CORTEZ RESIGNS CITY JUDGE POST

TULELAKE — John Cortez, elected justice of the peace of Tulelake township in Siskiyou county, has resigned as city judge, his resignation to become effective when a successor to the office is appointed.

The problem of city garbage, that long has been harassing city fathers, will be taken care of in the future by George Williams, who will use a truck loaned by a Mr. Kurtz, with the provision that the city be responsible for truck repairs.

There has in the past been no systematic method of collection and disposal of garbage within the city limits and it is proposed that a method tried out successfully by Mt. Shasta be tried here. A stipulated fee will be charged under the proposed plan.

The council met this week with Mayor A. A. Rodenberger and all councilmen present.

In a couple more months or so, it will be safe to return your neighbor's snow shovel.
