

NEW YORK, April 13 (P)-The season is at hand for selecting this year's major league pennant winners, though we can't see what good it will do this year when the team you pick in April may be just a bunch of individuals in Uncle Sam's uniforms by October . . Why not just wait until the end of the season and then say: "See, I told you so?" . . At any rate, here's what this dept, has to offer.
