STOCK MARKET REGAINS FEET IN NEW HIGH

NEW YORK, April 8 (AP)—The stock market, on a selective basis, regained its equilibrium today and a wide assortment of favorites edged into new high ground for the year or longer.

Dealings slowed after a fast but uneven start. Buying shifted from one section of the list to another, with farm implements, rubbers, aircrafts, utilities, scattered rails and specialties receiving alternate support. Low-price issues again were the speediest movers. Turnover was around 1,800,000 shares. Advances of fractions to a point or more—there were a few wider jumps—predominated near the close.

Conspicuous on the recovery shift were J. I. Case, Deere, Goodrich, Southern Railway, Southern Pacific, Homestake, Douglas Aircraft, United Aircraft, Lockheed, Curtis Publishing, American Sugar, Fajardo Sugar and Chrysler. Oils, steels and coppers held a slim groove.

Bonds turned irregular, as did commodities.

WHEAT
CHICAGO, April 8 (AP)—A selling wave hit the wheat pit just before the close today, reflecting a sudden break of over 5 cents a bushel at Winnipeg, and prices dropped more than a cent before buying power was uncovered.

Rye followed wheat lower on selling by houses with northwest connections. Oats fell below the previous close. The break at Winnipeg was attributed partly to selling by American interests who have been active buyers in that market recently.

Wheat closed 2-1/2c lower, May \$1.43 1/2, July \$1.42 1/2, corn was unchanged at ceilings, May \$1.01, oats dropped 1/2c, and rye was off 1-1/2 cents.

The profits of the show will be used to give the seniors, who have lost good times previously accorded the graduating class, a good time.

A large crowd was present to enjoy the following numbers: "Believe Me If All Those Endearing Young Charms," "Drink to Me Only With Thine Eyes," and "Three Little Kittens," presented by the Melody band, which includes all the students at the Kelly Creek school, with Leola Lee, directing, and Mrs. Roy Partin at the piano.

The play was especially timely, as it had to do with the purchasing of defense bonds, and was thoroughly enjoyed by all. Supper was served after the program. The Kelly Creek parents and students took this way of showing their appreciation to the grangers for their kindness in permitting them to use the grange hall in raising money for the installation of electric lights at the school.
