Miss Alcee Stout will report here on Tuesday and Wednesday of each week to handle the necessary work in this county. The county accepted Miss Macy's resignation with much regret because of the fine work she has done since her arrival here a year and a half ago.

RESISTANCE DEVELOPS IN DAY'S MARKET

By VICTOR EUBANK NEW YORK, Jan. 16 (AP)—Resistance to the stock market's forward drive developed today and, while favorites continued to edge higher, many recently buoyant leaders made little if any headway. The turnover of around 500,000 shares was one of the largest for a Saturday in the past several months. Near-closing trends were a trifle mixed, with plus marks having a shade the advantage. The fact that the list, on average, had touched peak levels for more than a year in the two previous sessions apparently inspired profit taking. Steels displayed considerable indecision after yesterday's lively performance. American Telephone was one of the few soft spots in today's proceedings. WHEAT

By FRANKLIN MULLIN CHICAGO, Jan. 16 (AP)—Renewed buying extended the grain market recovery today, gains in all pits ranging from fractions to about a cent a bushel, with oats at new highs for the season. Late profit taking eliminated most of the upturn in corn and rye, however. Expanded military and lend-lease purchases of flour recently and sales of wheat to Mexico totaling 3,000,000 bushels involving a government subsidy payment were strengthening factors in the market. Wheat closed 1-1 cent higher than yesterday, May \$1.40-1.40 1/2, July \$1.39 1/2-1.40; corn off to its up, May 96 1/2-97; July 98 1/2; oats 1-1 cent higher; rye unchanged to its up; soybeans unchanged to its lower.
