Scissors Used In Fatal Fight, Says Defendant
BOISE, Jan. 28 (AP) - Noble S. Davison, charged with second degree murder in the stabbing of W. L. Goode of Dallas, Texas, last October 3, testified yesterday he used a pair of scissors in a fight after Goode had knocked him down.
He used the scissors he said "because I thought he was going to beat me to death."
Davison, formerly of Berger, Texas, said he showed Mr. and Mrs. Good a larger apartment on October 3 than the one they had rented at his motor court the night before, and remarked "if you had told the boy there were three of you he wouldn't have rented you a small room."
"Then," he continued, "Goode got very mad."

Purge Reported Underway in French Circles
By The Associated Press
The Berlin radio broadcast a Paris dispatch Wednesday reporting a purge of state and municipal services was under way in France to assure that all persons taking part in the administration of the country were in full support of the Vichy government's policies.
The broadcast, recorded by the Associated Press, said that since France's armistice some 2000 municipal councils had been dissolved and more than 800 mayors removed by government order.
The expression in Washington these days is, look before you lease. And keep on looking.

SCATTERED NEW HIGHS BRIGHTEN STOCK MARKET

By VICTOR EUBANK
NEW YORK, Jan. 28 (AP) - Scattered new highs for more than a year continued to brighten the stock market today despite the apathetic performance of many leaders due mainly to profit cashing on the lengthy recovery.
Specialties stepped out in front, when Air Lines especially favored after mid-day. Rails then came to the fore in fast bidding. Most steels and motors failed to make the grade. Utilities did moderately well but lacked buoyancy displayed at the tail-end of the previous session.
Carrier bonds exhibited a fresh burst of strength after early hesitancy.

SILVERTON, Jan. 28 (AP) - Dr. W. H. Lytle, chief of the state division of animal husbandry, told Silverton sheepmen this week that improper diet and lack of exercise at time of lambing are believed to be causes of pregnant ewe paralysis. He recommended that molasses and bran be given ill ewes, that warm water be used instead of cold, and that pure vetch hay or alfalfa may be used in preference to oat hay. Sheepmen said the disease, although non-contagious, is prevalent in many localities this season.
