HIGH SCHOOL News Notes and Comment

By ANITA GWYN

Ah, a vacation. That is the foremost thought in the minds of KUHS students, for Wednesday there will be no school. Even though there will be no classes, it will be a busy day. In honor of Armistice day, there is to be a parade with many students participating, followed by the football game with Bend at Modoc field. Also, classes were cut short Tuesday afternoon to allow for a pep assembly.

We expect to see a lot of Klamath Falls citizens out to witness the fight the Pelicans will put up to retain their perfect record. As yet there has been no information as to the possibility of another game with some other team with a record much the same as ours. Here's our chance to claim the title of state championship, so let's hope that something can be arranged.

The Home Economics' club gave a dinner for the grade and high school boards Monday evening.

The Freshman and Wildcat football squads have completed their season, turned in equipment and cleaned out their lockers.

We were able to get the final report of the rummage sale held October 31 by the Girls' League. The total amount taken in was \$185.91; \$150 was clear.

As soon as possible, a \$75 war bond will be purchased, and the remainder will be used to run the League. At the moment, it is believed that there will be the annual Girls' League dance this spring, but no definite plans are being made. A final check-up must be made as to the winning home rooms who brought in the most rummage. The members of the three winning rooms will each

receive a ten cent defense stamp. In determining who wins, a percentage basis is used, with the number of girls in the room the determining factor.
