"Incentive Pay" Considered for Munitions Plants

WASHINGTON, April 8 (AP)—Amid strong indications that President Roosevelt has dropped his opposition to "incentive" pay, the war production board is scheduled to confer with labor and industry today in an effort to work some such scheme for boosting munitions output.

A subcommittee of WPB's new management-labor council arranged to meet with Charles E. Wilson, WPB executive vice chairman, to start work on details of an incentive plan for the aircraft industry.

WHACK IT CLUB OF MERRILL

On March 31, there was a birthday party held for Colene Herrick, although her birthday was April 2. The refreshments were furnished by our leader, Mrs. Mary L. Fox. They consisted of cake, ice cream and candy. We played games then until our time was up.

4-H SEWING CLUB, MERRILL

The 4-H Sewing club had a party on St. Patrick's day. The party was given for the winners of the scrap drive. Side two won because it brought the most silk, aluminum, paper, and books for the armed forces to read.

At the party we had ice cream, cake and nuts. The cakes were made by Ruby Icenbice and Barbara Icenbice. To our party on St. Patrick's day we invited Mr. and Mrs. Oehlrich. They are fifth and sixth grade teachers.

Before the party we played a game. The game we played was "Crazy Questions and Silly Answers." Our last meeting was a business meeting. We bundled our books and the scrap so Mr. Loper could gather it up easier. We are going to sell our scrap.

Our secretary, Rosalee Henderson, has moved away, so we elected a new one. The honor was given to Gloria Mason. Two members were absent. They were Geraldine McKendree and Barbara Icenbice.

The money we get from our scrap will go into the club treasury. Mrs. Loper said we could use it to decorate the booths at the fair. We will also use it to buy refreshments for the parties we have.

At our next business meeting Betty Mae Hammond and Virginia Briley will demonstrate on how to outline.
