by Clenahan. Choir and congregation unite in singing "The Doxology," following the call to worship and the Gloria Patri, following the Lord's prayer. During the period of quiet meditation, the choir sings "Hear Our Prayer, O Lord," and, after the morning prayer, congregation and choir unite in singing "Our Fathers' God to Thee, Author of Liberty." The choir offertory is Schumann's "We Give Thee But Thine Own," and the organ offertory is "Melody" by Faysinger. There will be two special numbers. The choir will sing, "Oh, Beautiful My Country" by Ewing and Mrs. Dortha Elliott Reid will sing "The Lord's Prayer" by Mallott. The pastor will speak on "The Four Freedoms." There will be the dedication of the three flags, the American, the Christian, and the Service. The worship closes with the benediction, the choir dismissal, "Threefold Amen" and the organ postlude, "March" by Peace.

The evening worship is at 7:30 o'clock and centers in a study of I Thessalonians, the second chapter, "The Apostle's Defence of His Own Life." The worship opens with the organ prelude, "Prelude" by Beethoven. The offertory is "Sonnet" by Granados and the postlude is "Postlude" by Ganne.

The Bible school is held at 9:45 a. m. and opens promptly at that time. The "I Am Early, Keep It Up" and the "I Am Late, What a Pity" signs are working wonders in the attendance. All departments are feeling the effect. We ask cooperation of both parents and pupils to make the Sunday school equal to the day school in this respect. A display of Bibles is also asked for each Sunday. There is a place for you and for every member of your family in this splendid school.

The three Christian Endeavor societies meet at 6:30 p. m. All ydung people are made welcome at these meetings.

SPECIAL MEET SET AT REVIVAL UNIT

There will be a special meeting held tonight, Friday, at 7:45 o'clock at the Klamath Revival Center on the corner of Mitchell street and Shasta way. The pastor, Rev. Warren D. Combs, extends a very cordial invitation to the public to attend this regular monthly fellowship meeting, which is slated in the local church this month, and which will be followed by a communion service.

This special occasion will mark not only perhaps the closing of monthly fellowship meetings among the people of Klamath Falls, Keno, Ashland, Grants Pass and Lake Creek, but will also be the last fellowship meeting the present pastor of the Keno church, Rev. Melvin R. Griffith, will be able to attend for some time.

Rev. Griffith, Keno's young pastor who started the present church at Keno a little over a year ago after church and Sunday school had been abandoned in this lumber community, is subject to call at any time now in the army draft, but at the present is seeking enlistment in the merchant marines, where he is to report October 26 in Portland. Rev. Griffith has served faithfully in this community and has built a well-organized Sunday school during his short stay there.

Representatives from the above towns with their pastors, the latter group all being young people in the ministry, are expected to be on hand for this service. Rev. Leo C. Wine of Lake Creek, who is a talented accordonist, will be here to render some spiritual entertainment on his fine instrument. Special duets, trios and quartets are also planned for this one-night service.

Christian Science Church

"Doctrine of Atonement" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 18.

The Golden Text will be "John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world" (John 1:29).

Among the citations which will comprise the Lesson-Sermon is the following from the Bible: "For if, when we were enemies, we were reconciled to God by the death of his Son, much more, being reconciled, we shall be saved by his life. And not only so, but we also joy in God thru our Lord Jesus Christ, by whom we have now received the atonement" (Rom. 5:10, 11).

The Lesson-Sermon also will include the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life and Love. . . . That God's wrath should be vented upon His beloved Son, is divinely unnatural. Such a theory is man-made. The atonement is a hard problem in theology, but its scientific explanation is, that suffering is an error of sinful sense which Truth destroys, and that eventually both sin and suffering will fall at the feet of everlasting Love" (pp. 18, 23).

League of Women Voters Urges Citizens to Vote

By A WOMAN VOTER

Perhaps never in the history of this nation has an election been as important as this year's, on November 3, and the Klamath County League of Women Voters is going all out in a campaign to get every citizen to vote. This local movement is in line with the state and national policy of the League.

The League of Women Voters has listed 12 standards of judgment, good and bad, and has asked its members to select the best five as their own voting criteria.

All the representatives and one third of the senators come up for election this year, and the next congress will be the most important in the history of the United States.

So, since the standards of judgment laid down by the League are as just as good for non-league members, they are listed here as follows to be remembered on election day.

"First: political sagacity. Listen to your candidates utterances. Decide for yourself if his judgment and discernment are keen, if you'd trust him with your country's future.

"Second: intellectual integrity. Is this a man whose ideals are firm and unshakable? Or will he turn his coat with the winds of opportunism? Study his record. War congressmen must be statesmen, not politicians."

"Third: independent judgment. Are you voting for a Charlie McCarthy? Don't answer until you've weighed your candidates record in public life and his election platform."

"Fourth: responsiveness to constituents' opinions. This runs the gamut from pork-barrel congressmen to run-aways who sell out voters who elected them. Should a congressman be bound to the apron strings of his constituents? Or should he be on his own, with his conscience as his only guide. Decide how you feel about it now, it will be too late after election day.

"Fifth: flexibility. Many lawmakers have gone to Washington with their minds made up on all issues, unwilling to bend one iota. Others bend after every chat in the congressional vestibules. Where does your candidate fit into the picture?

"Sixth: party regularity. With a little study you can ascertain if your man is a dyed-in-the-wool party man. It is something you ought to know before voting.

"Seventh: Subordination of party interest to national interest. Some politicians forget that parties are servants of the nation. Is your candidate forgetting about the U. S. A. in his zeal for the elephant or the donkey? If he is, he doesn't belong in congress.

"Eighth: Broad background in civic affairs. If you hired a man to work for you, you'd want to know his experience. When you vote, your're hiring somebody to work for all of us. Check his record in other public offices in the business world and in organizations.

"Ninth: responsible attitude toward making and carrying out party platform. The party platform is to voting as the sales talk is to making a purchase. Is your candidate a gold-brick salesman? Or are his representations trustworthy?

"Tenth: follower of individual rather than party platform. Some voters like candidates who stand-for-what-they-stand-for, regardless of the word and letter of the party platform. If you are in this group a close scrutiny of individual platforms is in order. Is your man's platform sincere, intelligent, good for America?

"Eleventh: one who promises to get desired public projects for his district. The pork-barrel congressman of peacetime is likely to be the sectional-interest congressman of wartime. Will your man place national unity first, or will he compromise the nation's welfare by plugging sectional demands?

"Twelfth: one who promises jobs for the home town boys. With our expanding governmental activities, jobs and job-seekers keep mounting. How much stress should be placed on patronage? Where must the line be drawn between the plum picker and the statesman?"

These, in the order named, are considered the most important qualifications by Anna Lord Strauss, president of the New York City League of Women Voters: intellectual integrity, subordination of party interest to national interest, political sagacity, independent judgment and broad background in civic affairs.

The Klamath County League of Women Voters will hold candidates meetings on Monday evening, October 19, at 8 o'clock, and on Monday afternoon, November 2, at 2 o'clock. Both meetings will be held in the small club room of the city library. As many candidates as will be available will appear upon the program and outline their platforms, and state and city measures which will appear upon the November 3 ballot will be discussed.

Men and women of the city and county are cordially invited to attend these meetings.

BIRTH OF ROUND-END KNIFE

Cardinal Richelieu of France ordered all his knives to be rounded on the end when he became disgusted at the way a dinner guest used the sharp point of his knife as a toothpick. Others followed suit and thus the round-ended table knife came into general use.
