# PENNEY'S 41st ANNIVERSARY

**NOT JUST A BOLT OF YARD GOODS...**

**it's lovely dresses... smart pajamas... new clothes for the kids...**

**NOT** just a bolt of Yard Goods, it's much more than that! It's a new dress for Mrs. Miller—Play Suits for the Fletcher kids—Pajamas for Mother and Dad—a Bedspread for Aunt Martha! It's the hundreds of clever and useful and pretty things into which the nimble wits and shuttling fingers of women can transform it. In a sense this simple bolt of Yard Goods is the crest and hallmark of a great American business—The J. C. Penney Company.

THE FIRST PENNEY STORE, OPENED 41 YEARS AGO IN KEMMERER, WYOMING, SET A NEW PATTERN OF NEIGHBORLY, LOW COST, RETAIL STORE SERVICE.

Yard Goods were a major part of the stock trade of Mr. J. C. Penney's first little store—opened 41 years ago this month in Kemmerer, Wyoming. From the outside it looked far from impressive. Inside, though, people discovered it was different. For this store was dedicated to a new kind of store-keeping—to a neighborly idea—an idea as typically American as ride-sharing and quilting bees! Mr. Penney didn't think "How much can I take!" but "How much can I give?" He cut out useless frills, charge accounts and deliveries; pared prices to the bone; preferred many sales at small profit to a few at large profit.

THE PENNEY IDEA SPREAD, AND GREW, UNTIL TODAY PENNEY STORES DOT THE ENTIRE MAP OF THE UNITED STATES

Kemmerer took to the first Penney store as buffalo take to pasture! So did Moscow, Idaho later on. And Salt Lake City, Utah. And San Antonio, Texas. And today there are over 1600 Penney stores in all 48 states, and Penney's is truly an American institution. For every hundred dollars worth of sheets, or blankets, or shoes, or Yard goods the Penney store sells in Peoria, Illinois or Scranton, Pennsylvania or Savannah, Georgia, it pays back honest and substantial savings.

For every hundred dresses, or shirts, or overalls it sells in Waltham, Massachusetts, or Stockton, California, or Chillicothe, Ohio, it pays back rich dividends in local salaries, rent and taxes. Today Penney's stores from Coast to Coast are making a tremendous contribution to the nation's wartime program of Thrift and Savings. Today Penney's stores, in neighborly fashion, are helping to balance the household budgets of millions of Americans. Today Mr. Penney's 41 year old idea of success through giving, rather than taking, is still the Penney way.
