BRIDGE REPORT TELLS MULTIPLE TASKS REQUIRED

In Dave Bridge's annual report on his activities as city recreation and juvenile officer for the year, 1942, his work showed the various demands placed on his office. The report was approved by the city council in session Monday night.

Bridge conducted 378 investigations, held 1971 interviews, 221 meetings of the boys' patrols, 44 sessions of Junior police court, recovered 67 bicycles, held 60 meetings, made 14 speeches and attended one basketball meeting.

Attended School

In addition Bridge arranged for first aid classes for Junior police, showed films on juvenile delinquency, supervised closing of basketball leagues and made arrangements for benefit games in behalf of Boys' club, arranged the summer recreation program, held three conferences with representatives of recreation associations.

Bridge attended the FBI school, attended the meeting of probation and parole officers in Reno, took part in the Moore park day and recreation circus, arranged for moving junior police to the potato harvest fields, arranged for a basketball tournament at the high school for 1943, and organized the girls' summer camp for the first time and enlarged the boys' summer camp.

SHEEPY LAKE BIDS TO OPEN THURSDAY

Bids for the 5160 acres of grazing land in the Lower Klamath lake district in the Sheepy lake area, will be opened Thursday, January 14, in the US bureau of reclamation offices, Federal building.

One week later, January 21, bids for the leasing of 5400 acres in the Tule lake sump area, to be used for agricultural purposes, will be opened in the USRS offices.

Purpose of leasing the Sheepy lake land is to cut down the dust problem coming from that section during the dry season.

Officials had not received bids up to Tuesday afternoon, but expected lessees to submit offers just before opening days set for leasing of the two areas.

1943 GOT A WARM WELCOME IN BASIN

The weatherman figured out that 1943 was given a warm welcome. Specifically, December mean temperature was 3.1 degrees above the normal mean of the previous 36 years. While the month's maximum of 49 degrees was not high, the high minimum of 16 degrees boosted the average for the month.

It is of interest to note that 10 years ago the December minimum was 10 degrees below.

After the soaking the Klamath basin received in November, precipitation at this station failed to make headlines again. While the recorded 2.73 inches was .85 inches above normal, it was by no means a record. It was also noted that just one year ago Jupe Pluvius dumped over four inches on this area in the same month.

The total of one and one-half feet of snow in December appears surprising to the average observer, yet the total recorded in seven snowstorms during the mo th was 17½ inches. There were six clear days, five partly cloudy, and 20 cloudy days during th month of D cember.

Nazis Seek to Trade Diplomats For Commission

WASHINGTON, Jan. 13 (AP)—The state department disclosed today that Germany is trying to obtain the release of its North African armistice commission—captured by American troops last November—by making the exchange of American diplomats held in France contingent upon the release of the German officials.

When the Vichy government broke relations with the United States in November, the state department explained, the United States "promptly proposed through the Swiss government an agreement to exchange the American group in France for the former French officials here."

If you want to help the axis, one of the best ways is to hoard food. — Agriculture Secretary Claude Wickard.

Greeted by King George VI

Commander Howard E. Orem shakes hands with King George VI of England at Scapa Flow, June 7, 1942, in this picture received by Orem's sister, Mrs. J. I. Beard of Lincoln street. Commander Orem, (inset), is now serving as commander on the USS Wichita. He is the son of the late Mr. and Mrs. H. Orem of this city, was reared in Klamath Falls, graduated from US naval academy at Annapolis and Columbia university, New York. He is also a brother of Ira Orem of this city. Commander Orem's name is listed among the graduates of Klamath high school, class of '17.

OUR MEN IN SERVICE

Marine PFC John C. Ferrell, one of the first of the leathernecks to land in the Solomons, was wounded in fighting on Guadalcanal on November 18 and has been moved to a hospital, according to a letter from him received by friends here.

"I'd like to tell you where the hospital is, but it's no soap," he wrote.

PFC Ferrell left San Diego on June 2 and was originally sent to Tulagi, near Guadalcanal. He was employed at the Big Lakes Box company prior to his enlistment.

• • •

Arden Dybevik, who enlisted in the SeaBees some time ago, has received his call to service and leaves Wednesday for the Portland sub-station. Dybevik, who has been employed by Rudy's Men's shop and Hibbs Clothing company here, was formerly employed as a crane operator in industrial cities in the east, and is rated a fireman first class in the SeaBees.

• • •

MALIN—County Commissioner and Mrs. John Reber are receiving some interesting letters from their son, First Lieutenant Ehle Reber, who since last October has been in England. Lieutenant Reber, pilot of a Flying Fortress, is with a bombing squadron and recent newspaper clippings received here indicate that he is seeing plenty of action over the continent.

With other members of the squadron he recently had a 48-hour leave which they spent in London.

• • •

Aviation Cadet Frank R. Hall, Chiloquin, former lumber company employe, has arrived at the Enid army flying school in Oklahoma to complete basic flight training.

• • •

Arthur C. Leaming, son of Mrs. O. L. Grimes, Route 3, has been commissioned a second lieutenant in the army after completion of the officer candidate school at Fort Benning, Ga. He held the rank of staff sergeant before being commissioned. The new officer is a graduate of Klamath Union high school.

• • •

Zane A. Griffin, Klamath Falls, is a new second lieutenant, after graduation from the chemical warfare service officer candidate school at Edgewood Arsenal, Md.

• • •

FORT KLAMATH—Corporal D. H. "Todd" Deffenbacher spent a short furlough here before leaving Thursday morning for Camp Robinson, Ark., where he is stationed with an infantry division. He is the son of Roy Deffenbacher of Fort Klamath.

Private Delbert Denton of the U. S. marines, has written his parents, Mr. and Mrs. Frank Denton, telling them that he is getting along fine and for them not to worry about him. This is the first communication received from Pvt. Denton since October 30, when his parents received a card telling them of his safe arrival overseas, address unknown. To date, Denton had received no mail from home, although Christmas packages and other mail had been sent.

Technical Corporal Donald Parker, son of Mrs. A. J. Parker of Fort Klamath, is now at Tanforan, San Bruno, Calif., with a military police unit stationed there. Young Parker enlisted in January, 1941, in the U. S. army at the same time that Raymond Van Wormer enlisted. Van Wormer is now at San Luis Obispo with the seventh quartermaster corps.

• • •

DAIRY—Harry McCumber arrived here Friday, January 8, from his army station at Santa Barbara, Calif., to spend a week's furlough with his mother, Mrs. Martha McCumber, his sister, Emma McCumber and brothers in this vicinity. Harry, who has served as military police, has been promoted to the rating of sergeant.

Floyd Oden has arrived here from his navy post to spend a few days' leave with his parents, Mr. and Mrs. Phillip Oden and friends of Pine flat.

• • •

DAIRY — Relatives have received the second letter from Thornton James Baker, who was sent overseas in January of 1942. He reports that he is in best of health, but could stand a lot more mail from home telling about things going on back in the states. He is the grandson of Mr. and Mrs. E. B. Schmoe of this vicinity, and was a former resident of Klamath Falls, where he attended school before his enlistment in the medical corps in February of 1940.

Staff Sergeant T. F. Heim of 209th M. P. company, has just returned to his station at Fort Lewis, Wash., after spending the holiday season with his parents, Mr. and Mrs. Theodore Heim and brother Erwin of 5854 South Sixth street, Klamath Falls.

Staff Sergeant Dale Brown, son of Mr. and Mrs. C. C. Brown of Dairy, is now at Pueblo, Colo., member of the 375th air corps division, where he is engaged in extensive air training.

Claude Fraley of the naval reserve left on Friday, January 8, for his base at Mare island, Calif., after spending a holiday furlough with his wife, Olive Fraley of Dairy and old friends. Fraley will be admitted to the Mare Island hospital for medical attention.

HORNET PACKED TOKYO RAIDERS, SAY NIPPONESE

NEW YORK, Jan. 13 (AP)—A Japanese broadcast asserted today that the United States aircraft carrier Hornet, identified Monday by the American navy as the aircraft carrier sunk October 26 in the battle of the Santa Cruz islands, was the vessel which carried the planes that raided Tokyo last April 18.

The broadcast, beamed for Japanese communities in East Asia, said, without giving the authority, that it was "disclosed" that the Hornet "brought the North American bombers during the attack on Japan." The broadcast was reported by government monitors to the office of war information.

The sinking of the Hornet was "revenge for the raid," the Tokyo radio said, adding that "our imperial air units have been concentrating on this ship."

OWI commented that Tokyo in this way sought to exploit the Washington announcement of the Hornet's end.

Tokyo also gave some indication of how deeply the Tokyo attack led by Brig. Gen. (now Maj. Gen.) James H. Doolittle, rankles the Japanese, OWI said. The broadcast said the date of April 18 "can never be forgotten by the 100,000,000 Japanese people."

IMPORTANT CHINESE VICTORY REPORTED

CHUNGKING, Jan. 13 (AP)—Sinyang, important Japanese base in southern Honan province on the Peiping-Hankow Trunk railway, has been recaptured by the Chinese, the Chinese high command announced tonight.

This was considered the most significant Chinese victory in months in the Central China war theater.

The high command's communique also reported the recapture of Hwangchwan, east of Sinyang in a battle in which 600 Japanese were slain.

It also reported renewed fighting in western Yunnan, near the Burma border, where the Japanese attacked Mengma January 8. They encountered Chinese resistance and fighting was continuing two days later.

2 KILLED IN CPT TRAINING CRASH

SACRAMENTO, Calif., Jan. 13 (AP)—Sol Gold, 27, San Francisco, was killed instantly and Ray M. Grimshaw, 22, Portland, Ore., was injured critically when their civilian training plane crashed just north of the Mather Field boundaries at 12:13 a. m., today, Mather Field officials announced.

Both men were civilian pilot trainees and were engaged in a routine night training flight, officials said. It has not been determined yet who was at the controls of the advanced training plane.

Gold is survived by his widow, Mrs. Eva Gold, San Francisco.

Grimshaw, a former Oregon State college student, formerly lived at 2236 N. E. 31st avenue, Portland, before beginning his training here. His wife is now in Sacramento.

Here's How I Licked Wartime Constipation!

It was easy after I was told it's often due to lack of "bulk"

"Seems like I was always 'dosing' up on account of constipation. That sort of stuff gets a fellow down.

"Then a friend pointed out that these war days were upsetting our whole way of living. Particularly in how we eat. Said I ought to take care my meals were properly balanced—and make sure I got plenty of 'bulk.' Because lack of 'bulk' is one of the common causes of wartime constipation. Those medicinal laxatives gave me only temporary relief; they didn't get at the cause.

"But, KELLOGG'S ALL-BRAN really fixed me up. It corrects this kind of constipation by supplying 'bulk.' And it tastes swell, too. Just eat it regularly and drink plenty of water. ALL-BRAN is made by Kellogg's in Battle Creek."

ED OSTENDORF INSTALLED AS KIWANIS CHIEF

Ed Ostendorf was installed as president of the Klamath Kiwanis club at an installation party and dinner dance held in the Willard hotel Tuesday night with District Governor Phil Hitchcock of Bend as principal speaker and toastmaster.

Lieutenant Governor Archie Vaughan of North Bend installed the new officers of the club. In addition to Ostendorf, they are: Malcolm Epley, immediate past president; E. A. Thomas, vice president; B. C. Thomas, treasurer; Henry E. Perkins, secretary; Ralph C. Dale, Don Drury, Kiva Hutchinson, Orth Sisemore, Joe Hicks, Stanley Woodruff, Ralph Howard, Bert Schultz, John Fowler.

Service Men Honored

In his installation address, Hitchcock emphasized the importance of a just peace that would prevent a repetition of the present world struggle. He made a strong appeal for Kiwanis support of spiritual values.

A feature of the evening was a tribute to the men in service who are members of the club, handled by Mayor John Houston. Service men honored were Lieutenant Robert A. Thompson, Lieutenant Lawrence Slater, Lieutenant T. F. Farley, all of the army, and Lieutenant A. O. Roenicke, Lieutenant George Massey, Chief Gunner's Mate F. R. Duncan and Pharmacist's Mate Willard Ward, all of the navy.

Special music included a violin solo by Mrs. Hornby, accompanied by Mrs. George McIntyre, and Charles Seavey had charge of a special entertainment feature.

MOLLUSK IS STRONG

A small mollusk, the limpet, can cling so tightly to stones with its single foot that a force of 64 pounds is needed to dislodge it.

HIGH SCHOOL

News Notes and Comment

By ANITA GWYN

Club meetings got off this week to a fast start. The Hi-Y organization met Monday afternoon. Mr. Harding, northwestern executive, spoke to the boys and plans, to be announced later, were discussed for the immediate future.

• • •

Miss Lewis of the KUHS faculty spoke to the Commercial club about "Business Dress and Makeup." Not too gaudy, not too gushy and not too giddy were the three "G's" that were stressed in the line of clothes. Bonnie McCool demonstrated preparing for and putting on make-up. There were several boys toward the back of the auditorium who stayed to see it through. They are members of the club, but the talk was not quite suited to them.

• • •

The Home Ec'ers have joined the parade of those in war activities at KUHS and will soon begin a drive to collect waste fats and old silk stockings. Details will be announced later.

• • •

All students who buy bonds this week will receive a souvenir of the Battleship "Oregon," which is being scrapped.

NO-GUN BANDIT

PORTLAND, Ore. (AP) — "Go jump in the lake," said Mrs. Dorothy Netch to the young, masked bandit who waved his gun and demanded money.

He struck her in the face and fled—dropping his gun on the porch in his haste.

A return trip a few minutes later, to recover the weapon, didn't work out well either. Neighbors chased him away that time.

PICKLING PLANT ESTABLISHED AT EVACUE CENTER

NEWELL—In line with the policy of making the project as self-sustaining as possible, a pickling plant, processing turnips, cabbages, diakon, and other vegetables into "tsukemono," has been put into operation. This plant uses vegetables grown on the project farm.

The program of resettling colonists into permanent jobs on the outside is gaining momentum. Eleven more young people left the project last week to attend school or to accept work in various parts of the country. They are: Constance Yamada and Toko Fujii to Salt Lake City, U.; Helen Nakata and Toshiko Nakagawa to Rochester, Minn.; Charles Nagano to Minneapolis, Minn.; Stanley Yamamoto to Milwaukee, Wis.; Henry Tanaka to Richmond, Ind.; Yacko Nakamuro to Columbus, O.; Eureka Satow and Mrs. Lily Matsushima to Chicago, Ill.; and Tom Kumagai to Lincoln, Neb.

A civic reception is being planned by members of the city council in honor of Harvey M. Coverly, new project director, on Friday evening, January 15. Representatives from all civic organizations have been invited.

Koso Takemoto is program chairman; Roy Nikaido, refreshments, and Kunio Yoshinari, entertainment.

Volunteer knitters have turned in a total of 63 shawls during the last three months. These shawls will be sent to the Red Cross headquarters in San Francisco. Many shawls were knitted by elementary school pupils, the rest by volunteers throughout the project.

The student attendance at project schools has been found to be higher on an average than the schools on the outside, according to a study conducted by the research department of the planning board.

The daily non-attendance at outside schools has been computed at an excess of five per cent, while that of the colony schools has been found to be less than five per cent.

The Writers club has contributed $50 for the purchase of magazines to be given to the project libraries. The writers, young people whose literary efforts are published in the project's newspaper and magazine, do not themselves receive remuneration for their work. However, they are interested in contemporary writing and the money will go for subscriptions to some of the best standard magazines.

Anthony O'Brien assumed the position of project attorney this week in the absence of Robert Throckmorton, who has been permanently assigned to Manzanar. O'Brien has been acting project attorney at several projects.

British Merchant Vessel Torpedoed

WASHINGTON, Jan. 13 (AP)—A small British merchant vessel was torpedoed and sunk by an enemy submarine late in October in the Indian ocean and survivors have been landed at Norfolk, Va., the navy announced today.

EXPLOSIVES' DISCOVERY

Alfred Nobel made his discovery of high explosives used in modern warfare through a cut finger which he swabbed with gun-cotton dissolved in ether-alcohol.

WAS GRANDMA RIGHT ABOUT THESE

COLD FACTS

For colds' coughing, to reduce sniffling nasal congestion, chest muscle soreness pioneer Grandma put faith in home medicated mutton suet and hot flannel. Today mothers use Penetro—the excellent modern medication with the mutton suet base. Penetro never fails to function 2 ways. Aromatic vapors go inside with every breath—outside it comforts like a warming, soothing plaster. Rubbed on chest and throat, it works fast. Try Penetro and agree "Grandma had the right idea." 25c, double supply 35c.
