

DRIVE TO MEET WARTIME RISE IN TB CASES

Expanded plans for the 1943 anti-tuberculosis campaign in Klamath county, to be financed in part by the Christmas seal sale, indicate that the work here is rising to meet the threatened wartime rise of this disease.

It was revealed today that 10 men had been rejected under local selective service because of tuberculosis. Eight people were admitted from this county to the state tuberculosis hospital at The Dalles. Six others were admitted previously. Three have been

discharged from the hospital since January.

Seals Expected

The local health unit has handed in 189 chest x-rays so far this year.

Vance Vaupel, president of the county tuberculosis association, said that an increased amount must be realized from seal sales this Christmas.

Citizens of Klamath county will receive seals on November 23. They have arrived here and will soon be folded for mailing.

ALL IN THE FAMILY

ABBEVILLE, Ga., (AP)—Mrs. O. L. Smith, named sheriff of Wilcox county to fill the unexpired term of her late husband, ran for election to the office against T. J. Smith of Abbeville. Both were defeated by L. W. Pearce. Pearce resigned later and in a recent election T. J. Smith was named to the office. Mrs. Smith then married T. J. Smith and moved back to the sheriff's residence in the jail.

HIGHWAY 97 LEADS CRATER LAKE TRAVEL

Sixty-one per cent of the 1941-1942 season travel to Crater lake went into the park from The Dalles-California highway, according to the Klamath county chamber of commerce.

The chamber has received a summary of travel into the park for the season ending September 30.

It shows the following visitation by entrances:

South (Fort Klamath), 13,670; west (Medford), 70,860; north (Diamond lake), 6023; east, 5369.

This makes a total of 30,717 cars entering the park.

Division of Crater lake travel between The Dalles-California highway and the Pacific highway is made on the following basis:

Pacific—100 per cent of west entrance, 10 per cent of north entrance.

The Dalles-California—100 per cent of south and east entrances, 90 per cent of north entrance.

Crater lake travel in the season just ended was 63.4 per cent down from the figure for the previous season. The 1942 figure was 30,717 cars and 100,087 people. In 1942, registration from the armed services showed 1143 cars and 3722 people.

TOO FOND FAREWELL

SACKETS HARBOR, N. Y., (AP)—Mirian Nash, selective service inductee, gave his mother something to remember him by. He fondly embraced her just before his train departed, squeezed—and cracked two ribs.

Santa Claus Clan Dinner, Celebration Eliminated

In a lot of ways it's good news that there will be no Santa Claus clan dinner and celebration this year. It means that the kids are so well taken care of that the Clan can rest up a spell.

Members of the Santa Claus clan conferred Thursday morning on the possibility of eliminating the big dinner and program this year. Vice Chairman G. C. Tatman, acting for Angus Newton, Clan head, made the following statement:

"After studying the problem of the annual Santa Claus clan party from every angle, the committee has decided to cancel the celebration this year. Checking with the welfare agency we find there will be few families that need assistance and these will be handled by various organizations in

town. There is a severe shortage of labor, food costs are high, and the question of volunteer help must be seriously considered."

Tatman said that the clan would not disband, but that all equipment will be stored and when the need arises, the dinner would again be discussed. Balance on hand will be maintained in the bank.

OCCUPATIONAL HAZARD

SANTA FE, N. M., (AP)—Mountain music finally got J. D. Wilkerson.

The 39-year-old Jefferson City, Mo., man had to delay hunting a defense job long enough to have his left hand bandaged.

He explained he was playing Ozark mountain music on his musical saw.

Then the saw broke.

INTERNEES TURN DOWN MOVIE PLANS

The proposed moving picture theatre for the Tule lake project will not be built. The colonists themselves decided the matter at a referendum which took place Monday evening when more than 6000 people voted "No" and approximately 2000 people voted "Yes."

The argument against the construction of the theatre by the colonists was as follows: "We do not see the necessity of building a theatre. America is now facing the greatest crisis in her history, and naturally because of that the WRA cannot build a theatre. Why should we spend thousands of dollars for purely recreational purposes? What will the American public say when they hear of it?"

IT BACKFIRED

DENVER, (AP)—Francis Sargent was bicycling when a colie nipped his leg.

Sargent drew a pistol and shot at the dog. The bullet missed the dog, but grazed Sargent's ankle.

In police court Sargent was convicted of cruelty to animals and was given a suspended fine of \$100.

He also was stripped of his commission as voluntary officer for the state bureau of child and animal protection.
