

# KLAHN ELECTED PRESIDENT OF SCOUT COUNCIL

K. G. Klahn was elected to serve as president of the Modoc Area Council of Boy Scouts of America for 1943 at the annual council meeting held Sunday.

In accepting the position as president, Klahn urged that there be an increased emphasis on the fact that this is one unified district, organized for the purpose of furthering scouting activities throughout the area, which includes five counties in Oregon, Modoc and part of Siskiyou county in California.

Other officers for 1943 are R. C. Grosbeck, National Council representative; vice-presidents, R. L. Ackerman, Lake county; E. R. Morford, Alturas; Ernest Rhoades, Newell; commissioner, R. H. Prentice, Bend; treasurer, E. A. Dunham, Klamath Falls.

40 Attend Executive board, Dr. F. C. Adams, William Constans, C. S. Elliot, Hans Norland, Arnold Gralapp, Joe Hicks, R. C. Grosbeck, Lee Hendricks, A. M. Collier, Klamath Falls; Ray Harlan, Lakeview, Gil Moty, Bend; Paul Tanner, Alturas; E. A. Fetsch, Lakeview, retiring president.

Over 40 members attended the meeting, with representatives from Bend, Lakeview and Alturas. Three boys were guests of honor, Sea Scout Marion Risley, Cub Scout Lee Trippett, and Scout David Moebee. These young men presented the colors and closed the meeting.

A tentative program discussion for 1943 was led by Robert Lamott, executive secretary of the council.

Out-of-town members attending were C. E. Ebbe, L. J. Austin, Paul B. Tanner, George S. James, Earl R. Morford, Paul O. Reimer, N. G. Waller, Alturas; E. A. Fetsch, R. L. Ackerman, J. Millis Flynn, Lakeview; J. G. Jones, Bend.

# COMMUNITY SING SET FOR JAN. 22

Date of the second community sing has been announced for Friday, January 22, in the Klamath Union high school auditorium, under the direction of Andrew J. Loney Jr., and one of the highlights of the Rotary January war savings drive.

This sing is expected to be even more successful than the one held during Women at War week when hundreds of song lovers gathered in the auditorium. Songs will be printed on mimeographed sheets and distributed among the audience.

Bonds and stamps will not be sold in the audience but those attending will have an opportunity to purchase savings in the auditorium. The public is urged to attend. Loney will announce the program later.

# Snow Storage Above Average in Water Sheds

MEDFORD, Jan. 12 (P)—Snow storage is above average in all of the water sheds of central and eastern Oregon, R. A. Work, head of the Oregon snow survey, said Monday.

Water content of snow at Hogg pass on the Santiam-Deschutes divide is 32 inches, the heaviest on record for any snow course at this time of year.

Irrigation reservoirs for the Rogue River valley are above average, and storage at the headwaters of the Willamette river is unusually heavy, Work said.

He listed the central and eastern Oregon rivers with heavy supplies as: Klamath, Deschutes, John Day, Grande Ronde, Powder, Burnt, Malheur and Owyhee.

One of the great developments of this war is air transportation. In a year or two what we will be moving by air will be fantastic. —Col. Merian C. Cooper, chief of staff to General Chennault.

# Men Wanted

### OUR MEN IN SERVICE

**VISITS**—Floyd Oden, coxswain on one of the navy's subschasers, visited his father, Philip Oden of Dairy, and his brother, Ben Oden, 1870 Ward lane, on a seven-day holiday leave from Bremerton, Wash. Floyd has seen service at Pearl Harbor, Midway, and the Solomon Islands, where his ship, the Astoria, was lost.

**IN ONE YEAR**—Harvey Frank Hibberts, a sea man second class, visited his friends and relatives on a 15-day leave from the San Francisco navy yards after one year's service in the navy. Harvey enlisted from here January 8, 1941. On his leave he stayed with Mr. and Mrs. William Gourley, Bartlett avenue.

French in French Morocco "sure go for candy and gum," according to Sergeant William Elmer Evans, who has written his parents, Mr. and Mrs. W. S. Evans of the Hart hotel. Sergeant Evans said "These French are sure good people, or they are crazy about the Americans. They have had a hard time for a long time. They sure go for candy and gum."

But Sergeant Evans was even more interested in the Arabs, who, he said, are "just like the movies."

"They have their camels and all and it is quite a show for us," he wrote. "However, they are sure dirty and filthy. They don't know what a bath is. Their animals sleep in the same house with these Arabs."

Sergeant Evans said that his entire convoy got across without trouble but that he was sea-sick almost every day on the trip.

William E. Sweet, son of Mr. and Mrs. W. S. Sweet, 1340 Willford street, was commissioned a second lieutenant in the army upon completion of the officer candidate course at the infantry

school, Fort Benning, Ga. He was previously a corporal. Lieutenant Sweet graduated from KUIS and attended one year at Pacific university, where he was a member of the football team and Gamma Sigma.

Clyde E. Gilchrist, son of G. W. Gilchrist, 315 Grant street, has arrived at the air force technical school, Scott field, Ill.

Private James M. Yaple, brother of Glenn Yaple, Klamath Falls, has completed a 45-day course in repair and maintenance of armored force vehicles at Fort Knox, Ky.

Mary Palmer, 3317 Delaware street, has two men in service, her husband, Corp. James M. Palmer, 36, stationed near Seattle with the anti-aircraft coast artillery, and her son, Lee Hoseley Jr., 21, stationed somewhere in the South Pacific with the United States marine corps. Palmer enlisted April 3, 1942, and is a

member of the Klamath labor union. Young Hoseley enlisted the day after Pearl Harbor, December 8, 1941, and sailed three months ago for duty in the Pacific. His mother has not heard from him since that time with the exception of a Christmas telegram. He is a former Klamath Union high school student.

**TULELAKE**—Mr. and Mrs. Clark W. Fensler have been advised of the advance in rank from captain to major of their eldest

son, Robert W. Fensler, now in charge of a bomber squadron. The honor was bestowed on Christmas day at Pueblo, Colo., following a rapid rise in rank since he joined the army air corps three years ago.

Since completing his advanced training at Kelley field, Tex., Major Fensler served as instructor for new pilots at a number of stations in the west and middle west. Later, transferring to a bombing squadron, he received training in Florida. Commission-

ed a captain, he was sent to Wendover field, Utah.

Major Fensler, a graduate of Tulelake high school, has just passed his 24th birthday.

Two other sons of Mr. and Mrs. Fensler, Dick and Jack, are also in the service.

Of course, I don't know my range, but I've been told people a block away have heard me snoring.—Army recruit discharged due to "chronic asthma."

**Relieve Misery of HEAD COLDS**

Put 3-purpose Vicks Va-tro-nol up each nostril. It (1) shrinks swollen membranes, (2) soothes irritation, (3) helps clear clogged nose. Follow directions in folder. **VA-TRO-NOL**

## Homemakers' Guide

If you can't get that — try this

Even though our food dealers' shelves are likely to take on the appearance of Old Mother Hubbard's cupboard during this wartime period, it is still up to the homemaker to keep the family fare in balance with sufficient vitamins, minerals, and other body-building indispensables.

### FOR YOUR DAILY QUOTA OF VITAMIN A

... Look to your dairy products, eggs, sundry meats such as liver, heart and kidney, oily fish, leafy green and yellow vegetables. If one "A" food is not available, then turn to another.

### GET YOUR VITAMIN B

... From whole grain cereals, enriched flour and bread, milk, eggs, liver, kidney, fruits, and vegetables.

### YOU'LL FIND VITAMIN C

... In oranges, lemons, grapefruit, tomatoes and berries. Leafy uncooked vegetables, especially cabbage, can be called upon for "C."

### MINERALS ARE SO NECESSARY

**Calcium**—Of course dairy products, especially milk and cheese, are the best source, but the pinch hitters are molasses, carrots, cabbage, broccoli, and dried figs.

**Iron**—Liver, heart and kidney are about the best sources of this all important mineral. But too, there's whole grain cereals, enriched flour and breads, lean meats, egg yolks and leafy green vegetables.

### PROTEIN AND ENERGY FOODS

**Proteins**—These are the sustaining foods around which our menus are usually built. Meat, of course, is most universally favored. But when the family quota is exhausted, then think of the menu in terms of cheese, eggs, dried beans, and nuts.

**Energy Foods**—Somewhat or other, we seem to get our share of these, so there's no need for worry here. Breads, desserts, potatoes, in other words, starches and sweets, are seldom neglected on any menu.

## PAINLESS GAS EXTRACTION

YOUR NEIGHBORS CERTAINLY GET AROUND. THEY WENT OUT THE LAST TIME I WAS HERE TO SEE YOU.

BUT...THE GAS...AND TIRES...DO YOU ALL HAVE 'B' BOOKS IN THIS NEIGHBORHOOD?

OH, THAT'S JUST A COINCIDENCE — THEY ARE JUST GOING SHOPPING. WE ALL DO IT AROUND HERE.

OF COURSE NOT DARLING... WE GO TOGETHER IN ONE CAR AND ALTERNATE CARS. LET ME EXPLAIN...

...WHEN TIRE AND GAS RATIONING WAS BEING PLANNED, WE GIRLS DECIDED THAT WE NEEDED A PLAN TOO. SO WE FORMED A 'SHOPPING CLUB'. WE ALL LIKE SAFEWAY'S METHOD OF MERCHANDISING SO WE CHECKED A DAY EARLY IN THE WEEK AND...

... TAKE TURNS DRIVING OUR CARS. IT WORKS IN OTHER WAYS, TOO. IF YOU GET FOUR OF YOUR GIRL FRIENDS TO DO IT, YOU SAVE FOUR-FIFTHS OF YOUR GAS!

JUST WAIT 'TIL THOSE 'GAS MOURNERS' IN MY NEIGHBORHOOD HEAR THIS!

**Why Don't You Form Your Own Shopping Club**

Just get four of your neighbors to join you in taking turns driving to the store. It's a cooperative, helpful idea that multiplied by millions will go a long way toward keeping our cars rolling for the duration.
