

PAY AS YOU GO TAX PROGRAM GETS BACKING

By FRANCIS M. LeMay
WASHINGTON, Dec. 26 (AP)—Rep. Doughton (D-N.C.), chairman of the powerful house ways and means committee, said today he favored putting federal income tax collection on a "pay-as-you-go" basis but expressed opposition to the Ruml plan which would wipe out a year's taxes to achieve that objective.

A "pay-as-you-go" proposal seems certain to come up when the ways and means committee begins consideration of a new tax bill shortly after congress convenes next month.

Deductions Suggested
"In view of the unprecedented burden on the federal treasury in wartime," Doughton said of the Ruml plan, "I cannot see how we can erase several billions of dollars the taxpayers owe the government on their individual incomes for any one year."

Under the plan advanced by Beardsley Ruml, chairman of the Federal Reserve bank of New York, income taxes on the previous year's earnings would be wiped out and payments would be made on the current year's taxes through weekly or monthly deduction from an individual's earnings. Special provisions would be made for businessmen and others whose incomes were not in the form of regular salary checks.

That your insurance is right is important. Consult Hans Norland, 118 North 7th.

SOLOON ASSERTS RUBBER OUTPUT FALLING BEHIND

By ERNEST B. VACCARO
WASHINGTON, Dec. 26 (AP) Senator Gillette (D-Iowa) declared today synthetic rubber production was two to three months behind schedule and blamed "apparent complacency" for what he described as "a desperate situation."

Gillette told reporters the agriculture subcommittee of which he is chairman would question Rubber Administrator William M. Jeffers and war production board officials next month in an attempt to find out "just what the impeding force is" and to try to prevent "chaos."

Gillette said Bradley Dewey, deputy rubber director, previously had told the committee a month's delay in the development of synthetic rubber production would leave rubber supplies "below the danger line by next summer."

Gillette expressed belief that Jeffers was doing his best and said the committee wanted to give him every chance to "bring order out of chaos and confusion."

Jeffers said Wednesday in Omaha the rubber shortage might make it necessary to call for the fifth, or spare tire, from many automobiles and that some machines might be taken off the roads entirely.

The committee, Gillette said, would center its attention on what he termed the delay in constructing plants to manufacture alcohol from grain for use in synthetic rubber.

A year ago \$650,000,000 was allocated to pool petroleum processes for the synthetic process, Gillette said, adding that "the amount of rubber available after a year's time is so small as to bring about concern."

CARD OF THANKS
We wish to thank our friends for their many acts of kindness and lovely floral offerings extended during our bereavement, the loss of our beloved husband and father, Lyman Eugene Arney. We wish to especially thank the Fraternal Order of the Eagles lodge.

Mrs. Dorothy Arney and Family.

envelope. Requests for patterns should read, "Send pattern No. _____ to _____ followed by your name and address."

Visiting Soldiers Find Hospitality in Klamath

Two hundred Camp White men and a score or more of visiting soldiers, sailors and marines, are having themselves a time this Christmas holiday because Klamath folks decided that this was the real spirit of Christmas.

Through the efforts of the Commandos and the troop entertainment committee as well as several hundred individual contributors, there wasn't a man who found himself without gifts, a place to sleep, and plenty of food to eat.

Camp White men arrived at noon sharp Christmas day, 200 strong. They were brought to the Commando center where each was given a card bearing the name of the person whose guest he would be. A welcoming address was given by Mrs.

Louis Serruys, Commando mother, and Charles Stanfield, led in community singing. Mrs. George Hill and Mrs. Violet Moore sang a group of numbers and then the men were marched by a tree under which were gifts for each visitor. Lynn Roycroft served as master of ceremonies.

Not a man was left out and according to word from the Commando center, 50 more could have been accommodated. Others who were on leave from the South Pacific war area, some from Newell and still more from Camp White, were also entertained. The men are free until 8:45 a. m. Sunday.

Jack Hershberger of Hershberger's cafe fed men throughout the day as his Christmas gift and all help in his restaurant was donated.

Soldier Guests Got a Real Christmas at Hershbergers

It was a jolly Christmas at Hershberger's cafe, with Jack Hershberger and his employes voluntarily staging a big contribution to the entertainment of Klamath's soldier guests.

Two hundred pounds of turkey were served, gratis, to service men, along with other fix-

ings and even cigarettes were presented to the visitors.

The employes donated their services, Jack donated the food and equipment, and it all turned into a big Christmas party.

It didn't cost the service men a cent and they were asked not to leave tips.

VITAL STATISTICS

BIRTHS

BURGESS—Born at Klamath Valley hospital, Klamath Falls, Ore., December 25, 1942, to Mr. and Mrs. Ben Burgess, 1405 Wall street, a boy. Weight: 6 pounds 8 1/2 ounces.

M'LEOD—Born at Klamath Valley hospital, Klamath Falls, Ore., December 25, 1942, to Mr. and Mrs. Harold McLeod, 2057 1/2 Applegate street, a girl. Weight: 9 pounds.

Hillside hospital, Klamath Falls, Ore., December 25, 1942, to Mr. and Mrs. Arthur M. Fredrickson, 434 North Sixth street, a boy. Weight: 8 pounds 2 ounces.

ZIER—Born at Hillside hospital, Klamath Falls, Ore., December 24, 1942, to Mr. and Mrs. Jake Zier, Merrill, Ore., a boy. Weight: 7 pounds 3 ounces.

After centuries of ignorant and dull compliance, hundreds of millions of people in eastern Europe and Asia are beginning to see a great light. They are no longer willing to be eastern slaves for western profits. Wendell Willkie.

Having completely disarmed our enemies, and having provided that this disarmament shall be permanent, we must then treat our conquered enemies in a spirit of friendliness and equality.—Sen. George Norris of Nebraska.

U. S. HOLIDAY TOLL DROPS TO A RECORD 204

By The Associated Press
Violent death came to 204 persons throughout the nation during the Christmas holidays, with traffic accidents accounting for 99 fatalities, reports recorded Saturday showed.

High as the total was, it appeared that the nation had enjoyed one of its safest Christmas holidays in years. By dawn of December 26 last year, 431 deaths had been listed. Of that number 334 lives were lost in automobiles and other vehicles.

The fact that there were fewer cars on the highways because of tire shortages and gasoline rationing was believed partly responsible for the smaller number of traffic fatalities during this yuletide period compared with last year.

An Associated Press compilation showed that California had the greatest number of accidental deaths for this year's Christmas holidays, with 27. Illinois was second with 26 and New York had 16, Ohio 15.

Christmas Day Baby Born to T. R. Gillenwaters'

A Christmas day baby was born to Mr. and Mrs. Theodore R. Gillenwaters of Washington, D. C., in Walter Reed hospital, Washington, December 25, according to word received here.

The little girl, weighing 7 pounds 13 ounces, Mrs. Gillenwaters is the former Betty Ramsby, daughter of Mrs. Carey M. Ramsby of this city. Gillenwaters is former Klamath county district attorney.

ELEMENTARY SCHOOL STAFFS HIT RECORD

Elementary school teachers, janitors and cafeteria workers are not only over 10 per cent on war savings, but have boosted their purchases to about 15 per cent of total payroll, it was announced Saturday.

Vern Owens, payroll deduction chairman of the county war savings committee, warmly praised the elementary school

staff members for their excellent work.

Recently, high school teachers were placed on the 10 per cent honor roll.
