## NEWELL MILITARY GUARD ENTERTAINED

MERRILL—An old-fashioned program with a community sing, plenty of eats, some readings and a lot of laughs, was presented by the Merrill Library club for the men of the military guard at Newell Saturday night. The club is cooperating with other clubs in the community in the attempt to make the members of the guard feel at home while stationed in this area.

Local musicians were besieged with requests for various musical numbers that the boys from Texas were familiar with and responding to the requests were Merrill's Merry Madcaps, Donald Bowman, Ronnie Trotman and the Schuck boys, Mervyn and Jimmie, accordionists, who are gathering about themselves a bit of fame for their versatility.

Rev. Donald Dod, pastor of the Malin Presbyterian church, proved popular with two humorous readings, "The Mortgaged Cow" and "A Seasick Sailor." E. E. Kilpatrick, principal of the Merrill high school, sang, one of his numbers being "The Briny Brine." All joined in the community sing that ran the scale from the songs of the '90s to popular tunes of this day.

Merrill folks who made the trip to camp were Mrs. M. A. Bowman, president of the Merrill Library club, Mr. Bowman, Mr. and Mrs. Scott McKendree, Mr. and Mrs. Alonzo Hodges, Mr. and Mrs. H. C. Bradbury and Iris Faye Bradbury, Mr. and Mrs. T. W. Chatburn, Mrs. Clifford Schuck, Mrs. J. R. Blatch, Mrs. Palmer, Mrs. Hines, Mrs. Claud Moreland and E. E. Kilpatrick.

## Funeral Rites Held for William Henry Cannon, 80

NEW PINE CREEK—Funeral rites were held here last Saturday afternoon for William Henry Cannon, 80, who died November 19 at the home of his daughter, Mrs. Mae Addington in Alturas, after suffering from a heart attack for just a week.

With the passing of Bill goes one of the oldest and most picturesque pioneer figures of this district. When stricken, he had just mounted a horse to go after the milk cows on the Morris Woody ranch at Davis creek, which he was taking care of in the absence of the owners.

Mr. Cannon first came to Goose Lake valley in 1873 with his parents, Mr. and Mrs. Sanford Cannon, and soon after arriving his father homesteaded what is now known as the old Meredith place south of Willow Ranch. He later married Frances Elizabeth Gallagher, who preceded him in death about six years ago. After renting and farming on various ranches, he purchased a mill on Lassen Creek just above the old Billy Walker place which he operated for a number of years, cutting all the lumber that went into the old church house which was used for the New Pine creek high school up until about three years ago. He also furnished most of the lumber that went into the Henry Wendt dance hall and store building now owned by Mr. and Mrs. Irvin L. Faris, as well as several other older buildings here, freighted much of the lumber up with bull teams.

Later he freighted between Madeline and Lakeview and hauled tombstones from Ashland to Lakeview, Surprise valley and Armita. When his son Chris was old enough to help, he started logging in the Fandango area for the old Doomy mill, the Rice mill and the Cambridge mill. In 1919, he sold his logging equipment to Blunt and Cambridge, and went to work on various ranches.

He was born in Lane county, Ore., on July 7, 1862, and was the father of six girls and one boy, who survive him. They are Mrs. Ella Clark, Mrs. Bertha Ballard, and Mrs. Mae Addington of Alturas, Calif.; Mrs. Sadie Addington, Davis Creek, Calif.; Mrs. Orville Buhl, Medford, Ore., and Mrs. Mable Kee, Wilderville, Ore. He also leaves 23 grandchildren, six great-grandchildren, and two brothers, George and Tom Cannon, who reside in Elmira, Ore. Two brothers, Dave and John Cannon, and two sisters, Helen Wilhelm and Nettie Williams, have preceded him in death.

Campbell will outline the district's accomplishments of the past year's operation and reveal their plans for soil and water conservation work for the coming year.

Prince promises a short, interesting program. A sound colored film will be shown as well as colored slides showing actual conservation work accomplished in the district. The state soil conservation committee has been requested to furnish the speaker of the evening.

A potluck dinner for the crowd is being planned, the arrangements for which will be announced later.
