

MINISTERS TO HOLD PASSION WEEK SERVICE

At its last regular meeting, the Klamath Ministerial association decided to hold one service only during Passion week, and this to be held in one of the churches. For several years past the Passion Week services have been held in the theatres of the city. When this move was first inaugurated the attendance was unusually gratifying, but in recent years, and last year in particular, it was exceptionally low. On account of this it was felt that the response did not justify the efforts of pastors, choirs and people. Hence the decision to return to the churches.

On Friday morning of this week, April 23, there will be a Good Friday service held in the First Covenant church, the Rev. Ruben Johnson, pastor, at Walnut near South Ninth streets. The time is 7:45 p. m.

The program follows: Opening remarks and greetings by the Rev. Cecil C. Brown, pastor of the First Baptist church. The congregational singing will be led by the Rev. A. H. Persing. Scripture reading by the Rev. A. Theodore Smith, D. D., of the First Presbyterian church. Prayer by the Rev. Daniel B. Anderson of the Klamath Temple. Sermon by the Rev. Harry L. Russell, pastor of the First Nazarene church, who is shortly to leave the city to accept the pastorate of the Nazarene church, Snoqualmie, Wash. Benediction by the Rev. McCormick.

There will be a special offering taken, the entire amount of which will go to liquidating the present indebtedness on the Klamath Union Rescue Mission, in order that this much-needed work may be ready to function in the post-war days, when the nation will be flooded with indigents once more.

The singers of the various churches are requested to cooperate in the special choir. There will be two special musical numbers, one each by Immanuel Baptist church and the Bible Baptist church.

The general public, as well as the members of the churches of the city, are invited to share in this single but important Passion Week service, held in one of the most attractive churches of the city.

Mr. Stork Takes It Easy During March

Something happened to Mr. Stork's spring record. He left 61 bundles from heaven during the past month of March, but in March of 1942, he left 93 babies. Death in March, 1943, totaled 26, falling under the figure of 39 for the same period last year.

GOOD FRIDAY TO BE NOTED BY LUTHERANS

A three-hour Good Friday service will be observed at Klamath Lutheran church, it was announced by the Rev. L. K. Johnson, Cross and Crescent streets. Mrs. Carl Brandsness is the organist. Hours are from 12 o'clock noon to 3 p. m., Friday, April 23.

The First Word, "Father, forgive them, for they know not what they do." 12 to 12:30 p. m. The Second Word, "Verily I say unto thee, today shalt thou be with me in paradise." 12:30 to 12:55 p. m.

The Third Word, "Woman, behold thy son! Son, behold thy mother." 12:55 to 1:15 p. m.

The Fourth Word, "My God, My God, why hast Thou forsaken me?" 1:15 to 1:35 p. m.

The Fifth Word, "I thirst." 1:35 to 1:55 p. m.

Offertory, selected. The Sixth Word, "It is finished." 2 to 2:25 p. m.

The Seventh Word, "Father, into Thy hands I commend my spirit." 2:25 to 2:45 p. m.

Velling of the cross, anthem, and recessional. 2:45 to 3 p. m.

There will be special music, hymns and prayer during each of the above periods. The public is cordially invited and are welcome to come for any of these periods if time does not allow attendance for the full three hours.

Every person attending the service on Good Friday at Klamath Lutheran church will be presented with a little cross made of mahogany from Bataan.

NICE IDEA, ANYHOW
KANSAS CITY, (AP)—Pupils of Franklin school, who recalled a custom of the early American Indians and planted fish to fertilize their Victory garden, report a setback.

Dogs came from everywhere. They dug up the ancient fish with vigor and rolled in same with gusto.

METHODISTS HAVE CHURCH OPEN FRIDAY

The Rev. Victor Phillips of the First Methodist church, North Tenth and High streets, announces that the sanctuary of the church will be open between the hours of 12 noon to 3 p. m., on Good Friday, representing the three hours Jesus Christ hung upon the cross, for the use of anyone, regardless of denomination or creed, who would like to spend a few minutes, or longer if they so desire, in quiet prayer and meditation.

The lighted cross will be burning at the chancel, the pastor will be in his study if he can be of any service, but whether or not the pastor is needed for consultation, the public is invited to take advantage of the open sanctuary and offer a quiet prayer for themselves, their loved ones in the armed services or elsewhere, our country, and the world.

In the evening at 8 o'clock the sacrament of communion will be administered at dimly lit tables and served in the fashion in which tradition tells us Jesus and His disciples partook of the Last Supper on the night of the crucifixion. The public is also invited to this sacred service.

Another outstanding event of this church's activities during the Easter season is the sacred concert to be given on Sunday evening at 7:45 o'clock. Andrew Loney Jr., will direct the choir and Mrs. George W. McIntyre will be the accompanist. A large chorus choir will render Easter anthems. Soloists will be Mrs. S. Meade Badger, Mrs. Winnifred Gillen, Mrs. L. E. Juniper and Bruce Binkley. Mrs. David Burgoyne will render a violin solo with Mrs. J. C. O'Neill, accompanying, and Fred Floetke, Stanley McGhehey and Richard Porter will play a trumpet trio.

Timekeeper Finds No Men to Join CIO in Shipyard

PORTLAND, April 22 (AP)—A timechecker at Henry P. Kaiser's Swan Island shipyard testified at the Kaiser labor hearing today he attempted to distribute CIO cards for the organization of timecheckers at the yard in August, 1942, but found no one willing to join the CIO. The witness, Dana Smythe, identified 10 of the timecheck-

ers under cross examination by national labor board attorneys. He said he talked with the men on company time but no company official objected. He also testified that at no time did he hear any of the timechecker supervisors express an opinion about either the CIO or AFL unions.
