

THIS CURIOUS WORLD

DON'T BE DISCOURAGED

IF YOU FIND THE *INSECTS* IN YOUR VICTORY GARDEN ARE SMARTER THAN YOU ARE... REMEMBER, *INSECTS WERE ON EARTH MILLIONS OF YEARS BEFORE MAN!*

T.M. REG. U.S. PAT. OFF.

WASPS KNEW HOW TO MAKE PAPER FROM WOOD PULP BACK IN THE DAYS OF DINOSAURS.

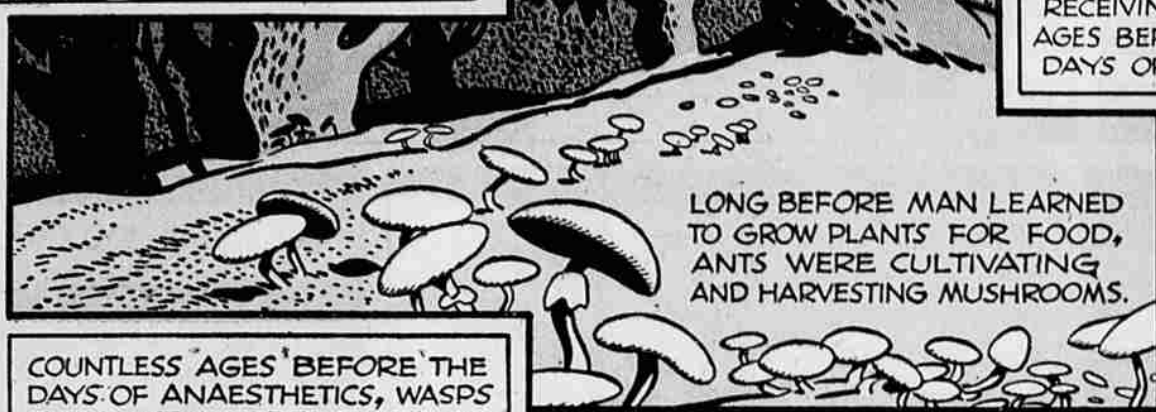

THE ANTENNAE OF INSECTS SERVED AS SENDING AND RECEIVING SETS AGES BEFORE THE DAYS OF RADIO.

BEEES KNEW HOW TO AIR CONDITION THEIR HOMES BEFORE MAN EVER THOUGHT OF SUCH THINGS.

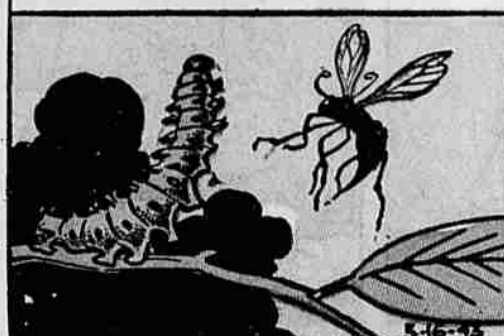

SINCE DAYS WHEN THE EARTH WAS YOUNG, ANTS HAVE KEPT HERDS OF DAIRY COWS...IN THE FORM OF PLANT LICE...WHICH EXUDE SWEET SAP WHEN STROKED BY THE ANTS.

LONG BEFORE MAN LEARNED TO GROW PLANTS FOR FOOD, ANTS WERE CULTIVATING AND HARVESTING MUSHROOMS.

COUNTLESS AGES BEFORE THE DAYS OF ANAESTHETICS, WASPS KNEW JUST WHERE TO STING THEIR PREY TO BRING ON PARALYSIS.

MAN BEGAN MAKING POTTERY THOUSANDS OF YEARS AGO! INSECTS BEGAN IT MILLIONS OF YEARS AGO.
