

# POLICE GUARD MICKEY ROONEY AFTER THREATS

HOLLYWOOD, March 18 (AP) — Police said they were guarding Mickey Rooney at an undisclosed place early today, after his father told detectives he had received, by telephone, a threat against the 21-year-old actor's life.

But Mickey's mother, Mrs. Nell Pankey, and a studio spokesman said they were inclined to believe the calls came from a crank or a prankster, and were of no consequence.

Joe Yule, Rooney's father, reported a youthful voice, perhaps that of a boy, called Yule's North Hollywood home last night and asked for Rooney, said Det. Lt. William Ellinson.

Yule said he impersonated Mickey when a second call came shortly afterward, and that the voice said: "We'll murder you at 12 tonight."

Nothing happened at midnight, police declared, but Ellinson and Det. Lt. E. J. Long were assigned to guard Rooney.

# JEFFERS RELEASES ADDITIONAL TIRES

WASHINGTON, March 18 (AP) — Price Administrator Prentiss Brown has liberalized tire rationing for the second time and expressed belief all motorists will be able "to keep their cars on the road" as the result of the release of additional tires by rubber Administrator William Jeffers.

Effective April 1, Brown made grade II tires available to drivers with gasoline mileage allowances exceeding 240 miles a month—most B, C and T card holders. These tires, which include new tires made before 1938, other new but slightly damaged tires, and victory tires made of reclaimed rubber, were available previously only to passenger cars driven more than 560 miles monthly.

At the same time, Brown announced that motorists eligible for 560 or more miles will be allowed to buy a limited number of grade I tires, the highest grade casings. These tires previously were reserved for drivers with a ration exceeding 1000 miles a month.

All of these types of tires, however, still have to be obtained with certificates issued by local ration boards.

Ray of Richmond, Calif., formerly of Klamath Falls. Ray enlisted in the navy, December 16, 1942. His wife, the former Ruby Haack of San Leandro, Calif., is residing with his parents for the duration.

GRADUATES — It's Lieutenant Raymond Eugene Bellant, 21, son of Mr. and Mrs. Guy E. Bellant, 2507 Gettle street, following his graduation at the advanced flying school, U. S. Army, at Mather field, Sacramento. Young Bellant was dubbed the "baby of the class" and was one of 40 men chosen to remain as flying instructors. He has not yet been assigned his new post. Lt. Bellant's parents attended graduation exercises March 1, in Sacramento. He was graduated from Klamath Union high school and spent two years at the aeronautical school, Sacramento Junior college.

IN QUARTERMASTER SCHOOL—Ralph B. Seely, seaman 2/c USCG, son of Mr. and Mrs. George A. Seely of 1928 Etna street, is now in New York completing his course in quartermaster's school. NEW PINE CREEK—Word has been received by Mr. and Mrs. A. M. Hardisty of the West Side that PFC Harold Hardisty was reported missing in action since February 14 somewhere in the African area. He is a brother of Mrs. Francis Mulkey and was working for Leo Mulkey little over a year ago when he was drafted into the army. It is believed that he may have been taken prisoner as a fairly large number of Americans were captured in the action of that date.

CASCADE SUMMIT — A recent visitor here was Russell Hills, U. S. marine, who visited his brother and sister-in-law. Hills has seen action, having received seven stars. He was at

Pearl Harbor at the time of the bombing there and has since seen action in the Solomons.

THREE LITTLE TROUBLES — LOS ANGELES, (AP) — Mrs. Virginia Washburn has the sympathy of 75 landlords—but still no home. "All I've done is bear trip-

lets," she sighed; "you'd think I'd committed some horrible crime." Typical landlord reactions to the six-months-old trio: "Oh, how wonderful! But of

course we don't take children." "You poor girl! I'm so sorry." "Gracious! How perfectly horrid." Always read the classified ads.
