MILD RECOVERY LIFTS MARKET LATE TODAY
By VICTOR EUBANK
NEW YORK, Feb. 4 (AP)—Mild recoveries crept into the stock market today after most leaders had spent the greater part of the session at slightly lower levels. Bonds were uneven. Transfers were around 800,000 shares.
Wall street generally maintained a bullish attitude but, here and there, customers stood aside pending more definite news from the Solomons.
Among a handful of stocks touching new 1942-43 tops were Ohio Oil, Pullman, Budd Mfg., Warner Bros., and Omnibus corporation. Occasional resistance was displayed by Western Union, Great Northern, Standard Oil (N.J.) and American Smelting. Backward at intervals were US Steel, Santa Fe, American Telephone, Montgomery Ward, Douglas Aircraft, Du Pont, Woolworth, Dow Chemical and International Harvester.

WHEAT
CHICAGO, Feb. 4 (AP)—A persistent demand for wheat from houses which usually buy for mills pushed contracts up about a cent today.
The strength in the bread cereal was reflected in other grains, where small gains were registered. Rye, which had sold off early, came back to go ahead of the preceding session's close.
There were reports of a better demand for flour and it was said that a large chain baker had bought 200,000 or more barrels.
Wheat closed 1-1 cent higher. May \$1.40-1.40, July \$1.39-1.39, corn was 1-1/2 cent higher, May 97-98c, oats advanced 1/2c, rye was unchanged to 1c and soybeans were not traded.
BOSTON WOOL
BOSTON, Feb. 4 (AP-USA)—South Dakota lambs' wool was sold today at a grease price of 40 cents, delivered mill. There were many inquiries received for spot fine foreign wools suitable for army socks. Sales of New Zealand eight-to-ten-months wools were made at ceiling prices. Some buying of mohair was reported from Texas at 60 cents for adult and 70 cents for kid mohair.

TAX COMMITTEE BEGINS WORK ON STATE PROGRAM
SALEM, Feb. 4 (AP)—The house taxation and revenue committee began drafting its tax program today, hoping to introduce it next week.
Here's what it contains:
A 20 or 25 per cent income tax reduction.
Elimination of the 2 per cent surtax on unearned income.
Clarification of the initiated law giving surplus income taxes to schools.
Quarterly payment of income taxes, which already has passed in each house.
Reverse Snell
If the legislature approves the program, it would mean rejection of Governor Snell's program. He advised against reducing the income tax, while the committee apparently has rejected his plan to create a reserve fund for post-war use, and his recommendation that the excise tax be applied to utilities in order to increase old age pensions.
Proposals to collect income taxes by deducting them from salary checks were given no chance, the committee having decided that collection costs would be too great.
It was believed possible that the legislature might give the people a chance to vote in November, 1944, on bills to levy a sales tax and a constitutional amendment to limit property taxes.
You can go to almost any little crossroads store any time of day and find three or four farmers sitting around growling about a labor shortage. Any sale will draw two or three hundred farmers who have driven from 300 yards to 15 miles in order just to see who's there and to growl about gasoline rationing.—Ohio Farmer.
