First Church of Christ Scientist

Tenth and Washington streets. This church, a branch of The Mother church, the First Church of Christ, Scientist in Boston, Mass., holds services each Sunday morning at 11 o'clock.

"Mortals and Immortals" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 16.

The Golden Text will be "Henceforth know we no man after the flesh" (1 Cor. 5:16).

Among the citations which will comprise the Lesson-Sermon is the following from the Bible: "Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture" (Ps. 100:3).

The Lesson-Sermon also will include the following correlative passages from the Christian Science textbook, "Science and Health with Key to Scriptures" by Mary Baker Eddy: "Mortals are the counterfeit of immortals. They are the children of the wicked one, or the one evil, which declares that man begins in dust or as a material embryo. In divine Science, God and the real man are inseparable as divine Principle and idea." (p. 476).
