BULL SIDE OF STOCK MARKET LOSES SUPPORT

By VICTOR EUBANK NEW YORK, Nov. 16 (AP) - The bull side of the stock market today lost many adherents, for no outstanding reason, and fractions to a point or so were subtracted from leaders.

In addition to a little more selling for income tax purposes, the stand-aside disposition of most customers was attributed partly to the lack of clear information regarding battles in North Africa and the Solomons. Transfers were around 500,000 shares.

Low-priced shares turned over in sizable deals. Packard Motors came out in one block of 10,700 at 2 1/2 and there was a 9000-share trade in Curtis Publishing at 1 1/4, both unchanged.

In the rear ranks the greater part of the day were U. S. Steel, Bethlehem, Chrysler, General Motors, Santa Fe, Southern Pacific, American Telephone, Western Union, Public Service of N. J., Kennecott, Standard Oil (NJ), Sears Roebuck, Godrich, Douglas Aircraft, American Can, Westinghouse, Johns-Manville and J. C. Penney.

Du Pont was inactive as directors voted a dividend of \$1 on the common, making payments for this year total \$4.25 compared with \$7 in 1941. Bonds and commodities were mixed.

WHEAT

CHICAGO, Nov. 16 (AP) - A few buying orders attributed to mills helped absorb scattered hedging sales and liquidation of December contracts today, keeping wheat prices from sagging more than small fractions while the trade awaited details of the government's plan to release loan stocks for flour manufacture.

No word was received about this program, which will require some sort of subsidy payment to producers since wheat prices are below loan rates. Traders said the government faces the problem of supplying mills with wheat at around current prices because of the ceiling on flour.
