# Mother's Day

AT PENNEY'S!

TO the millions of American mothers we speak today with friendship and with feeling. Bringing up a family is the most important job in the world, and the hardest, and the J. C. Penney Company well knows it!

So to the mothers of tiny babies—to the mothers of school age youngsters—of teen age boys and girls—of fighting men and helping women—we speak!

If your problems never seem to end—if the war has served to multiply and enlarge them—remember, many of them can be solved at Penney's.

For the Penney platform has always been to simplify mother's family shopping job—to treat mother's family budget with courtesy and care.

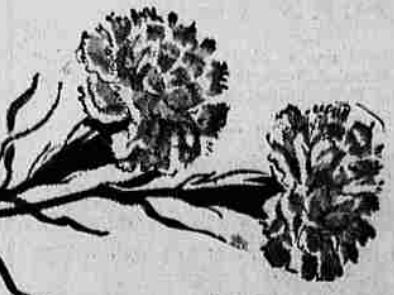

You will find at your Penney store the most serviceable Socks, Shirts and Shorts; the best in Bootees, Blankets and Bonnets; the thriftiest in Towels, Thimbles and Thread; the first and finest in Fashions, Fabrics and Footwear.

All of these things—and hundreds more! Not, today, in quite the same wide selection as in other years, but still the very best that wartime conditions make possible. For the vast and united buying power of Penney's 1,611 stores enables us always to secure the most and the choicest possible from the nation's finest mills and factories.

At Penney's we have never made deliveries, or handled installment buying, or carried charge accounts, or operated costly luxury stores. Mothers know that the economies made possible by this policy have resulted in consistently low, budget-saving prices.

As for profits, every Penney purchase has been profitable two ways: a big profit to the purchaser in real and measurable savings, and a small profit to the Penney Company, with which to carry on its business. Big savings and small profits have always been characteristic of Penney stores.

And so, Mothers, we greet you on your day. We extend our good wishes and the promise of our continued help. We ask you to believe that we run our stores so that every day is Mother's Day at Penney's!

THE AMERICAN MOTHER'S WAY IS THE THRIFTY WAY—THE THRIFTY WAY IS THE PENNEY WAY!
