## KIWANIS AND ELK BUYING **BOOSTS BONDS**

In a lively bidding session, members of the Kiwanis club purchased \$17,000 in war savings bonds at their Thursday noon luncheon, when Captain Jack, the rooster, was again auctioned.

Ted Medford conducted the suction and made the final bid which put the total purchases at the \$17,000 mark. He gave Cap-tain Jack back to the war savings committee for further bond sale promotion in April, when union labor will undertake to lead the campaign to a two-month \$500,-000 quots and purchase of a subchaser for Uncle Sam.

The Kiwanis club bidding followed closely on the heels of the purchase of a \$10,000 bond by the Elks lodge, it was reported by Collier. He said the Elks have been generous bond pur-chasers since the war savings campaign started.

After the Kiwanis auction, it was announced that Captain Jack, a bantam rooster, has figured in bond sales totaling \$296,000 in Klamath and Lane coun-
