Library Club Has Interesting Meet

Silver Tea Follows Meeting of Klamath Falls Women's Organization on Monday

One of the most interesting meetings of the year arranged by the program committee of the Klamath Falls Woman's Library club was that presented Monday afternoon at two o'clock in the main auditorium with Mrs. Edward A. Geary speaking on "Asia" and Mrs. Everett Dennis having as her topic, "India."

Both women had prepared excellent material for their talks which were timely and by keeping up with the rapidly changing news, brought their subjects right to the minute. Mrs. Geary touched on postwar problems as concerns this country as well as Asia, and Mrs. Dennis stressed the obstacles to political and economic freedom in India against a background of present day conditions.

The program opened with the usual salute to the flag followed by one verse of America. Mrs. Don J. Zumwalt, music chairman, presented the a cappella choir of Klamath Union high school and their lovely Christmas carols were sincerely enjoyed by the membership.

Hospitality committee members were Mrs. Carleton W. Hornbrook and Mrs. Effie Rideout. The Christmas decorations along the stage platform were arranged by Mrs. J. F. King and Mrs. Warren Hunt.

A display of Christmas packages wrapped in the common, everyday things found around the house, showed butcher's paper gone glamorous, white tissue gay with a touch of greenery such as juniper with blue ribbon, and plain blue and brown papers combined with things from the woods.

A silver tea followed the program and pouring were Mrs. Robert E. Wattenburg, former president, and Mrs. A. G. Proctor, president. The table stressed the holiday motif. Money derived from the benefit will be used to purchase a war bond in the name of Library club.

Theodore S. Durment is expected home this weekend from Berkeley where he has spent several days visiting his mother, Mrs. Edmund S. Durment.
