RECOVERY IN DAY'S MARKET STILL UNEVEN

By VICTOR EUBANK
NEW YORK, Jan. 8 (AP)—Recovery in today's stock market continued a matter of notable selectivity as many leaders failed to draw sustaining bids and slipped into the losing column.

A few utilities, rails, farm implements and mail orders gave a pretty good account of themselves after a slightly uneven start. Up to mid-day minor declines and advances were fairly well split.

Sizeable blocks of low-quoted issues, in addition to a special 10,000-share offering of Lee Rubber and Tire Common, enlarged volume. Despite intermittent sluggish stretches, turnover for the full proceedings was around 800,000 shares.

WHEAT
CHICAGO, Jan. 8 (AP)—The wheat market retreated about a cent a bushel today from yesterday's 5-year-peak as a result of profit taking and hedging sales and diminished interest in flour.

Before the Stars and Stripes was adopted, there were some two dozen Colonial flags.

GASOLINE RATION VIOLATORS FINED

WASHINGTON, Jan. 8 (AP)—Alvin Milton, president of the Quality Service, Inc., a filling station, was sentenced to serve one year in prison and he and the company he heads were fined \$2000 today by Justice James P. Proctor for violating gasoline rationing regulations.

Justice Proctor denied probation to Milton, who was indicted in November on four counts of violating gasoline rationing laws, because, he said from the bench, of "the magnitude of the violations and the widespread public interests involved" and because "substantial punishment should be imposed in an effort to deter others prone to violate the rationing laws."

Milton pleaded guilty. The maximum penalty provided by law would have been a fine of \$1
