HARVEST BOOSTS TIRE ALLOTMENT

TULELAKE — Harvest emergencies slightly raised the local quota of tires and tubes this month although the regular quota was slightly below normal. Under the emergency allotment five passenger retreads, four tubes, three new truck tires, six recaps and one tube were allowed. The October regular quota was set at one new and one "B" passenger car tire, eight new truck tires, seven tubes and seven retreads.

Applicants whose requests are not acted upon in the month they are made must make a second application according to a new ruling.

In the last two weeks Howard L. Dayton has been issued two tires for a hay baler, O. A. Schultz, potato grower, received two truck recaps and one tire and one tube for a tractor.

Leon Fisher, one passenger car recap and tube; George Fry, farmer, two truck recaps; Karl Gearty, farmer and contractor, one truck recap; Bussente, dragline operator, reclamation construction, one recap, one tube.

Earl Ager, grower, two new truck tires and two tubes; Mike McAllister, farmer, two passenger retreads and one tube; Clyde Harke, two passenger retreads; Earl Denton, WPA procurement officer, two recaps, one tube for passenger car.

Ralph Powell, farmer, one truck retread; Joe Tschirky, farmer, one new truck tire, one recap; L. D. Smith, highway construction, two passenger recaps.

Don McAllister, farmer, two truck recaps; E. M. Mitchell, farmer, two truck recaps; Paul D. Wolfe, potato grower, one new truck tire; Archie Shepherd, one new implement tire.

Greyhound SCHEDULES CHANGED

The Office of Defense Transportation has ordered bus companies to reduce operating speed to 35 miles per hour—we are complying with this order.

This requires thousands of changes in arrival and departure times for hundreds of cities and towns. New timetables must be prepared and printed, but due to the great amount of work involved there will be some slight delay in the issuance of new schedule folders.

Please consult your local Greyhound agent for information on schedules.
