No Bock Beer This Spring, Says Brewery

"No Bock beer will usher in springtime according to the accustomed tradition," states Karl F. Schuster, president of Acme Breweries. "The special materials and manpower required are being conserved so as to produce the large amount of beer required for the increased population of the far west. All of the frills are out for the duration," stated Schuster—"our problem as a business is to help satiate thirst with an enjoyable, mild beverage and to maintain morale."

HIGH SCHOOL News Notes and Comment

By PAT MORGAN

The latest returns for the state basketball tournament came in Thursday and are: Astoria beat Salem 32-25; Baker beat St. Helens and chucked up the score of Baker 54, St. Helens 36; Pendleton won a game from Oregon City 30-29; and the KUHS Pelicans outscored Eugene 30-19. Astoria is to play Baker and the winner is to play the winner of the game between the Pelicans and Pendleton. Here's wishing you all the luck in the world, boys!

Most of the students of KUHS know how to vote for the "Sweetheart of KUHS" so that won't have to be repeated again, but many are curious to see what "sweetheart" is ahead. The frosh seem to be holding their own again as yesterday's returns on the contest say that the freshmen are in the lead. Sally Mueller leads with 6315 points; Alyce Welles comes next with 5370 points; Winifred Towne has 1875 points; Lois Cada, 375 and Grace Johnson, 70. Juniors are next in line with Betty McKinnie, 2000 points; Lettie Linnam 1630 and Lois Pence, 50 points. Next come the senior girls—Betty Hopkins, 2435; Dorothy Davis 210, Wanda Shaw, 150 and Joanne Hamilton, 25. The sophomores have no nominees for the contest.

Each vote equals one cent in defense stamps. The frosh again have the lead in dollars and cents with \$140.05. The junior class has \$36.80 and the seniors have \$28.20. All in all the school has brought in \$205.05 up to Friday afternoon.

WHEAT

CHICAGO, March 13 (AP)—Corn futures rose to new ceilings today, representing gains of 4-4 1/2 over last night's close, but other grains were mainly lower because of disappointment over failure of the office of price administration to raise cash corn maximums.

Wheat, oats and rye dropped more than a cent at the start in a nervous and erratic trade, but recovered nearly all this early loss on later buying by commission houses and covering by previous short sellers. After the initial excitement, trading was quiet.

Wheat closed 1-3 cents lower, May \$1.44 1/2, July \$1.45 1/2-1.45, corn was up 1/4 cent at new ceilings, May \$1.01, oats declined 1-3 cents and rye was 1/2 cent lower to 12 cents higher.

STOCKS CHURN SPEEDILY; FEW 2-YEAR HIGHS

NEW YORK, March 13 (AP)—Stocks churned at a rapid rate in today's market but, while there was a liberal sprinkling of 2-year highs, many leaders were unable to get anywhere.

Trends wavered after a good start and quotations near the close were irregular. Large blocks of low and medium-priced issues helped put volume at around 800,000 shares, one of the largest aggregates for Saturday since late 1941.

Pleasant earnings statements bolstered a number of favorites and dividend hopes aided others. Bell Aircraft was an isolated strong spot at a 104 1/2 top.

In the "new high" division on one time or another—several eventually stumbled—were Santa Fe, Goodyear, U. S. Rubber and Douglas Aircraft. Ahead most of the time were Westinghouse, U. S. Gypsum and General Motors.

Faltering inclinations were shown by Southern Pacific, U. S. Steel, Bethlehem, United Aircraft and J. C. Penney.

Bonds and commodities were mixed.
