

EBINGER HEADS CAMPAIGN FOR SCOUT FUNDS

John B. Ebinger, Klamath Falls attorney, has been named by the joint board of the Scout-Camp Fire fund to head the 1948 financial campaign. Ebinger has been prominent in community activities and was a scoutmaster in Tillamook for a period of five years.

In accepting the responsibility as campaign manager, Ebinger qualified his approval with the statement that he would "work with the citizens of Klamath Falls in doing something with our boys and girls rather than just doing something for them."

He stressed the need for increased guidance and personal leadership of our youth as given in the three agencies represented in the fund, the Boy Scouts of America, Girl Scouts, and Camp Fire Girls. The general solicitation period has been set for May 4 to 8. Campaign headquarters have been established at the office of the Modoc Area council, Boy Scouts of America, in the United States National bank building.

Heading the team organization as vice chairman of the drive is Vernon Moore of Balsiger Motor company. Moore will ask many of the civic groups to put a team into the fund drive.

As an executive committee for the drive, Ebinger has named the following, John Houston, A. M. Collier, Marshall Cornett, A. J. McDonald, U. S. Balentine, Willard Constans, W. W. Southwell, Frank Jenkins, Vern Owens, H. D. Eller and Hal Shade. The executive committee will hold its first meeting tonight in Ebinger's office at 8 o'clock.

The board of directors of the Scout-Camp Fire fund is composed of A. M. Collier, Boy Scouts; Vern Owens, Girl Scouts; A. J. McDonald, Camp Fire Girls.

No New Work for Oregon Cities

PORTLAND, April 20 (AP)—Oregon cities will have to get along for the most part without new construction materials.

So declared Maury Maverick, director of the government division of the war production board, in an address before the League of Oregon Cities.

Shortages, he said, make it necessary to use substitutes and second hand material.

HOUSE BANS INCENTIVE PAY IN FUND OKAY

By SIDNEY ROBERTS WASHINGTON, April 20 (AP)—The house approved a 1944 agricultural appropriation of \$715,099,662 today with a limitation that none of the funds shall be used for incentive payments to encourage greater production of war crops.

The measure as adopted also deprives the farm security administration of any funds and discontinues crop insurance programs. The maximum payment of farm benefits to any one person was fixed at \$500 by 119-80 voice vote.

The ban on incentive payments was incorporated in an amendment by Chairman Cannon (D-Mo.) of the appropriations committee. It was adopted on a 220 to 90 roll call vote.

The limitation would prevent the revival of a \$100,000,000 incentive payment program which Secretary of Agriculture Wickard first outlined two months ago.

NO APPROVAL FOR BILL ON STABILIZATION

WASHINGTON, April 20 (AP)—The house coinage, weights and measures committee unanimously refused today to approve the senate bill extending for two years from next June 30 the president's authority over the

\$2,000,000,000 stabilization fund.

The committee at a closed session considered numerous amendments, all aimed at restricting the uses to which the fund could be put, but no agreement could be reached, causing the committee to schedule a further session tomorrow.

Chairman Somers (D-N.Y.) commenting on the committee's inability to agree on the bill, said "this indicates to me there is not going to be any International bank. This is the straw that shows how the country is thinking."

Somers said the committee unanimously agreed that no effort would be made to include in the bill provision for extension of the president's authority to devalue the dollar. This provision was eliminated by the senate banking committee when it approved the measure last Friday, following which the senate quickly passed it.

Sailor's Mother Discloses Shangri-la to Be Carrier

CLEVELAND, April 20 (AP)—The mother of a suburban Lakewood sailor said today her son told her an aircraft carrier was the "Shangri La" base from which Maj. Gen. Jimmie Doolittle's fliers attacked Tokyo April 18, 1942.

(Shangri La, an imaginary place in Tibet in James Hilton's novel "Lost Horizon," was the name President Roosevelt gave

reporters as the taking-off place of the planes which carried out the Tokyo raid.)

(The Japanese asserted last January 13 that the aircraft carrier Hornet was the Shangri La base used by Doolittle and his fliers.)

Mrs. Julia Radulovich revealed her son, Aviation Machinist's Mate George Radulovich, 20, was a member of the carrier's crew and gave her the information when she on leave last December. She said he is now on the west coast.

Mrs. Radulovich related her son told her how the force of

Billy Mitchell bombers took off from a carrier 250 miles from Japan amid cheers of the ship's crew.

The mother also said her son informed her the task force escorting the aircraft carrier sank two Jap fishing boats and an enemy destroyer en route to the point where the bombers took off. Mrs. Radulovich quoted her son as saying Maj. Gen. Doolittle was the first to take off and flew overhead until the bomber squadron assembled in formation and then headed for Japan.

In Washington, Elmer Davis, director of the office of war information, has said the full story of the raid on Tokyo had not been released because the "security aspect of some of the details had not yet been cleared."

Legion Suggests Insignia for Men in 4F Draft Class

PORTLAND, April 20 (AP)—What would you suggest as insignia for 4-Fers?

The Portland navy post of the American Legion has no suggestion, but it wants the insignia legalized.

A petition to congress said the emblem would be "of great benefit to the morale of the men and boys who, though patriotic young Americans, have been deprived of the privilege of wearing their country's uniform and would avoid any unjust misunderstanding as to the wearer's military status."

Bright beginnings for Easter Morn

Gayly colored eggs, clever little favors, small gifts and a special kind of breakfast—they're all bright beginnings for Easter morning. And Easter offers such a fine theme for entertaining family or friends, for food and decorations seem to just naturally lend themselves to such an occasion.

Even with rationings and restrictions, it's possible to plan a simple breakfast such as the one we have given here— hearty, yet delightfully festive.

FOR AN EASTER BRUNCH

*Easter Sunshine Egg Nests with Bacon, Sausage or Ham if available
Hot Cross Buns Jelly or Jam Festive Compote
(Mixed canned or fresh fruit served in sherbet glasses dessert fashion.)
With a Basket of Bunny Cookies
Milk Tea Coffee

The Easter Sunshine Egg Nests are made of bread cases which are made-to-order-foam for using unsliced bread. They can be used for creamed dishes as well as for eggs by browning the cases before filling. When you serve them, remember to tell your guests that cases and filling are eaten together.

TO MAKE EASTER SUNSHINE EGG NESTS

Trim crusts off a day-old 1 1/2-pound pullman or large loaf of enriched white or wheat bread. Cut into 6 slices about 2 inches thick. With a sharp knife, hollow out the center of each block of bread, leaving a 1/2-inch wall on the sides and bottom. Dot inside of the cases with softened butter. Drop 1 or 2 eggs into each case. Season with salt and pepper and dot top with butter. Bake immediately on a cookie sheet or drip pan in a moderate oven (350° F.) 25 minutes or until eggs are set and cases browned. Serve hot on heated dishes. Serves 6. Note: These cases may be made the night before. Bake longer at lower temperature for firmer eggs.

FOR TABLE DECORATIONS

Made-to-order decorations for Easter morning may be real blossoms if you are fortunate enough to have them, or a transplanted bare twig decorated with pastel crepe paper blossoms. Use a small twig with a blossom attached on white cards for place markers. They are gay and spring-like and score another bright beginning.

DO SOMETHING WITH EGGS

And dyed or decorated egg shells have their place on the Easter table, too. Prepare by washing eggs thoroughly to remove oils adhering to the shell. Then crack small end and peel back enough of the shell to permit the egg to drop through. Wash inside immediately with cold water and shell is ready for dyes and trimmings.

New egg dishes win taste-approval

Because eggs are so nutritious and universally popular, we're always on the lookout for new ways of serving them. And we recommend these taste-pleasing offerings for any meal of the day. Eggs, you know, are good in place of meat, besides being rich in Vitamins A, B, E, and minerals. Cook them with low heat in order not to toughen their delicate protein.

COTTAGE CHEESE OMELET

To a 4-egg omelet, add a cup of cottage cheese, beating it well into the egg-yolks. Prepare in the usual way and serve sizzling hot. It's delicious!

CRUMB-SCRAMBLED EGGS

Combine 1 cup bread crumbs with 1/2 cup of milk and allow to stand for 5 minutes. Mix well with 4 beaten eggs, season and scramble. And try baking this same egg-crumbs mixture in tomato cups. It's a delightful way to make 4 eggs take care of 6 appetites.

CREAMED EGGS

Heat sliced, hard-cooked eggs in seasoned white sauce. Serve on top of crisp toast or between split muffins. For variety now and then, add a bit of mustard, catsup, meat sauce, or chopped parsley to the sauce. For a main dish at dinner, try adding cooked peas, carrots, or grated cheese. Creamed deviled eggs are delicious, too.

EGGS ORANGE

To 6 beaten eggs, add 3 tbsps. orange juice, 2 tbsps. catsup or tomato sauce (optional), and seasonings to taste. Cook in top of a double boiler until firm and gelatinous, stirring all the while. Spoon out on hot, crisp toast, sprinkle with grated orange rind, and serve immediately. This offering is elegant enough to be a party dish, yet simple enough for frequent repetition at family meals.

WOMAN WITH THREE RATION BOOKS HELD

SEATTLE, April 20 (AP)—A woman booked as Mrs. Betty Elliott Gossler, a merchant seaman's 17-year-old wife, was found over to the federal grand jury yesterday on charges of having made false statements in obtaining three food ration books.

She admitted having obtained war ration book No. 1 at Hoquiam and again at Klamath Falls, Ore., before applying for books for herself and an army deserter under false names at Snoqualmie Falls.

She told U. S. Commissioner Harry M. Westfall she had torn up the Klamath Falls book and her landlady in Hoquiam had misplaced the other.

She remained in jail at the suggestion of the commissioner and at her own request.

Escaped Prisoners Returned to Salem

SALEM, April 20 (AP)—James Hogler, state prison trustee who escaped last December, and Myrtle Collins, state hospital patient who escaped at the same time, were returned here yesterday by prison officials. They were caught in eastern Oregon.
