Tenth and Washington streets.

This church, a branch of The Mother church, the First Church of Christ, Scientist in Boston, Mass., holds services each Sunday morning at 11 o'clock.

Sunday school at 9:30 a. m.

"God" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 3.

The Golden Text will be "Unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever" (I Timothy 1:17).

Among the citations which will comprise the Lesson-Sermon will be the following from the Bible: "Hear, O Israel: The Lord our God is one Lord: And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might." (Duet. 6:4,5).

The Lesson-Sermon also will include the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Life, Truth, and Love constitute the triune Person called God,—that is, the triply divine Principle, Love. They represent a trinity in unity, three in one, —the same in essence, though multiform in office; God the Father-Mother; Christ the spiritual idea of sonship; divine Science or the Holy Comforter." (Pg. 331).

A meeting which includes testimonies of Christian Science healing is held every Wednesday evening at 8 o'clock.

A free Christian Science reading room is located at 1023 Main street, where the Bible, writings by Mary Baker Eddy, and authorized Christian Science literature may be read, borrowed or purchased.

All are cordially invited to attend the services and use the reading room.

I asked the New Year for some motto sweet,
Some rule of life with which to guide my feet;
I asked and paused; he answered soft and low:
'God's will to know.'

"'Will knowledge then suffice, New Year?' I cried;
And ere the question into silence died,
The answer came 'Nay, but remember too,
God's will to do.'

"Once more I asked: 'Is there more to tell?'
And once again the answer softly fell:
'Yes, this one thing, all other things above:
God's will to love'."

THIS IS THE MOMENT!

1943 IS HERE . . .

Now is the time . . .

THIS IS THE MOMENT—for all of us to make a solemn pledge that nothing shall be left undone to win the war—and to win it quickly.

The Penney Company regards its more than 1600 stores, its more than 40,000 men and women associates, as a group of tremendous vitality and force in the war effort. In addition, helping shoulder to shoulder, we include the thousands of people who supply us with what we sell; who in mills and factories all over the land produce with only one thought in mind: the speeding up of the war effort. But most important of all, are the millions who are our customers. They know that no sacrifice is too great for our common cause—and they make it—willingly and gladly.

★ ★ ★

The Penney Company's job has always been to supply typical American families (people who live simply but well) with clothing and home furnishings at substantial savings.

Those American Families are now the Home Front!

It is their job to send an ever-increasing avalanche of supplies to those who are fighting our battles on the far-flung war fronts of the world.

Those American families, that Home Front, can count on us to continue our efforts to supply the good American merchandise they must have to keep fit for their great task. We will continue, unremittingly, our efforts to secure their needs at savings: Today it is more than good sense and good management to save—Thrift and Savings are now an imperative duty.

This is the Penney Company's Statement of Faith, the Penney Company's Promise of Cooperation for the Year 1943, and for Every War Year Thereafter.
