TOO CLOSE

WASHINGTON, (AP)—A group of Charles county, Ind., residents want the state's members of congress to persuade the navy to place a proposed bombing range somewhere other than in their district.

The group told Senators Tydings and Radcliffe and Rep. Saecker that there now are "three or four" naval projects in the area and that the addition of a bombing range would be "too much."

Fremont Cattlemen Hold Annual Meet At Silver Lake

SILVER LAKE—Cattlemen of northern Lake county who are permittees of Fremont national forest, will hold their annual meeting with forest service officials at Silver Lake ranger station today. Supervisor Ed Cliff and John Herbert are expected from the Lakeview office.

Forest service crews began their spring work here early this week under direction of Ranger Gene Rogers. Clearing of forest roads and repair of washouts caused by last winter's heavy snows were the first jobs on the list. Snow still in the hills made it impossible for the men to work above the timber line. Men now at work are Guy Martin, Ole Oleson, Leston Linebaugh and Fred Adams.

RESERVOIR NEARS TOP WATER LOAD

SILVER LAKE — Thompson valley reservoir was found to hold 23.8 feet of water, close to its capacity of 26 feet, when Jewell Corum and Leston Linebaugh made their first trip of this year last Monday to measure the water.

There is little doubt, the men said, that the reservoir, which serves the Silver Lake irrigation district, will be running over in a short time. Snow still covers the valley to a depth of 18 inches with many huge drifts. The 30-mile trip was made on horseback.

Quite a volume of water is running into the bed of Silver Lake, which has been dry for the last 18 years. A haystack belonging to Everett Emery on the lake bed is reported marooned. There is little chance, however, that the lake will fill up this season as the snow that feeds the creeks is melting too slowly.

Keno

W. L. Frain moved his cattle to the Topsy ranch last week. The road was almost impassable because of deeply drifted snow and large trees had fallen across the road. The rock wall along the road has caved in and it is very dangerous. Alfred Burton assisted him in moving the cattle.

Mr. and Mrs. B. E. Kerns are spending a few days in Portland.

Mr. and Mrs. M. M. Donelson visited the Frain home Monday evening.

A letter was received from Ben Kerns this week to be read to the juniors and seniors. Ben included sage advice for each individual and gave the impression that he is enjoying army life immensely.

Mr. and Mrs. H. C. Sharpe were in town on business Saturday.

RED CROSS DRIVE CLOSES IN KENO

KENO—The local Red Cross drive, conducted by H. C. Sharpe ended April 1. The quota of \$200 was reached. Mrs. Leonard Ramsey, Mrs. Stanley Hull, Mrs. Tom Calmes, Mrs. Frain and Mrs. Floyd Sloan were active in soliciting for the cause. All names of contributors will appear in the Red Cross roster of The Herald-News.

The most recent Red Cross meeting was held at the home of Mrs. M. Galspy, March 25, with 14 members present. Because of the rush of spring work, the ladies are doing most of the sewing at home during spare moments. At present they are piecing quilts which will be quilted and bound at a called meeting. At the last session, four large quilts and one baby quilt was tackled and bound. That an unusually large amount of work has been accomplished is largely due to the efforts and leadership of the president of the group, Mrs. B. E. Kerns.

HARNEY VALLEY HAS GOOD WATER SUPPLY

BURNS, April 7 (AP)—The Harney valley this year will have its greatest water supply since 1921, farmers learned today.

Spokesmen at the annual snow survey and irrigation water forecast meeting said the Silvies river, now flooding much of the valley, would carry off 130,000 acre feet in the six summer months.

Thousands of lowland acres are under water and much of the valley looks like a huge lake. The lumber mill at Hines, cut off from log supplies, has suspended. Watermaster C. N. Young said the flood probably would subside within two weeks.

BRAZILIAN AIRMEN SINK GERMAN SUB

RIO DE JANEIRO, Brazil, April 7 (AP)—Aviation Minister Joaquim Pedro Salgado Filho announced today that the Brazilian air force had sunk another German submarine, the seventh credited to Brazilian fliers.

Salgado said the Brazilian plane—a bi-motored bomber made in the United States—sighted the U-boat on Monday with its turret above the water in pursuit of an unidentified freighter. The plane unloaded four bombs and scored one direct hit, the minister said.

Instead of waiting the customary 30 days to announce the sinking, Salgado said "It was a great satisfaction to get part of our revenge at the scene of the brutal attacks which provoked a bitter hatred of the axis throughout Brazil." He revealed that the sinking took place in almost the same locale where submarines sent five unescorted Brazilian merchantmen to the bottom last August and brought Brazil into the war.

TASTY, NO-SUGAR ALL-BRAN MUFFINS ARE EASILY MADE!

Serve your family these delicious muffins soon! Their tempting texture and flavor come from crisp, delicious KELLGOLD'S ALL-BRAN. Here's the recipe in a wartime version, using no sugar. Try ALL-BRAN Muffins for breakfast tomorrow!

- | Kellgold's All-Bran Muffins | |
|-----------------------------|-------------------------------|
| 2 tablespoons shortening | 1/4 cup milk |
| 1/4 cup corn syrup | 1 cup flour |
| 1 egg | 1/2 teaspoon salt |
| 1 cup Kellgold's All-Bran | 2 1/2 teaspoons baking powder |
- Cream shortening and corn syrup thoroughly; add egg and beat well. Stir in All-Bran and milk; let soak until most of moisture is taken up. Sift flour with salt and baking powder; add to first mixture and stir only until flour disappears. Fill greased muffin pans two-thirds full and bake in moderately hot oven (400° F.) about 20 minutes. Yield: 8 large muffins, 3 inches in diameter, or 12 small muffins, 2 1/4 inches in diameter.

That Extra Something!

...You can spot it every time

THE Civil Air Patrol has recruited more than a third of the nation's 100,000 civilian pilots to fly for national defense. Coming from every walk of life, they are putting forth an extra something to do their trained part. To them and to you, in its own way, ice-cold Coca-Cola offers something extra, too. More than just quenching thirst it brings refreshment... refreshment that goes into energy.

Made with a finished art and with a taste all its own, Coca-Cola has quality that sets it apart. Here is something in refreshment that was, and still is, original. Coca-Cola offers all the difference between something really refreshing and just something to drink. There's no comparison.

Wartime limits the supply of Coca-Cola. Those times when you cannot get it, remember: Coke, being first choice, sells out first. Ask for it each time.

Even on the ground, pilots know that your thirst takes wings when you drink ice-cold Coca-Cola. Refreshment comes to take its place.
