BOARD TO INTERVIEW MEN IN AIR CORPS

According to information received by Sergeant Frank J. Huhin, commander of the local army recruiting office, an examining board will be in Klamath Falls on May 24 and 25 for the purpose of examining applicants for appointment as aviation cadets in the army air corps.

Young men between the ages of 17 and 26 inclusive who are interested in the type of training are urged to submit their applications immediately to the army recruiting office, 219 post office building.

Applicants must have reached their 17th but not their 27th birthday, they may be married or single, they may apply regardless of their selective service classification provided they have not received orders to report for induction. No formal education is required but candidates must be able to pass the mental and physical examinations prescribed by the air forces.

Full information and application forms may be obtained from the army recruiting office without obligation.

Hearings Started On "Sub Standard" Wages in Oregon

SEATTLE, May 21 (AP)—Dr. George Bernard Noble, former Reed college professor and chairman of the regional war labor board, will open a hearing on what constitutes a "sub-standard" wage of Oregon workers at Portland tomorrow. A similar hearing was held in Seattle earlier this week.

Dr. Noble explained that once a minimum fair pay scale has been determined the board would not be bound by the "little steel formula" of 15 per cent increase in cases judged "sub-standard" or below the minimum fair pay scale.

Ellen Tuck Astor Granted Divorce From J. J. Astor

RENO, Nev., May 21 (AP)—An eight-minute private hearing won Mrs. Ellen Tuck French Astor a divorce yesterday from John Jacob Astor III.

Mrs. Astor entered the courthouse through a rear door and went directly to Judge William McKnight's chambers.

The divorce decree took no notice of Astor's petition, filed by his attorney a few hours earlier, asking that his wife's suit be dismissed and denying her charge of "extreme cruelty of a mental nature."

REASON TO BLUSH

GREAT FALLS, Mont., (AP)—The police blame war priorities for their red faces and un-red automobiles.

When they drive by in their newest radio car, they get whistles and "yoo-hoos" from the sidewalk.

The car is painted pink.

MEN AND WOMEN IN SERVICE

WITH SEABEES — Gus T. Youngren, seaman 1/c, is a well known Klamath youth now serving with the Seabees in Davisville, R. I.

Gus enlisted in the navy construction battalion in November of 1942. He is a graduate of Chiloquin high school and for one year operated the Richfield service station on South Sixth street. At the time of his enlistment, Gus was employed in the Seattle shipyards. He is a brother of Carl and Knute Youngren.

IN MISSOURI—Word has been received from Pvt. John A. Coughran Jr., that he is stationed at Fort Leonard Wood in Missouri. He is in basic training as a rifleman in the 290th infantry of the new 78th division, which has just been activated in Missouri. This division is part of the second army of the United States. Coughran is a former employe of the J. C. Penney company here. His wife, Bernal, resides at 1327 Johnson street.

INSTRUCTOR—Corp. Scott B. Wolford enlisted in October, 1941 and was sent to the reception center at Fort Lewis, Wash., and then to Jefferson Barracks, Mo., and from there to Chanute field, Ill., where he was graduated from the air corp technical school. He was then selected to take an advanced course and training for instructor. Wolford is now located at Lincoln air base, Neb., as instructor. He is the son of Mr. and Mrs. B. E. Wolford of Sprague River.

MEN IN SERVICE—WITH PIX IN THE SOUTH

—Corporal James E. Bell of the US army photo squadron, is somewhere in New Guinea he writes his parents, Mr. and Mrs. W. J. Bell of 4077 Freida street, Bell likes his work "just fine" but every letter states there is no place in the world like the "USA." Bell enlisted March 9, 1942.

Long Distance Call — Earl Emerick of Honolulu talked to his mother, Mrs. W. C. Kohler, Hillside avenue, by long distance on Mother's Day. Earl has been at Pearl Harbor for 18 months.

Sgt. Clair Martin is home on a 16-day furlough visiting his mother and brother at their home on 2200 Wantland avenue. Sgt. Martin is in the radio division of the field artillery at Camp White. Martin says that he likes the army and his work very much.

Aviation Cadet Wayne Kenneth Galloway, son of Mr. and Mrs. C. D. Galloway, 715 St. Francis street, is a member of class 43E of student officers and aviation cadets to be graduated soon from the army air forces advanced flying school at Yuma, Ariz.

Before entering the final and advanced training course at Yuma army air field, Cadet Galloway completed his primary and basic training at Sequoia field, Visalia, Calif., and Chico army flying school, Chico, Calif. He graduated from Grant county high school and received letters in football, baseball and

OPA EXTENDS EXPIRATION DATE ON BLUES

WASHINGTON, May 21 (AP)—To avert an end-of-the-month buying rush, the office of price administration today extended for one week the expiration date of blue stamps G. H. and J. in war ration book No. 2.

Previously scheduled to expire May 31, the three processed food stamps will be good through June 7.

OPA at the same time made the next three sets of blue stamps—K, L, and M—good beginning Monday, May 24, and extended their expiration date from the end of June to July 7.

Blue stamps G, H and J which have been valid through May, and K, L and M therefore will all be valid during a two-week overlap period from May 24 to June 7.

OPA pointed out, however, that sugar and coffee stamps will expire May 30 and 31, respectively, and cautioned shoppers against waiting to spend their stamps until May 31—Memorial Day—when stores will be closed.

MISS LANDRY AND NEWMAN WIN CUPS

The faculty cups, Klamath union high school awards given annually at this time, went this year to Mary Landry and Richard Newman. In yesterday's paper, it was stated erroneously that the girls' cup went to another girl.

These awards are based on scholarship, citizenship and general contribution to the welfare of the schools. The choice is made by faculty members. Names of the winners are engraved each year on the large trophies, which remain on display at the school building.

Superintendent Arnold Grapp presented the awards at the commencement exercises.

Submarine Sailors Riot at Union Meet Following Remarks

GROTON, Conn., May 21 (AP)—Submarine sailors tossed a public address system microphone over a fence yesterday at the Electric Boat company, tore down union signs, stamped on union buttons and smashed a table during a CIO organizer's attempt to speak to a luncheon crowd at the submarine building plant.

Officer H. T. Perry of the Groton police, who was present, said the sailors charged that Maurice Miller, the organizer, had referred to them during his remarks as "50-a-month punks" but that Miller had denied using the phrase.

basketball. He also attended Friends university, Wichita, Kans., and Colorado university, Boulder, Colo.

UP ENGINE PRODUCTION
DEARBORN, Mich. — Airplane engine production by the Ford Motor company will be increased three-fold through conversion of several plants and reorganization of engine-building facilities in the Detroit area under an additional government contract of \$34,202,773, it has been announced by company officials.

The new contract brings the defense plant corporation commitment with the company on 2000-h.p. Pratt and Whitney airplane engines to \$68,000,000 and makes Ford the nation's largest producer of heavy horsepower aircraft engines.

The company revealed plans to utilize the Memphis, Tenn., and Kansas City, Mo., plants and perhaps part of one other large assembly factory after it was disclosed that the government had authorized the additional expenditures for developing the manufacturing facilities in these plants, at the Highland Park plant and at a number of smaller factories in the Detroit area.

TIRE MADE FROM ALCOHOL
AKRON, O.—The industrial use of farm crops to make tools for the farmer received a big boost today when, for the first time, grain was used as the base for a synthetic rubber farm tractor tire.

Harvey S. Firestone Jr., whose father put the farm on rubber by developing the first practical pneumatic tractor tire, was present to inspect the first of the new tires as it came from the mold at the Firestone company's Akron plants. The historic tire is one of a set being completed for testing on the Firestone farms at Columbiana, O.

Nearly 10 bushels or 800 pounds of shelled corn were required to make the butadiene for the first set of tires, all of the famous ground grip variety.

MILL TO RISE
The Albers Milling company, manufacturers of cereals and of poultry and animal feeds for 47 years, has received authority from the war production board to proceed at once with the reconstruction and equipping of their mill at Oakland, Calif. Located at the foot of Seventh street, the mill was damaged and partially destroyed February 28, 1943, in Oakland's worst fire disaster.

Wage Increases For Cannery Help Certain of Okay

SEATTLE, May 21 (AP)—A 10-cent hourly pay increase for

60,000 cannery workers in Washington and Oregon, granted by the regional war labor board, is virtually certain of approval by the national board, Dr. George B. Noble, regional board chair-

man, said last night. Dr. Noble said he had been informed by top officials of the national board that "this important case has the green light" because of the urgency of assur-

ing a record pack of fruits and vegetables this year. Eleven generals were killed or fatally wounded in the battle of Gettysburg.
