# Easter AT PENNEY'S

THIS YEAR IT'S SMART IF IT'S USEFUL

Don't overlook the importance of jacket and skirt outfits this year. They're amazingly flexible in matching colors, they're suits. In contrast, they're sports outfits. A dressy blouse makes them dressy—a tailored one transforms them into business garb—and a sweater makes them good for school or sports wear.

And above all, they take the every-day strain off your hard-to-replace wardrobe. That's why jackets and skirts play such an important role this Easter—when only the USEFUL is smart for wartime wardrobes!
