G. ELLSWORTH TO ATTEND KF MEETS SUNDAY

The Klamath branch of the Church of Jesus Christ of Latter-day Saints is honored to have their mission president, German E. Ellsworth, in attendance at the meetings Sunday in the public library.

President Ellsworth is a man loved and respected by thousands. His first missionary experience was in California in 1896. Later he presided over the Northern States mission at Chicago for 17 years, returning in 1920. After that he became an official of the internal revenue section of the United States treasury department until a year ago when he became president of the newly created Northern California mission.

He is a man in whom many virtues are enfolded which qualify him for his work. Here is a man who is open-minded and tolerant to all, but with a strong conviction for right. Backed with these years of service and colorful experience, he is a man who speaks wisely, instructively, freshly, delightfully and with force which motivates his listeners to good action and correct thought.

Sunday school, 10 a. m., at the close of which he will address the members.

The general public is invited and urged to come and hear President Ellsworth in the evening at 6 o'clock when he will have a special message for all.

The Church of the Nazarene in Chao-Cheng, Shantung province in China, where Rev. Royall and his family spent the past five years, was one of more than a hundred American church properties destroyed by Japanese bombs. The Rev. Mr. Royall has a sliver from a five-hundred pound Japanese bomb that destroyed the church of which he was pastor.

At the outbreak of hostilities in the far east, the missionary was mistaken by Japanese military leaders as a Russian spy. On another occasion, he was held a prisoner for 19 days on a British coastal steamer outside the port of Tientsin, when a cholera quarantine was enforced by the Japanese.

Rev. Royall is the author of several books, including "Enemies of the Middle Kingdom," "Missionary Missions," and "Thinking Yellow."

Rev. Royall's contact with the missionary forces of Japan, with Chinese government officials, and with the red army will add interest to the address to be heard in this city. He is one of the few Occidentals to have ever successfully composed Chinese poetry.

Bible Baptist Church to Inaugurate Service Change

The Bible Baptist church, located on Ward street at South Sixth, will inaugurate a change of service beginning Sunday, February 7. The "Unified Church Service" plan will replace the regular form of service used by most churches today.

In the new "Unified Service" the morning worship service will be at 10 o'clock, with children and adults attending. During this hour the junior church will be in progress for the little folks.

Bible school classes will be from 11 to 12 o'clock. During this hour of class study, the little folks will have guided work, activity, lunch and rest, while the parents attend their Bible class.

The new plan will enable the entire family to be present at the worship service as well as the Bible school. The little children will be cared for during

the entire time church and school are in session. The new schedule will make the starting time at 10 a. m. and enable the Bible school to be dismissed at 12 o'clock, making a saving of time of a half hour.

The pastor, G. W. Wheatley, feels that this change will help solve the problem of transportation. In many cases one trip with the family car will care for both services of the morning.

The church feels that in these days when everything round about us is changing to fit into the fast moving machinery of war defense work, many communities find that even the old accustomed habits of home life have been drastically changed and Klamath Falls is no exception. We feel our responsibilities keenly, and believe the time has come when, as a progressive church, we must take a step forward to meet this situation.
