

FLYING FORTS BAG 9 PLANES, DAMAGE BASE

LONDON, Oct. 22 (AP)—Nine enemy fighters were destroyed by United States Flying Fortresses in their raid yesterday on the German submarine base at Lorient, France, headquarters of the United States army air forces announced today.

"Interrogation of the bombing crews indicated that the engagement in which these planes were destroyed began as the Flying Fortresses crossed the enemy coast on their way to the target," said the statement, issued by the headquarters of the Eighth air force, USAAF.

"Formations of F-W 100's attacked the bombers and a continuous running battle was fought until the planes neared the vicinity of Quimper. Three of our bombers are missing."

Devastating Both transmitters of the German-controlled Hilversum radio in Holland went off the air between 1 and 3:30 p. m. today, the Dutch News Agency said, indicating that allied planes might be in the region. Hilversum, in central Holland, is in an area recently hard-hit by the allies in blows against rail and water transport in the Netherlands.

An earlier communique on the Fortress raid had said only that direct bomb hits were scored on the target, but reports broadcast by the Vichy radio indicated that the raid had had a devastating effect.

MODERN JUSTICE SANTA MONICA, Calif., (AP) Judge Marshall Hickson believes in an eye for an eye and a tire for a tire.

Autos belonging to Spencer A. Richards and Eric Lang collided. Richards was arrested for drunk driving.

The judge suspended the 180-day jail sentence, but he ordered Richards to give up one of his good tires.

It will replace a tire of Lang's which was damaged in the wreck.

DOMESTIC REBELLION KANSAS CITY, (AP)—A crusty-voiced man called Police Chief Harold Anderson's office today and said he wanted to be a volunteer patrolman election day. And why did he wish to serve? "... I'm damned tired of doing housework all the time."
