

CLIP DAY
Wee William Hulen, Medford Mail-Tribune sports grapher, had this to say of Ralph Foster's swell performance on the Tiger field last week:
"Foster, in this department's opinion, is the greatest running back to trot the turf of the local stadium since Eureka sent Bill Prentice here to run everybody ragged. Prentice, incidentally, is playing fullback for Santa Clara. In his sophomore year, and scored the touchdown against Oregon State Saturday."

Bill also points out that next week's tussle between the Pelicans and Grants Pass will decide the Southern Oregon conference title—and it will be the first time in years and years that Medford will not either share it or own it outright.

Last season, you'll recall, it was all Medford's until Ashland rose up and smacked 'em, winding up the race in a three-way tie between Klamath, Medford and the Grizzlies.

This fall the crown will rest unshared either here or in Grants Pass. Medford and Ashland meanwhile will fight it out for third—and the devil and the basement take the hindmost.

Says Richard Strite, sports editor of the Eugene Register-Guard anent tonight's Pelican-Axemen clash:

"There's no good reason, in fact no reason at all, for the Eugene Axemen to take next Friday's game at Klamath Falls lightly. The 'Big Purple' will have to show considerably more than they showed the Milwaukee Maroons to beat a Pelican club that can lick Medford 32-0—any Medford football team."

"We've seen the day when Eugene could match such a performance—the Thanksgiving day on Hayward field where one of Fritz Kramer's great clubs walloped the daylights out of Medford to the tune of a 44-0 score. That was back in 1936, the days of the Cavens, the Sears, the Elliotts, and the Bodners."

"Apparently the Pelicans have everything—a balanced ball club that gained 183 yards on the ground while holding Medford to 29, made 12 first downs to six for the Tornado, completed four of seven passes for 53 yards, and had a sensational punting average of 46 yards."

"Eugene has a potentially good running attack that would function against the best of prep competition if the Axemen backs can get under way a few seconds faster than demonstrated against Milwaukee. The defense cannot afford to be fooled, however, as it was on the Maroons' punt formation. The fact that Medford managed to complete five of 15 passes against Klamath for 79 yards might indicate Eugene's aerial game could damage Klamath's record of five consecutive triumphs."

"The 'Big Poison' in the Klamath backfield is no doubt Ralph Foster, a 156-pound left half-back speedburner who returned one Medford punt for a 70-yard touchdown and powered over from the six on another. The Pelican backfield is built for speed. The largest man is Quarterback Arnold Selby at 172 pounds."

Wildcats Tip Lakeview Honkers, 24-7

Initiating a scoring drive from the moment they took possession of the ball, Klamath's Wildcats punched over to a first quarter touchdown then went on to wallop Lakeview's Honkers, 24-7, last night on Modoc field.

The game, second of three consecutive local stadium contests for Klamath fans, was featured by the singular fact of a single Wildcat punt during the entire evening. On every other occasion the baby Pelicans either scored or lost the ball on downs intercepted passes or fumbles deep in Honker territory.

Hill busted over for all the Wildcat scores. The Lake county eleven was unable to tally until it stretched together a 70-yard drive in the third that gave the Honkers their single score.

Wednesday night Medford junior high trounced the KUHS Freshmen, 13-0. Tonight, the Pelicans battle Eugene high on Modoc field.

PELICANS, AXEMEN COLLIDE

Klamaths Outweighed by Veteran, Fast Eugene Eleven

(Lineups on Page 1.)
In what looms as a "state title" game, Klamath's Pelicans, winner of five straight contests, tackle Eugene's powerful, big, fast and also unwhipped Axemen tonight on Modoc field before what is expected to be the autumn's biggest house to date.

The Pelicans this morning were scheduled to field their regular starting lineup which, for the first time this year, will be

outweighed by the opposition. Beaming an average of 176.36 pounds, the Klamaths will be outbucked by the mastodon valley squad at 180 per man.

Only one-tenth of a pound difference separates the opposing forward walls, however. The margin lies in the backfield where the Axemen carriers pack an apportioned load of 173.7 pounds to the Whitebirds' 164.

The battle will for the first time pit Phat Phil Blohm, outstanding 215-pound Pelican center, against a man close to his weight. In Johnny Chamberlain, 6 foot-4 inch, 200-pound pivotman, the Axemen have an anchor touted as one of the best in the state.

Victors over University high of Eugene, 13-0, and Milwaukie high in the No-Game league, 31-7, the Axemen are talking state championship although they've nearly a full season ahead. The Klamaths, too, on the strength of their five straight wins, wherein they've scored 128 points to their opponents' 12, are eyeing the mythical state bauble.

Tonight's result, thusly, may determine the titlist.

Perhaps the toughest man the Klamaths will meet tonight is Bob Kramer, 185-pound junior halfback who runs, kicks and passes. Kramer, no relation to Coach Fritz Kramer, last year was one of two sophomores to

earn letters in three major sports.

Running with him is Co-Captain Howard Stewart, a two-year letterman who also does all three.

Pelican Coach Large Frank Ramsey said today that his lads have recovered somewhat from a natural letdown following their 32-0 mauling of Medford's Black Tornado last week but said that only their performance tonight will reveal how far they've come back.

The locals will be gunning for a tie in a nine-year intermittent series with Eugene. Winners in 1933, 1934 and 1935 by scores of 19-6, 6-0, and 26-6, the Axemen have dropped the last two combats with the Pelicans—in 1940 and 1941—by scores of 32-0 and 13-0.

Tonight's game, which will be broadcast over Station KFJL locally, is slated for an 8 o'clock kickoff.

Barker Takes Irish Over Illini Indians

Names Oregon State to Down Cougars, Picks Michigan Over Minnesota Gophers

By HERB BARKER

NEW YORK, Oct. 23 (AP)—Taking the usual scatter-shot at the weekly football program:

Notre Dame-Illinois: The renaissance of Illinois football under Ray Eliot has been one of the season's chief high-spots. Notre Dame, after a disappointing start reached a peak against Iowa Pre-Flight and seems ready to move on. This looks like an even proposition from any angle and the coin spins . . . Notre Dame.

Georgia Tech-Navy: Tech, unbeaten so far, numbers Navy Dame among its victims. Navy has done nothing this season to warrant this vote going anywhere but to Georgia Tech.

Army-Harvard: Harvard hasn't won one yet and this hardly seems the spot for the Crimson to begin. Army.

Michigan-Minnesota: The Wolverines have a scoring punch against top-flight competition. Minnesota has been a far cry from the machines Bernie Bierman sent to the football wars. Michigan.

Ohio State-Northwestern: In which the nation's current No. 1 ranking team meets a dangerous rival. Ohio State but the Buckeyes will need to watch Otto Graham.

Duke-Pitt: The astonishing rout of Colgate indicated the Dukes have gotten themselves organized. Duke.

Alabama-Kentucky: On the face of the records, Alabama should be a sure thing. They don't pay off on the records but just the same, Alabama.

Texas-Rice: The Ovis have had plenty of time to get ready for this one. But Texas seems to be rolling again after a brief slump. At any rate, Texas.

Southern California-Stanford: Maybe the Trojans can roll two Saturdays in a row. Southern California.

Santa Clara-U. C. L. A.: One of the toughest of the day to figure. The Broncos-Princeton: The Tigers have been responsible for two big surprises in beating Navy and tying Penn. This vote for Brown merely expresses doubt that Princeton can do it three weeks in a row.

Iowa-Indiana: Very tough indeed. Out of the hat, Indiana.

Wisconsin-Purdue: Purdue bageded. Wisconsin.

Georgia Navy-Louisiana State: Georgia Navy.

Nebraska-Oklahoma: Taking Nebraska.

California-Washington: The nod goes to Washington.

Washington State-Oregon State: Close enough. Oregon State.

Weekend Fishing Prospects

PORTLAND, Oct. 23 (AP)—Fishermen can expect results ranging from excellent in Rogue river to only fair in some other Oregon streams this weekend, the state game commission predicted today.

Reports in the weekly bulletin by counties:

CURRY—Rogue yielding good steelhead catches but few salmon. Few salmon caught in Chetco. Many fish reported coming into Elk river and lower Sixes river bay. Trout fishing good in Garrison lake, few taken from Floras lake.

JOSEPHINE—Limit catches of steelhead and cutthroat reported from Rogue with flies and spinners favored. Applegate and Illinois rivers, many small streams good for trout.

PORTLAND, Oct. 23 (AP)—Informed recently that deer and elk hides are needed by the armed forces, Portland sportsmen offered an estimated 600, a game commission employee estimated. The commission has arranged with several Portland firms to handle the green pelts.

Oregon City Grid Squad to Aid in Apple Harvest

OREGON CITY, Ore., Oct. 23 (AP)—The Oregon City high school football team is going to combine business—and patriotism—with pleasure when it hikes over the mountains to play the Dalles high Friday.

The team voted yesterday to remain in Hood River Saturday and Sunday to work in the apple harvest, threatened by a picker shortage.

The girls on the Lady Bug league enjoy their pin-spilling fun, every Thursday night. Although some are still novices, the girls are quickly getting the knack of rolling their ball into the pay-off slot.

It is a pleasant sight to see these lassies giving their "all" for their respective teams in an effort to gain another point.

Flo-Ann Eaton rolled high series with a score of 530. Opal Kilgore also hit the 500 mark, with a score of 506.

The team standings for the first four weeks are: first, Modernistic Beauty College; second, Fluhrer's Bakery; third, Cummings Fur Shop; fourth, Daggett Insurance; fifth, Lorenz company; sixth, Town Club; seventh, Hazel Beauty Shop; eighth, Black and White Service.

OSC Short Four Backs In WSC Tiff

Oregon Will Keep Eyes Peeled for Idaho Passes; Vandals in Poor Condition

CORVALLIS, Ore., Oct. 23 (AP)—Minus four backs Oregon State went through a final light drill today in preparation for its contest with Washington State at Portland Saturday.

Bob Libbee and Tag McFadden, left halfbacks; Dick Johnson, fullback; and Bob Heximer, right half, still were on the injured list and Trainer Del Allman said none of the four probably would play against the Cougars.

If Allman's prediction proves out, the Beavers will be left short in the ball-packing division with only Everett Smith to do the chores from left half unless Coach Lon Stiner does some last minute shifting.

EUGENE, Ore., Oct. 23 (AP)—Oregon will keep eyes peeled for Idaho passes Saturday, and expect the Vandals to return the compliment.

Coach John Warren has the Webfoots schooled, he hopes, in keeping track of Howard Manson, whom he expects will toss aerials right and left for Idaho.

Oregon, too, has been shaping up for a passing attack. Bob Reynolds and Bob Erickson have done heavy duty on the throwing end in practice all week.

MOSCOW, Idaho, Oct. 23 (AP)—A University of Idaho football team which Coach Francis Schmidt said was in its "poorest condition" of the season was en route today to Eugene for a Saturday meeting with Oregon.

Absent from the 27-man traveling squad which left last night was Dean Lewis, who received a head injury in the Stanford game last week. Schmidt said Sophomore Art Langlois probably would replace Lewis in the starting lineup.

State Hatchery Claims Record Fish Production

PORTLAND, Oct. 23 (AP)—Record production was claimed today for the state's new Brumh creek fish hatchery.

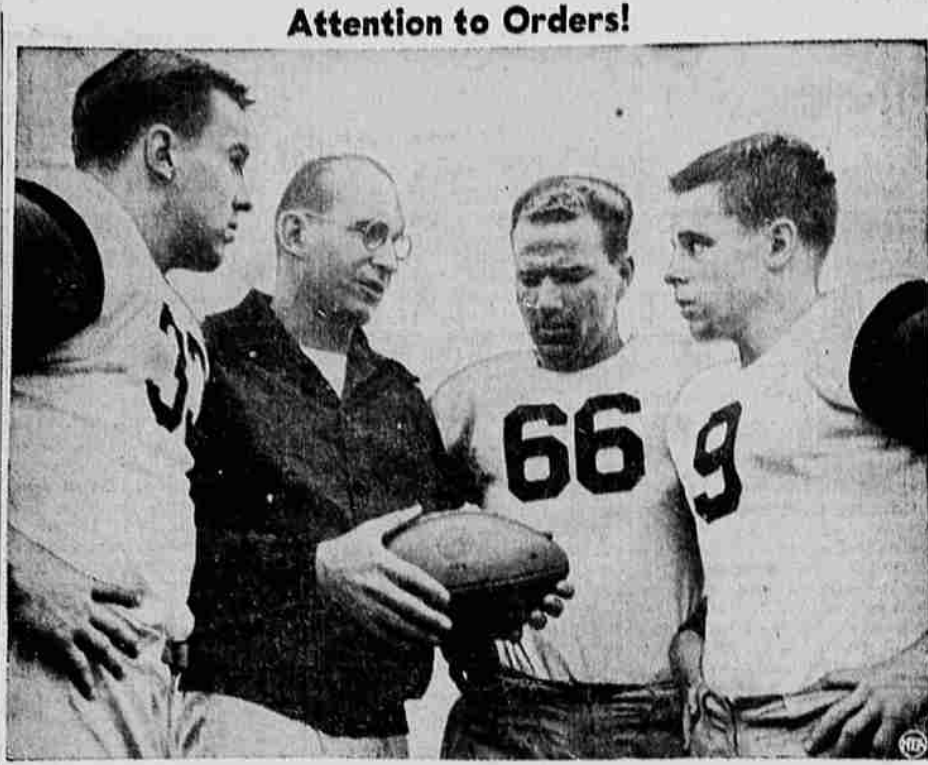

The hatchery has produced 524,713 cutthroat trout since its opening last spring, 20 miles north of Gold Beach, Matt L. Ryckman, state superintendent of hatcheries, reported.

NAVY STEPS IN

PENSACOLA, Fla., Oct. 23 (AP)—Sportswriters' accounts of the Texas Christian University-Pensacola naval air station football game here Saturday will be subject to censorship by the navy.

This is because the game will be played on the naval reservation. A broad ruling provides that newspaper reporters can't come on the premises without submitting their stories for official approval before leaving.

Tulelake Team Faces Alturas On Saturday

TULELAKE — Siskiyou county's B league pigskin titleholders, the Tulelake Honkers, who before the potato harvest got in their hair, took the county crown from McCloud to the tune of 20-0, will go into action Saturday on the home field, meeting Alturas at 2 p. m.

With a weather eye out for the scalp of the Modoc Indians, Coach Vic Gorin, new at the coaching job here, will toss in a weighty backfield with Dick Crawford, 180-pound mound of muscle expecting to plunge right through the Indians' line. The open field is meat for Bob Adams, who has plenty of speed, and for lusty Tom Waldrip, who has speed as well as weight.

Eugene Gresham is expected to hold up his end of the blocking and tackling.

Tackle positions will be filled by Lawrence Halousek and Bill Barks with George Fairchild slated for sub.

Lester Cushman, Wilbur Edwards and Harry Galloway are slated for end positions with the guarding to be up to Robert Moore, George Crowther and Ted Fish. John Cross will be in at center.

The Yreka boys will be met at Yreka the following weekend and the Honkers are on the look-out for a game or two with Oregon schools.

INDIANS' INDIAN

HANOVER, N. H., Oct. 23 (AP)—The Dartmouth Indians expect to display a full-blooded Indian action against Yale tomorrow in the bowl. As a result of blocking back Jack Burrough's injury, Art Carey has been moved into the varsity backfield and Rudy Lorraine, a Mohawk from Conway, has been promoted to second-string quarterback.

Since Dartmouth was founded as an Indian school, its charter insures Lorraine free tuition.

GRID IRONIES

Relax, Coach, Junior's Got Everything Under Control—Oops—Well, Almost

By BERNIE MOORE
Head Coach of Louisiana State Louisiana State and Georgia were undefeated. The result would have quite a bearing on the Southeastern conference championship.

A slow drizzle was falling. The field was wet and slick, ball-handling hazardous. The teams punted back and forth, trying to get a break.

Safety men were fumbling. He came right on and got the ball in his hands by some means just as two men hit him. He went one way, the ball went the other.

Somehow he managed to get loose and recover the fumble. After it was over, he looked over at the bench and me, waved and hollered:

"Relax, coach. Everything is under control."

Everything was — except the coach.

SEATTLE, Oct. 23 (AP)—In the face of Coach Stub Allison's unprecedented prediction that his California Bears would win this one, Washington's football players romped through their final drill for Saturday's homecoming game here with the air of a gang of confident, gambling kids.

There was a thorough defensive session against California passing plays last night, but most of the session was a frolic.
