The measurements for caps and gowns will be taken in the near future. The rental fee will be \$1.85.

A meeting of the Girls' League was held Tuesday morning. It was stated that there will be very simple decorations for the dance. Orchids were banned but the boys may give any other corsage they wish. Girls, don't forget to get your man for the formal dance, Friday evening at 8:30.

News of the Commandos

Sergeant Dot Constable is our Commando pictured this week. All the colorful decorations about the room are a part of Dot's original ideas in fulfilling her duties as sergeant in charge of decorations. Dot's husband, who is in the army, has been in England and is now stationed in North Africa. Sergeant Constable formerly lived in Bend. She has been in Klamath Falls several years and is employed as window trimmer for J. C. Penney Co.

At a special meeting Monday night, three new members were initiated into the unit. They were Frances Ballin, Lucille Walz and Evelyn Bishop. The unit welcomes you, girls.

Special—To the employers of Commando girls! We would like to thank each of you very, very much for your generosity in excusing the girls from their work so they may assist in some of the Commando functions.

Thanks to you, Mr. Wallace Reed, for loaning your radio to us for use in the hospital. The boys who are confined to the hospital really enjoy the diversion a radio can bring. Private Wightman, who was moved to one of the hospitals from a troop train, is rapidly improving from an infected throat.

The girls are working up some new musical skits which they intend to put on at various entertainments. These will include a Gay '90's revue and a Hawaiian number. In order for the girls to get the allotment of gasoline needed to make these trips to Camp White, they must go as an entertaining unit. These numbers the girls are working up will enable them to help furnish entertainment for the service men of Camp White.

The following is the distribution to date, of the funds received from our dance given February 20, 1943, at the Klamath Falls armory, which amounted to \$1615.42. The total transportation costs for the six marines and four sailors amounted to \$304.57. Expenses for our dance on February 20 were \$131.20. The entertainment total came to \$58.35, leaving a balance of \$1121.30 for future expenditures in bringing wounded men to Klamath Falls.

Remember

Future generations will remember the last resting place of your loved one when properly marked—when identified in keeping with your feeling of reverence with a memorial that will stand for all time. You will find the designs to suit your taste among our display. Klamath Falls Marble and Granite Works 116 S. 11th St. - Phone 6381
