

PLAY PROGRAM OUTLINED BY DAVE BRIDGE

A splendid summer recreation program is now being outlined by City Recreation Officer Dave Bridge, and present plans call for the opening of the season on Monday, June 7, at Klamath Union high school and Mills grade school.

Bridge will be assisted at the high school by Mrs. Freida Wheeler, head of the shop program, Dwight French, who will also assist in this program, and Joe Peak, head of the physical education work.

Clement Clemens will head the physical education program at Mills school. Other appointments will be made later, Bridge stated.

The recreation schedule will continue for two months, ending with one week of summer camp for boys and one week for girls at Lake of the Woods.

One new project will be the construction of material for the American Red Cross, the products to be distributed in the army camps.

Local Recruiter Gets Transfer to Active Navy Duty

C. J. Speakman, chief boatswain's mate, for the past eight months recruiter-in-charge of the local navy recruiting station, received orders to report Thursday morning to the main station in Portland where he expects to be transferred to sea. Due to the suddenness of the orders, Chief Speakman expressed his regrets for being unable to contact many personal friends who have rendered helpful assistance during his stay here.

Chief Speakman, who has just completed 20 years of service in the navy, is one of 12 chief petty officers from the Oregon district receiving orders this week for transfer from the recruiting service.

Dan Schreiber, specialist first class, will relieve Speakman. Schreiber has been stationed here since December last year and resides at 1440 Eldorado street. Before entering the navy in September, 1942, Schreiber was manager of the J. C. Penney store in Independence.

PARACHUTE SUITOR
DENVER (AP)—A white handkerchief attached to an exploded machinegun shell fluttered down from the clouds. The finder, Paul Martinez, took it to police. Detective Fred Zarnow found a note in the shell—and telephoned a certain girl to make a date for a Lowry field airman, as it requested.
