

NEW SALVAGE CHIEF NAMED BY DIRECTOR

Clarence M. "Scotty" Lolcoma, manager of Wadhams Wholesale grocery, has been appointed county salvage chairman by Lynn Roycroft, director of the Civilian War Services. Mr. Lolcoma will take the place of Bob McCambridge who has been salvage chairman for the past year.

Salvage of metals, rubber, fats, silks, tin, and rags is a very important part of the war program, and every individual should continue to save this material. No one individual can make this program a success—it is the responsibility of every American to get his salvage material into the proper salvage channels.

The people of Klamath county have supported the salvage program 100 per cent as the figures bear out. To date the following tons of materials have been salvaged:

Steel	6,616.27
Rubber	269.67
Rags	30.79
Paper	66.00

Grand Total ... 6,982.73

In addition to the above totals, 3605 lbs. of fats have been salvaged.

According to Mr. McCambridge, a great deal of credit is due to the county salvage chairman, who are: Clyde Griffith, Henley; John Taylor, Merrill; Ted DeMerritt, Malin; Rawleigh Carothers, Bonanza; Oscar Campbell, Bonanza; Harold Crane, Bly; Ivy Clark, Sprague River; Walt Zimmerman, Chiloquin; Marshall Ferguson, Fort Klamath; Tom Calmes, Kenos; and Irwin Campbell, Klamath Falls.

The schools, both city and county, have taken a very active part in all salvage drives, and the committee extends thanks to Fred Peterson, county school superintendent; Arnold Gralapp, city school superintendent; principals of the schools; and school children, who actually brought the salvage in.

The money received from salvage sales is in the bank and will be used as a working fund for the purpose of getting in more scrap.

CHROMIUM FOUND IN JOHN DAY AREA

WASHINGTON, April 2 (AP)—The bureau of mines reports to Senator McNary (R-Ore.) that tests in the John Day area of east central Oregon indicate that there are 128,000 tons of chromium ore in three areas.

The ore, the report said, will test 20-25 per cent chromic oxide but its strategic importance is diminished by the low percentage of chromium in the principal deposits.

Nevertheless, the bureau says, its availability is enhanced by accessibility over "fairly good truck roads." Also, the bureau says, the ore may be worked by open cut mining while developments of underground operations are in progress.

"Miracle," Says Donald Nelson of Nation's War Effort

CHICAGO, April 2 (AP)—The nation's industry has performed a "miracle of production" in the war effort and the creative skills of management and labor have elevated America to a "height of potential military power such as the world has never before seen," says Donald Nelson, chairman of the war production board.

The WPB chief in an address last night asserted that the cooperation of business men and the concentrated productive forces of the nation's factories have resulted in many "dramatic" achievements in cost reduction. He cited several instances and said they were the "direct effect of the mass production techniques and experience of American industry acquired in peacetime."

NICE JOB

TACOMA, Wash. (AP)—Gus Vogeler, real estate dealer, returned home late and saw a man standing in his garden.

He shouted but the mysterious figure ignored him. Vogeler hurried into the house to get his shotgun.

His wife spared him greater embarrassment — she complimented him on the excellent scarecrow he's erected.

IS EPILEPSY INHERITED? WHAT CAUSES IT?

A booklet containing the opinions of famous doctors on this interesting subject will be sent FREE, while they last, to any reader writing to the Educational Division, 535 81st Ave., New York, N. Y., Dept. B-112

Class Winners

Sally Mueller

Vivian Dirschl

Bettie Hopkins

Betty McKinney

These four lovelies are out for the title of "Sweetheart of Klamath High." They were chosen as high point contestants in the war savings campaign which ends April 18.

"Sweetheart" Choice Made By KUHS in Bond Contest

Representatives of each of the four classes at Klamath Union high school were chosen late Wednesday when the Sweetheart of KUHS bond selling contest entered the second round.

Bettie Hopkins, senior class choice, polled 275,725 votes; Betty McKinney of the junior class, 62,350 votes; Vivian Dirschl, 38,995; Sally Mueller, 41,640.

The run-off ends April 18, with the official crowning scheduled April 23, at Klamath Union high school when an elaborate program is planned.

High school goal is \$20,000,

price of a gun on the sub-chaser which the county hopes to "buy" during March and April. Each of the four contestants will retain the number of votes which she held at the close of the voting this week. Votes were given at the rate of one for each cent in bonds or stamps. Up to noon Thursday the school had purchased \$15,000 in war savings.

Following the crowning of the Sweetheart, organized labor in Klamath county will send the winner and her mother to Portland, where they will attend the christening of a ship in the Henry Kaiser shipyards.

WAR TRAINING NOW OPEN TO WOMEN PUPILS

War production training school classes at the high school are now open to women between the ages of 18 and 50. A. H. Fitch, coordinator, announced today.

Eight enrollees are needed in a new class in machine shop which is starting immediately each day between the hours of 9 a. m. and 3 p. m. Six students can also be accommodated in the evening class between 6 p. m. and midnight. Class hours can be adjusted to suit the individual when necessary.

New classes in general sheet metal are starting Monday, April 5. Electrical repair classes are also open to women.

Enrollments will be taken at the high school or persons interested may call A. H. Fitch at the vocational office, phone 7595.

THERMOMETER UPS WITH BOND SALES

Watch the thermometer! Today the bond sale thermometer at the Medical-Dental building at Ninth and Main streets will jump to \$175,000, leaving \$300,000 more in bonds to be sold during April in organized labor's campaign to buy a sub-chaser for Klamath county.

The Rotarians will have the bond-selling rooster, Captain Jack, at Friday's luncheon to swell the sub-chaser fund. With the bonds sold there, each day's quota is figured at \$10,000 to finish the campaign by April 31.

PAUL ROBERTSON ENLISTS IN NAVY

Sgt. Paul Robertson of the city police force and president of the Police Beneficiary association, has re-enlisted in the naval reserve where he will serve as shore police 1/c.

Robertson left Thursday for Portland to report for duty. No appointment has been made by Chief of Police Heuvel to fill the sergeant's vacancy. Robertson served for 26 months with the United States navy in the last war. In 1934, he was a member of the merchant police, and in 1936 was named sergeant of the regular force.

Members of the Police Beneficiary association met late Thursday to name a new president and to honor Robertson.

NO COUPONS, EITHER!

LAGUNA BEACH, Calif. (AP)—Traveling a coast boulevard in an open car Mrs. Marjorie Vincent was startled when a one-pound mackerel dropped flapping into her lap. She looked aloft and spied a seagull — apparently as disconcerted as she.

HIGH SCHOOL News Notes and Comment

By ANITA GWYN
With the announcement that the Girls' league formal is only a week away, there has been a mad dash on the part of many girls to get dates, send formalis to the cleaners and make appointments with hairdressers. Officers of the league had a meeting last night and reported that the following couples' names will appear on the programs as patrons and patronesses: Mr. and Mrs. Arnold Gralapp, Mr. and Mrs. Stanley Woodruff, Mr. and Mrs. Percy Murray, Mr. and Mrs. Bert Shultz, Mr. and Mrs. John Houston and Mr. and Mrs. Frank Ramsey. Programs will be on sale next week for 50 cents. As no money will be used, the decorations will be very simple with a spring theme.

Student council met Thursday afternoon. The salute to the national flag has been changed by congress and now, during the pledge, the salute will be by holding the right hand over the heart all the way through. Nadine Palmerton brought back the subject of the Victory corps by saying that more underclassmen have signed up than juniors and seniors. It was voted that the members of the corps will have their names on a plaque in their respective home room and also in the main corridor.

It was reported that \$15,000 worth of bonds and stamps have been sold since the Klamath Knights started their sales in the fall: \$1,042.40 was raised during the preliminary contest. On the evening of April 23 during the Victory concert, the Sweetheart will be crowned.

Plans are complete for the "ration party" to be given Saturday night, April 3, at Reames Golf and Country club for members and their guests. Those attending are asked to bring their lunches and coffee ration in attractive sacks or boxes and at midnight Martin Swanson and Carl Huson will auction off the supper.

This is the first social affair of the season and the committee in charge expects an excellent response to their plans. Dancing will start at 10 o'clock.

"Ration Party" to Be Held at Reames

Plans are complete for the "ration party" to be given Saturday night, April 3, at Reames Golf and Country club for members and their guests. Those attending are asked to bring their lunches and coffee ration in attractive sacks or boxes and at midnight Martin Swanson and Carl Huson will auction off the supper.

Alert Bus Driver Saves Passengers From Crushing

TOLEDO, Ore., April 1 (AP)—Lady Luck and a resourceful driver late yesterday saved a bus load of persons from death or serious injury, highway authorities disclosed here today.

Part of a 100-foot cliff near Chitwood, east of here, dropped off yesterday onto the road. A one-way route was cleared and several automobiles drove through. Came a Corvallis-Newport Oregon Motor Stage bus driven by "Shorty" Edwards of Newport.

As he inched his vehicle around the slide Edwards kept

an eye on the menacing cliff. As he watched another segment break loose, tons of dirt, gravel, trees and brush cascaded toward his vehicle.

Edwards jammed the bus in reverse and withdrew the vehicle from the path of the avalanche with inches to spare. The slide covered the road for a distance of 200 feet. A highway crew had the road reopened late today.

A Lincoln county school bus was pressed into commercial bus service here to help handle heavy traffic caused by the storm.

Harry U. Miller Stricken in Salem

Harry U. Miller, 49, executive and large stockholder of the Miller Mercantile company, owners of Moe's store in Klamath Falls, died of a heart attack at his home in Salem, it was learned Thursday. Death occurred Thursday morning.

Mr. Miller was well known here where he had made frequent business visits. He was an ardent sports fan and was at Pearl Harbor during its bombing, having accompanied the Willamette university football squad to Honolulu from Salem.

Rep. Semon Studies State Tithing Law

SALEM, April 2 (AP)—Speaker of the House William M. McCullister today announced the house appointments to interim committees. President of the Senate announced the senate appointments to the same committees several weeks ago.

Rep. Henry Semon, Klamath Falls, was appointed to study the state tithing law.

Labor Leaders Insist on Rigid Price Ceilings

WASHINGTON, April 2 (AP)—Labor leaders "insisted" at a conference with President Roosevelt today that rigid ceilings be established on all prices at retail stores and asked for labor representation "at the top" on governmental agencies, particularly the war production board and the war manpower commission.

IOU Redemption Reminder Given

Fuel oil consumers were reminded by the OPA office Thursday to redeem their fuel oil IOU's as soon as possible.

"Please cooperate with your local dealer as these IOU's should have been redeemed as soon as the coupons are available," said a bulletin from the OPA.

It was pointed out that IOU's not picked up from oil dealers will be charged against next year's allotment.

BUY WAR STAMPS AT WARDS

Wards Carol Brent Shirtwaists

ARE MORE POPULAR THAN EVER!

Most well dressed women say "Carol Brent" every time! Because they know this famous name means quality fabric, plus expert styling, plus careful workmanship— a combination you can't beat at much higher prices!

White and pastels. 32-40

Good You will marvel at the quality and low price of this multifilament rayon crepe! Rinse in Wards White Soap Flakes (or any other good brand) and be careful that the iron is not too hot. The same quality fabric, but with short sleeves. 2.19

Better At this price your shirtwaist is a smooth mixture of acetate and viscose rayon. It's a fabric with more "body", with a richer, duller finish. One that will wash and wear longer, too! The same quality fabric, but with short sleeves. 3.19

Best We call this Crepe Allure . . . this rayon that looks so much like silk! Feel its softness between your fingers. See how it flatters your skin, adds "luxury" to your simplest suits. The same quality fabric, but with short sleeves. 4.19
