

Kills Deer With a Knife

Mrs. Dale Rolfe of Boise, Ida., stabbed this 300-pound buck deer to death with a hunting knife when it charged her after being crippled by two rifle shots fired by Mrs. Rolfe. Mrs. Rolfe was uninjured.

By McGILLICUDDY BIRPZ

What about the Vancouver high school football team, opponents of the terrific Pelicans in an extra-schedule game next week?

They are called the Trappers. They have lost only one game this season, and only two in the last two seasons.

They defeated Jefferson high of Portland, 14 to 0, lost to Buck Hammer's Longview team, 6-9, then walloped Aberdeen 28-13, Olympia 9-0, Centralia 34-0, Hoquiam 20-0, and Kelso 13-0.

The Trappers lead the 12-week Washington conference, one of Washington's toughest circuits. They can do no worse than a tie for the championship of that conference.

Two guys you'll be seeing a lot of when the Vancouver team comes here next Friday night are Louie Grant, right half, and Bert Allinger, left half, who are the league's leading scorers up there.

Coach Dutch Shield's offense is built around "Bust-em" Bert Allinger, who is 166 pounds of tough backfield man and is the high scorer of the Washington conference. Allinger has run up 54 points so far this season, although last year his season aggregate was 90.

Grant is a spectacular ground gainer who weighs 159 pounds. The passing threat of the Trapper backfield is one Bill Hoff, and a talented place-kicker is a reserve, Frank Heller.

Here are the men with their weights who usually make up the Trapper starting line-up:

- Right end—Officer, 155.
- Right tackle—Lechner, 166.
- Right guard—Gomulkiewicz, 157.
- Center—Ripley, 175.
- Left guard—DeLong, 156.
- Left tackle—Lounsbury, 184.
- Left end—Flock, 154.
- Quarterback—Jacobsen, 163.
- Right half—Allinger, 188.
- Left half—Grant, 171.
- Fullback—Hoff, 150.

Lynn Roycroft, who handles the PA system at Modoc field like a professional, is going to have some fun with the name of that right guard, Gomulkiewicz. So also will Gordie Capps, the KJFI sports broadcaster.

Maybe they can talk Ramsey into running the Pelican plays on the other side of the line to

Hike Wagered on Outcome of WSC, Idaho Struggle

PULLMAN, Wash., Nov. 13 (AP)—Personal rivalry has been added to the natural rivalry between Washington State college and the University of Idaho for the football game at Moscow Saturday, it was announced at the college today.

The announcement said the wagers of the two teams have made a wager of a 10-mile hike on the outcome.

If WSC loses, Fullback Bob Kennedy, who leads the conference in touchdowns scored, is to walk from Pullman to Moscow. If Idaho loses, Howard Manson, halfback standout on the Idaho team, walks the reverse route. If it's a tie, they won't get lonesome on the trip. They'll both walk it.

stay away from this gent with the tongue-twisting moniker.

Looking over the weights in the Trapper line, we find an average of 164 pounds.

The Pelican line, from end to end, inclusive, averages 184 pounds to the man. Coach Shields must have started worrying about that at 12:30 p. m. Thursday, when the game was signed with the Pelicans.

The backfields average about 165 each.

Not very many people saw the best game that has been played on Modoc field this year. It happened last Friday. The opponents:

The first string Pelican backs with the second string line.

The second string Pelican backs with the first string line. Winners, by a score of 18 to 12, were the second string backs with the first string line.

According to Frank Ramsey, the boys really got warmed up and staged a great ball game. On the field were 22 of the sweetest footballers in the northwest. Either of those teams would make it tough for any high school grid team.

Football Continues Big Offense Trend

War-time Fosters Largest Offense With Least Effort, Figures Reveal

By ARNOLD DERLITZKI
CHICAGO, Nov. 13 (AP)—Collegiate football not only is continuing its trend toward greater offense under war-time conditions, but it is doing it with an even greater economy of effort. The nation's gridiron teams were averaging 222.8 yards a game on the basis of figures released today by the American football statistical bureau. This compared with a 1941 final average of 221.8 yards per team per game.

And where last year's collegians averaged a point for every 16 yards gained, they're getting that point this year by traveling only 15 yards. As a result, 1942 teams are boasting of a 14.98 point a game average to the 13.75 of last year.

The statistical bureau's reason for it was—greater scoring fitness and even better coaching methods.

The advance in total offense can be attributed to superior running attacks, for at forward passing the country's footballers slipped from 1941 when they averaged 80.6 yards per game and also established a record for percentage of completions.

The 1942 figures per game compared with 1941:

	1942	1941
Running average	145 yds.	141.2 yds.
Passing average	77.8 yds.	80.6 yds.
Avg. number pass atts.	11.4	11.0
Pct. pass completions	384	392
Punting average	36.11 yds.	36.18 yds.

The most offensive minded section of the nation is the mid-west where major teams are averaging 247.7 yards a game per team, although running second to the southeast in actual scoring.

Thundering Tech on Top Say Experts

ATLANTA, Nov. 13 (AP)—"Thundering Tech to take Title by two touchdowns!"

That's the consensus of southern sports editors, in the words of Clarence Green of the Harland (Ky.) Daily Enterprise, on the eve of Georgia Tech's big game with Alabama.

In fact, if Tech loses to Bama here tomorrow, before a sell-out crowd of 33,000, there will be a lot of scarlet-faced sports experts from Florida to the Georgia-Carolina line.

The unbeaten, untied Yellow-jackets are favorites by better than two-to-one in a poll by The Associated Press. Twenty-five southern sports editors look for Tech to roll onward to its eighth straight victory.

Ten believe that Bama has the decisive edge.

Even in Alabama, regard for Georgia Tech is high. The vote is divided, three-to-three, with veteran Zipp Newman of the Birmingham News cannily declining commitment either way.

Weekend Fishing Prospects

PORTLAND, Nov. 13 (AP)—Weekend fishing prospects looked bright for Oregon anglers to-day.

The state game commission said runs of steelhead and silversides have started in Tillamook streams and limit trout catches have been taken from the Rogue this week.

The county-by-county reports included in the weekly bulletin: Tillamook—Fishing fair throughout county. Limit catches of cutthroat reported taken from Miami, Silversides running in Wilson and Big Nestucca yielding limit catches. Steelhead limits also reported from Three Rivers.

Lincoln—Trolling poor. Few good catches of steelhead and salmon trout reported from Siletz and Alsea rivers near head of tidewater.

Jackson—Rogue yielding limit of trout, good steelhead bags, fair catches of silversides. Apple-gate river only fair.

DAILY DOUBLE MARK—NEW YORK—A national record for wagering was established in the daily double at Empire City—\$95,572. The former record, \$94,008, was set at Belmont Park, May 30.

Sports Briefs
By Hugh Fullerton, Jr.

NEW YORK, Nov. 13 (AP)—Did you know that there's a football team representing one of the "major" eastern colleges that is undefeated so far and hasn't had a nickel's worth of publicity about it? . . . And, what's more, it has won its league title four times in five years. . . . The team is Princeton's 150-pound outfit, which may come through to another title if it can knock off Penn today. . . . The lightweights get only four games this year, since Yale and Lafayette suspended operations in the eastern 150-pound league, but they play every one as if they were in the Rose Bowl. . . . Since the league was organized in 1934, football for fun has caught on so well that games have drawn as many as 10,000 spectators, with an average of around 1500, and the squads run anywhere from 60 to 130 players.

TODAY'S GUEST STAR
Jack Clowser, Cleveland News: "The inventive genius of the modern scientist is likely to figure the answers to anything. They know how to knock out Stukas, put the kibosh on pneumonia in a few days and operate planes with no human beings in them. It will only be another decade or two before they learn how to stop Don Hutson."

SHORTS AND SHELLS
Although the Sun Bowl game has been called off, El Paso fans like their post-season football so much that they've invited the second air force team from Fort George Wright, Wash., to play there December 12, probably against Hardin-Simmons. . . . If the Boston college Eagles keep on winning, every senior on the team will have a souvenir football at the end of the season. . . . On a recent long trip, the Ice Travels skaters, who used to travel in style, rigged up makeshift hammocks and even found some old doors which they laid across railroad seats in an attempt to get some sleep.

HIGH SCHOOL HIGH JINKS
Here are some of the kids that high school grid fans think are the season's champs (no college scouts are allowed to beat the starting gun): Bob Lucas of Paulding, O., high has scored 272 points and gained 1714 yards from scrimmage in seven games. . . . Juke Honn of Anamosa, Ia., completed 77 of the first 84 passes he threw this season for 1434 yards.

DOUBT DURATION GRID
LEXINGTON, Ky., Nov. 13 (AP)—President Herman Lee Donovan of the University of Kentucky says he doubts if colleges and universities will be able to continue football until after the war is over. "By next March," he adds, "the boys of 18 and 19 will be in the army if they are physically fit, and by next year this time, the only men left in the universities will be those who can't pass the army physical examination, and they don't form very promising football material."

VOLS SET RECORD
BATON ROUGE—Tennessee is first to defeat Louisiana State five straight years in football.

Referee Fred Flock raises his hands in the touchdown signal after quarterback Selby sneaks through tackle four yards to score the second Pelican touchdown in the Armistice day Bend-Pelican game. On the previous play Foster, the breakaway artist, ran 33 yards to the Bend four yard line.

Grid Camp

Notes

PALO ALTO, Calif., Nov. 13 (AP)—Art Shipkey will start at fullback Saturday for Stanford in the Oregon State football game.

Coach Marchie Schwartz named Shipkey yesterday, despite the fact that Buck Favett has been used during work-outs this week.

The Indians hope to avenge the licking which O. S. C. administered last year at Corvallis which was their first defeat in 16 games.

BERKELEY, Calif., Nov. 13 (AP)—Coach L. B. (Stub) Allison of the University of California said today he hopes to be able to give Rover Klemmer, world 400 meter sprint champion, experience in the football game with Montana here Saturday.

Allison added, however, that he would use Klemmer and other reserves only if the first team, which he has announced he will start, piles up an expected early lead.

CORVALLIS, Ore., Nov. 13 (AP)—Oregon State's Beavers led yesterday for Palo Alto where they will meet Stanford's football eleven Saturday.

After yesterday's practice session Coach Lon Stiner announced the selection of Frank Parker, veteran right guard, as captain for the Indian encounter.

SEATTLE, Nov. 13 (AP)—Washington's football squad was reported today in top shape both physically and mentally for Saturday's clash here with the highly rated St. Mary's Navy Pre-Flight eleven, with its Frankie Albert, Bobby Grayson, and company.

Coach Ralph (Pest) Welch was impressed by the way the Huskies ripped into their scrimmage chores with a zest yesterday, and intimated there was just a chance that his Washington team might be capable of delivering a surprise to the season's biggest Seattle football crowd.

MORAGA, Calif., Nov. 13 (AP)—Coach Jimmy Phelan of St. Mary's upset all football tradition today by announcing grimly that in the Santa Clara game Sunday "We'll beat 'em."

How? "By outscoring 'em of course."

Phelan, whose charges arrived from their eastern tour yesterday, made his boast despite the fact that Gonzalo Morales, halfback, is suffering from a hip injury. The coach said he would be in shape to start in the Sunday encounter, Tony Compagno, fullback, was named captain for the game.

PASS THE BUCK
PENDLETON, Nov. 13 (AP)—Hermon Rosenberg can pass the buck in a big way—if there's any left.

He won the Pendleton Gun club's annual big buck contest with a deer that weighed 340 pounds on the hoof and 228 dressed.

Bob McAlpine entered the largest horns, which spread 100 1/2 inches.

St. Mary Flight Cadets Bid for National Honors

SAN FRANCISCO, Nov. 13 (AP)—Still unbeaten and untied, the strong St. Mary's Naval Pre-Flight Cadets make a further bid for national honors against the University of Washington Huskies in the far western football program tomorrow.

On the basis of victories over both the UCLA Bruins and the University of Oregon, both strong Pacific Coast conference clubs, the all-star Pre-Flighters will be topheavy favorites over the twice-beaten Huskies. They play at Seattle.

Inspired by its surprising performance in knocking UCLA from the conference lead, Oregon meets the Southern California Trojans at Los Angeles on about even terms, and Stanford entertains the Oregon State Beavers in the only other game that shapes up as conceivably close contests.

California, which has an important personal feud with Stanford a week away, takes on Little Montana in what should be a lopsided affair at Berkeley, and Washington State, which leads the conference now, should have a field day with Idaho in the Moscow stadium.

Gene Gray Named "Most Valuable" Industries Player

VANCOUVER, Wash., Nov. 13 (AP)—Gene Gray, Portland fullback, last night was named the most valuable player of the northwest war industries football league by a poll of coaches and sports writers.

Other players selected for the all-star team were: Lou Butkovich, Seattle, and Norm Peters, Portland, ends; Jim Dent, Vancouver, and Bill Morgan, Portland, tackles; Milford Collins, Seattle, and Leonard Younce, Portland, guards; John Tsoutsouvas, Seattle, center; Bob Dehman, Gene Gray, Portland, and Del Owens and Pat Smith, Seattle, backs.

GETS ARMY-NAVY GAME

CAMP GRANT, Ill., Nov. 13 (AP)—The midwest will get its own army-navy football game here today when Camp Grant's Warriors seek to stop the Sailor eleven from Great Lakes, which ran over Missouri and Purdue in its last two starts.

Great Lakes has won four of its seven games while Camp Grant has won three of five. In their only game against the same foe, Wisconsin, Great Lakes lost, 13-7 and Camp Grant lost, 7-0.

Oregon Sport Notes

By FRED HAMPSON
Associated Press Staff Writer
Short takes from Oregon sport pages:

Don't be surprised if the Pacific Coast conference breaks down and waters its varsity stock with freshmen next basketball season, tips Dick Strife of the Eugene Register Guard. The topic is supposed to be on the agenda for discussion at the December meeting of the league's northern division. Oregon favors the idea.

Lou Nova pocketed three grand for his exercises against Ernie Nordman of Goodland, Kas., in Portland last Friday night. George Bertz of the Journal said it was the top purse to a fighter paid here since Jack Dempsey toyed around with a comeback in the early '30s. Old Nova-Caine drew 5000 customers but Matchmaker Joe Waterman did not announce the total take. It was soft money for the California heavyweight for Nordman was quite outmatched and outweighed.

Tommy Roblin of Oregon doubles in brass, woodwind, strings and drums. He has played left half, quarter, fullback; been ball carrier—both end runner and plunger—and blocker. On the defense he has backed the line and played safety.

Willamette university's football team has been doing well since it took a 13-34 thrashing from Portland university and wants an encore with the Pilots. Coach Spec Keene figures his Bearcats found themselves in their victory over College of Puget Sound and could give the potent Portlanders a much better match next time.

If it comes down to a choice between UCLA and Washington State for the Rose Bowl, the Cougars have one argument that rings with authority, to wit—

GOVERNAL PASSING

NEW YORK, Nov. 13 (AP)—Columbia grid fans are pulling for Paul Governal to break the college passing record of 1457 yards in total completions for a season, held jointly by Davey O'Brien of T. C. U. and Bud Schwenck of Washington in St. Louis.

Governal's 17 completions for 173 yards last week brought his total for the year to 1107 yards, just 280 short of the mark. He has averaged 171 yards per game and still has two games to play.

UCLA's indifferent record outside the league. The Bruins lost to Texas Christian and to Cal pre-flighters. True—they halted the winning streak of Santa Clara, but WSC has no demerits at all outside the league, walloping Michigan State in its only non-conference game. True, non-conference losses don't count, but a thrice-beaten team in the Rose Bowl might look out of place to some eyes.

Johnny Bubalo, Oregon's 1943 baseball captain and slugging first baseman, is recovering from a serious illness at the University hospital in Eugene.

Between the armed services and dim-out handicaps, Portland's amateur independent basketball company will be trimmed to about 25 teams. Peace-time average was 100.

GRID-IRONIES

Four Hikes Turn Out To Be Two Too Many
By GUS DORAIS
Detroit's Head Coach

Before attempting to kick the extra point against Villanova in Philadelphia last fall, the Detroit quarterback was to shout: "Hike! Hike!" The first "Hike!" was to draw Villanova offside.

For some reason, however, the quarterback arranged things with teammates so that he would shout "Hike!" four times before the kick was made.

The first "Hike!" drew Villanova offside, but by the time the quarterback got out the fourth "Hike!" the Wildcats were onside, and the kick was missed.

Had the plan gone through as originally mapped out, Detroit would have had a second chance to convert.

TWILIGHT FOOTBALL
CORAL GABLES, Fla.—Twilight football this fall cut attendance at the first two University of Miami football games to 19, 800. The first two games a year ago drew 32,962.

ELI COACH IN NAVY
NEW HAVEN—Stuart Clancy, assistant football coach at Yale, was sworn into the naval reserve as a lieutenant, junior grade. He reported November 1.
