

18-YEAR-OLD REGISTRATION STARTS FRIDAY

Registration plans for youths whose 18th birthdays fall this year from July 1 and December 31 inclusive, were announced locally by the selective service offices. The local plans are based on conditions resulting from gas rationing.

Men in this age bracket who live in Klamath Falls and suburbs and wish to register this week, may do so at the county selective service offices in the basement of the courthouse.

High Schools Open

Klamath Union high school students in the age bracket may register at the school on December 14, 15 or 16.

Men who live in outlying county communities may register any time from December 14 to 18, inclusive, at the high school nearest their home, or at the selective service offices here.

High schools where registration will be open to students and others as well, are Merrill, Malin, Henley, Bly, Bonanza, Keno, Sprague River, Gilchrist and Chiloquin. Registration will take place during school hours.

Those who fail to register at the high schools may register any time up to December 31 at the selective service offices, but it was urged that there be no unnecessary delay in registration.

WASHINGTON, Dec. 10 (AP)—Youths who have become 18 since last June 30 start registering tomorrow for induction into the armed forces.

Selective service estimates there are more than a half-million in this age group, but many of them already have enlisted.

The schedule, calling for three one-week registration periods for youths grouped by their birth dates:

December 11 to 17, inclusive—Those born on or after July 1, 1924, but not after August 31, 1924.

December 18 to 24, inclusive—Those born on or after September 1, 1924, but not after October 31, 1924.

December 25 to 31, inclusive—Those born on or after November 1, 1924, but not after December 31, 1924.

December 18 to 24, inclusive—Those born on or after September 1, 1924, but not after December 31, 1924.

Candidates Program
Inductions of youths of these ages were expected to vary to some extent depending upon preparations made by local boards to meet draft calls with older men and also on how rapidly the boards can classify the younger group for service.

The war department, meantime, announced that the order suspending voluntary enlistment will not interfere with the army's volunteer officer candidate program. However, men who have passed their 38th birthday will not be accepted as candidates although those who have been ordered by December 5 to report for induction will be taken for training.

Traveling Registrants
The order in which 18-year-old youths will be classified for induction will be determined by their birth dates with the oldest coming first.

Those traveling during their registration period will register with a draft board in the place where they happen to be, but their cards will be forwarded to their home boards, which will include the registrants in their quotas and have permanent jurisdiction over them.

Postponement
Youths who become 18 after December 31 must register on their birth dates. This group is expected to average about 100,000 a month.

Any 18 or 19-year-old registrant attending high school who is ordered to report for induction during the last half of an academic year may have his induction postponed until the end of the academic year upon written request to his draft board.

Addition of the new registrants to the list of draft eligibles will postpone to some extent the induction of childless married men, but their addition has been offset in part by the recent stoppage of induction of those 38 or older.

News of the Commandos

We Commandos take great pride in presenting our "mother," Mrs. Louis Serruys. Selected by the unit for her patriotism and understanding nature which has proven in the past to be of prime importance in helping us over our many obstacles.

Mother Lois acts as counselor for the unit, piano accompanist, chaperons, and many more duties too numerous to mention. Her ability to take what comes with a smile has been an inspiration to each and every member.

Recently she has taken on a new duty—writing the families of soldiers confined to local hospitals. She feels a friendly letter stating the condition of the boy and the care he is receiving would be of value to a worried mother. Below we have a letter received from the family of a soldier, an example of how this service is being received:

Dear Mrs. Serruys:

I was so worried and unhappy about my son, Elmore Lee (Frederic E. Lee) while in the army, until my daughter received the lovely letter from you. I read it over and over again. I slept very soundly that night for my mind was relieved. I think that it is a grand work that you and the Commandos of Klamath Falls are doing. I surely want to express to you and to each of them my deepest and sincerest appreciation for what all of you did for my son while he was in the hospital in your town. I have heard twice from him since he reached Reno, and both times he has mentioned the young women of Klamath Falls who were so very kind to him.

Most sincerely,
Mrs. Catherine J. Lee.
At this time we would like to put out an SOS for Christmas tree decorations for the service center. A tree is expected this week and any kind of decorations that might be available would be appreciated to the utmost. Call 9103.

Will You Say, On December 26th,
"I Wish I HAD?"

Will you wish you had remembered in time to send a present to the neighbor's boy in service?
Will you wish you had sent a little remembrance to that old couple that everyone seems to have forgotten?

Will you wish you'd bought a less-lavish present for someone at home . . . and spent the money for more things, for more people?

There's still time to plan a GOOD Christmas, a cheerful, warm Christmas, for a lot of people. And if you plan carefully, you can do it while confining your regular War Bond buying.

We've planned the kind of Christmas, here at Penney's, that will make a good Christmas possible . . . for you, for all your friends and relatives.

Come in and let's tell you about it!
