Text will be "God be merciful unto us, and bless us; and cause his face to shine upon us; that thy way may be known upon earth, thy saving health among all nations" (Ps. 67:1,2).

Among the citations which will comprise the Lesson-Sermon is the following from the Bible: "I, even I, am he that blot out thy transgressions for mine own sake, and will not remember thy sins. He that is our God is the God of salvation; and unto God the Lord belong the issues from death" (Isa. 43:25, Ps. 68:20).

The Lesson-Sermon also will include the following correlative passages from the Christian-Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All reality is in God and His creation, harmonious and eternal. That which He creates is good, and He makes all that is made. Therefore the only reality of sin, sickness, or death is the awful fact that unrealities seem real to human erring belief, until God strips off their disguise. They are not true, because they are not of God" (p. 472).

Sunday school at 9:30 a. m. A meeting which includes testimonies of Christian Science healing is held every Wednesday evening at 8 o'clock.

A free Christian Science reading room is located at 1023 Main street, where the Bible, writings by Mary Baker Eddy, and authorized Christian Science literature may be read, borrowed or purchased.

All are cordially invited to attend the services and use the reading room.

Statement of Mayor John Houston for Opening of Second War Loan Drive

As mayor of Klamath Falls, I ask my fellow citizens to join to the full extent of your financial ability in the treasury department's second war loan campaign which opens April 12. I feel sure that when the final returns are in, our community will stand high among cities and towns of our size and resources in the country for our accomplishments in this great patriotic drive.

The government is asking the people of this country to lend 13 billion dollars to help prosecute this war. All of us know how vital this money is in our common cause. We have sent our fathers, sons, brothers and friends off to fight. We must provide the money to put the finest weapons and other munitions in their hands so that they can end this war as quickly as possible.

The second war loan campaign is more than a mere transfer of our money to the government for a period at good interest rates. It is a demonstration of our will to victory and our desire to back up our men on the fighting lines. The treasury department has recognized this basic aspect of the second war loan campaign by offering a series of securities designed for every pocketbook.

There are the familiar war bonds, tax certificates, and other long term and short term securities. Democracy never has given a finer example of its strength than in this forthcoming second war loan appeal. Workingman and business man, professional man and industrialist, housewife and war worker—all may send their dollars off to fight alongside our troops.

If there ever was a time when we should as a community sound a patriotic note in a public undertaking it is in this campaign. And so I ask everyone—homes, businesses, factories, stores, schools and public buildings—to display the flag on April 12.

Let us all take to our hearts the theme of this campaign: "They Give Their Lives, You Lend Your Money."
 JOHN H. HOUSTON.

FUNERAL HELD FOR AIR CRASH VICTIM

The body of C.A.P. Wallace, Walton Hopkins, naval air squadron commander and son of Mr. and Mrs. S. B. Hopkins, 122 Hillside avenue, has been located near the spot in Puget Sound where his plane crashed on the morning of February 8. Mr. and Mrs. Hopkins and their children will attend the services to be held Monday afternoon from the Home Funeral parlor in Seattle with interment in Evergreen Washelli cemetery with full military honors.

Details of the crash were learned here this week. Young Hopkins was voluntarily assisting a crew, not under his command, but in need of a navigator. He had the reputation for helpfulness and in the emergency offered his services to assist the crew in blind flying training. It is understood that on this flight the plane landed with such force that Hopkins was thrown from the navigator's seat into the water. The aviation mechanic was also killed instantly. Six men were aboard the plane, the other four rescued by a navy plane from the home base.

Wallace Hopkins was a member of the First Presbyterian church and a gold star in his memory will be the first to be placed on the local church flag. His father is an honored elder of the church.

ALTAMONT CHURCH HAS ANNUAL MEET

The Altamont Community Presbyterian church held its annual meeting Tuesday of this week. Reports were given for the church by the pastor, Rev. Hugh T. Mitchelmore, the Sunday school, Missionary society, choir, Sigma Pi Young People's society, Junior CE trustees, and building committees. All organizations showed a healthy condition with bills paid and balances in the treasuries. The

Manse is being completed to provide a study for the pastor until the church building can provide that room. The church building is at a standstill until the emergency is over as supplies cannot be secured.

The church appreciates the opportunity to continue its Sunday school and morning worship in the Junior high school building. The Sunday school is running from 125 to 130 in attendance. The Katherine Beattie Missionary society not only met its apportionments to Presbyterian but made an additional thank offering of \$25. They sent 21 packages to men in the forces and 12 to men overseas at an average cost of \$1.25, besides gave \$115 in cash and 75 pieces of clothing to the Children's Farm Home in Corvallis and furnished 100 dozen cookies to the Service club, six quilts to the Red Cross. In all they gave to 22 projects.

Elders reelected were A. C. Olson, Fred Meeker and Harry Beardsley. R. H. Lamott was elected to fill a vacancy on the board of trustees. A. C. Olson was reelected Sunday school superintendent.
