Ohio's Bill Smith, Yale's Alan Ford Put Team Meets In Background at AAU Go

NEW YORK, April 3 (AP)—As a team event, there's nothing much to the current National AAU indoor swimming championships except Ohio State, but the duel between Ohio's Billy Smith and Yale's Alan Ford is all it was cracked up to be.

These two freshman record-breakers, Smith from Hawaii and Ford from the Panama Canal zone, clashed three times in yesterday's opening program with honors about even. Today they're due to meet again in the 100-yard dash, Ford's specialty in which he has bettered the world record twice this season...

Between the two relays, the final of the 220-yard freestyle resulted in another Smith-Ford duel and the chunky little Hawaiian had all the better of it. Bill's time of 2:09.6 was the fastest of the season.

Beau Jack Rides Bike To Decision Armstrong

Crowd Roars Boos at Ref's Decision After Jack Reverses Most the Way

NEW YORK, April 3 (AP)—It is very fortunate for Beau Jack that the number of bicycles for domestic consumption was increased this week, because if the Jumping Jack didn't have his two-wheeler with the reverse motion, he probably wouldn't hold a decision over Henry Armstrong today.

The Jumping Jack climbed on his velocipede in Madison Square Garden's ring last night and back-pedaled furiously for 10 rounds. At the end, two judges and the referee gave him the verdict over the Hammer, who chased him so much the thing began to look like a six-day bike race.

Turpin Paid Big Salary For Minors

Meal-Ticket Hurler for Rainiers Leaves Oregon Farm for More Baseball

LEWISTON, Ida., April 3 (AP)—At a salary generally believed to be one of the highest paid pitchers in the minor league, Hal Turpin, meal-ticket hurler for the Seattle Rainiers, yesterday agreed to leave his Yoncalla, Ore., farm for another year of Pacific Coast league baseball.

Turpin has won 20 or more games the last four seasons in the league, and topped last season's brilliant work with a no-hit-no-run performance. Business Manager Bill Mulligan did not reveal the terms of the contract under which Turpin ended his holdout, but said the hurling star would report immediately.

Mulligan said he also had dispatched a new salary offer to Pete Jonas of Spokane, former Western International league hurler who packs enough power at the plate to be used in the outfield also.

The Rainiers downed the Geller field Bombers 10-0 yesterday in a game stopped at the end of four and a half innings because of weather conditions. Southpaw Glenn Elliott kept the Spokane Service club well under control, and a six-run outburst in the first inning started the Coast leaguers off nicely.

Washington State Splits Baseball Tilt With Whitman

WALLA WALLA, April 1 (AP)—Washington State college split a doubleheader with the Whitman college baseball team yesterday, winning the nightcap 3-2 after dropping the opener 1-0. Whitman took its one-run lead in the opener in the third inning and held it on tight twirling by Jim Forsythe. The Missionaries led in the nightcap, until the Cougar sluggers broke through for a pair of runs in the sixth and last inning.

Baker Happy On Baseball Job Switch

Once Manager of Detroit Tigers, Del Now Coaches Cleveland Indians Club

By CHARLES CHAMBERLAIN MUNCIE, Ind., April 3 (AP)—Del Baker's switch in baseball jobs, from manager of the Detroit Tigers to a Cleveland Indians coaching berth, was a happy conversation—for Del Baker.

While many might consider the change a bad break, Baker, who piloted the Tigers from 1938 through the 1942 season, says he is completely satisfied and happy in his new duties as coach of the Indians, who are in training here.

"I'm happy in my new job," Baker said, "and perhaps I would have to think twice before accepting another position as a manager. Why, the other night I played some pool with the boys. Hadn't held a cue in about 20 years. Just shows how much time I have to enjoy myself. It's a great feeling. Yes, maybe life is just beginning for me."

Baker, for years a Detroit catcher, emphasized that he had no ill feelings about losing his managerial post. "President Walter Briggs always treated me swell and I have a lot of respect for him," he said.

Lou Boudreau, Cleveland manager, is quick to praise the steel-haired Baker as a valuable acquisition.

Service Men Talk Radio Ball Games

Roundtable's Short-Wave Continuation of National Sport Provokes Discussion

SPOKANE, April 3 (AP)—Informed of the Athletic Roundtable's poll on the continuation of professional baseball by short-wave broadcast, service men far from U. S. shores still are arguing vehemently for the preservation of the national sport during the war.

Lt. Leonard Lipstein, one of the many who responded from points scattered over the globe, wrote:

"The right to play ball is one of the things for which I, and others, are fighting. The game offers a retreat from daily worries and relieves mental tension."

One of the few letters in opposition came from Capt. Samuel Alter of the marines, stationed in Alaska, who believes "any man physically fit enough to be a professional baseball player should be in the armed forces or in some essential war industry."

He saw thousands of war production work hours wasted as a result of thousands attending games throughout the country.

Ortiz Knocks Out Ramirez in Sixth

LAKEWOOD, N. J.—Sid Gordon appears certain of a berth with the New York Giants, either at third base or in the outfield. He hit .300 with Jersey City.

Colleges Eye Dark Season In Athletics

PORTLAND, April 3 (AP)—The outlook for college athletics is very dark. So said Major William A. Ingram of the marines, former University of California football coach.

"Every 18 and 19-year-old boy in the United States is going to be mobilized by July 1, he told a reporter.

"Some will be sent back to school, but I think the armed services are going to keep a lot of them."

Ingram, assistant to Brig. Gen. L. W. T. Waller, head of the marine officer procurement department for the western states, added that those who are sent back to school will have little time for athletics.

SEATTLE, April 13 (AP)—In a battle that saw the score tied nine times and the lead changing hands seven times, the Fort Lewis reception center basketball team last night jolted Alpine Dairy of Seattle from its northwest amateur throne with a 30-28 victory.

It was the soldiers second straight win in a best two-of-three series.

BLOOMINGTON, Ind. (AP)—Cincinnati's Redlegs will use Ray Starr for five innings and Fireman Joe Beggs for four today against the Chicago White Sox in the game at Louisville, Ky. The Reds break camp here Thursday.

Detroit has never finished in last place in the American league of baseball.
