

HIGHER STATE BUDGET READY FOR SESSION

SALEM, Dec. 22 (AP)—The state legislature next month will be handed a budget for the next biennium \$928,922 higher than in 1941.

Budget Director George Aiken announced Saturday it would total \$21,989,576, although \$1,823,214 had been trimmed from original department requests.

He said it would provide an estimated surplus next June 30 of \$11,639,674 in the excise and income funds. Governor Sprague said the surplus would be available to reduce property taxes in the future.

Welfare High

Aiken said the surplus at present is \$688,819, despite the fact \$732,918 in deficits have been liquidated and \$500,000 provided for wartime emergencies.

The budget listed welfare expenditures as the largest of state expenditures, topping state highway expenses for the first time in years.

The welfare expenditures total \$27,155,000, of which \$10,880,771 is for old age assistance. The state's share of the program is financed from liquor profits.

SERVICE

SPOKANE, Wash., (AP)—Patrolman Alexander Karle told a store proprietor on his beat to get a pile of wood off the sidewalk—it was blocking traffic.

The storekeeper dutifully called a man, but the man failed to show up, and shortly Patrolman Karle was back, growling and twirling his night-stick.

"Get a pair of overalls!" he asked the proprietor. Every stick of wood was tossed into the store's fuel bin immediately. The man who donned the overalls and did it was Patrolman Karle.

OREGON LICENSE STICKERS ISSUED

Oregon's windshield stickers, to be used in lieu of new license plates for 1943, now are being issued from the secretary of state's office, it was announced.

The stickers, commemorating the centennial of the Old Oregon Trail, will be used to validate the 1943 motor vehicle registrations in Oregon. The 1942 plates will be retained by those whose cars were registered in this state that year and for those who are registering their cars for the first time in the state in 1943 will receive a set of 1942 plates in addition to the stickers.

The stickers are to be attached to the top right corner of the windshield, directly behind the rear-view mirror, according to Earl Snell, secretary of state.

The sticker must be soaked in water 30 seconds, preferably in a warm place. It then is smoothed on the inside of the windshield with the design facing the front. The back of the sticker may then be pulled off, leaving

the design on the glass. Care should be used in attaching the sticker and it should be allowed a reasonable period to dry, it was said.

"ALL IS CHAOS—"

ST. LOUIS, (AP)—Mrs. Nicholas E. Burke had just finished her ironing when she heard a crash outside.

Hurrying out to investigate she found her parked car considerably damaged up on the sidewalk. Nearby was another automobile, considerably damaged.

The owner of the other vehicle surveyed the wreckage then turned to Mrs. Burke. "Lady," he shouted, "You were driving on the wrong side of the street."

Fourteen Cartons of Greens Shipped to Camp White Men

Fourteen huge cartons of greens left Klamath Falls late Friday afternoon to cheer the men at Camp White, Medford. The greens were made into 250 separate pieces including 100 large sugar pine cones to be used for door or wall decorations, and 150 smaller arrangements for tables and trays. These were especially earmarked for use in the camp hospital during the holiday season.

The arrangements were made by the Klamath Falls Woman's Library club garden group.

In addition two large cartons of silver and gold gilded greens, stands and candles were donated by the Altamont Garden club. The boxes were moved without charge by the Oregon-Nevada-California Fast Freight company to Medford. Credit goes to the Weyerhaeuser Timber company for donation and transportation of the greens.

Japs Fled, Leaving Meals Behind for Yanks, Says Marine

PORTLAND, Dec. 22 (AP)—Sgt. Clarence E. Murk, 33, Portland, home from Guadalcanal, told today of the surprise given Japanese by the marine landing at Henderson field.

"The Japs fled so hastily into the hills when our troops landed that they left meals on the table. We practically lived on Japanese

provisions for the first three weeks at Henderson. . . . We captured 250 Jap trucks, intact and practically new. They were English-made. . . . We also captured 15 or 20 cars, as well as quantities of gasoline," he told a reporter.
