Acid Indigestion

Relieved in 5 minutes or double your money back. When excess stomach acid causes indigestion, following gas, sour stomach and heartburn, doctors usually prescribe the famous-antacid medicine known as "Acid-Indigestion" relief—medicine like these 50¢ bottles. The medicine "Acid-Indigestion" is a city or return bottle to us for double money back. We think there is a very definite job to be done in every community to combat this growing delinquency on the part of young men and women.—FBI Chief J. Edgar Hoover.
